Judaism In Monologue And Dialogue:

Judaism in Monologue and Dialogue Jacob Neusner, 2005-09-16 Judaism in Monologue and Dialogue raises issues concerning the religious tradition of Judaism and the relationships between the communities of Judaism and those of Christianity

Evangelization as Interreligious Dialogue John C. Cavadini, Donald Wallenfang, 2019-08-21 What does Jesus have to do with Buddha What does Muhammad have to do with Krishna One of the most important tasks for theology in the twenty first century is interreligious dialogue Given the rapid process of globalization and the surge of information via the Internet travel and library networking today interreligious dialogue has become a necessary element within Christian theology that no longer can be avoided Evangelization as Interreligious Dialogue features eleven essays plus an extensive introduction that exercise a live conversation between religious others Divided into four thematic sections 1 Catholic approaches to interreligious dialogue 2 dialogues between Judaism and Christianity 3 dialogues between Islam and Christianity and 4 dialogues between Hinduism Buddhism and Christianity this volume conducts a sustained theological reflection on the current state of interreligious dialogue by signaling its hopeful promises and unrelenting challenges The reader will be invited to encounter the religious other firsthand and put his or her most cherished theological assumptions to the test This book aims to provoke an expansion of horizons for theological imagination as it exposes the basic dialectic of identity and difference as played out in the interaction between diverse religious beliefs practices and experiences

An Introduction to Jewish-Christian Relations Edward Kessler, 2010-02-18 Relations between Christians and Jews over the past two thousand years have been characterised to a great extent by mutual distrust and by Christian discrimination and violence against Jews In recent decades however a new spirit of dialogue has been emerging beginning with an awakening among Christians of the Jewish origins of Christianity and encouraging scholars of both traditions to work together An Introduction to Jewish Christian Relations sheds fresh light on this ongoing interfaith encounter exploring key writings and themes in Jewish Christian history from the Jewish context of the New Testament to major events of modern times including the rise of ecumenism the horrors of the Holocaust and the creation of the state of Israel This accessible theological and historical study also touches on numerous related areas such as Jewish and interfaith studies philosophy sociology cultural studies international relations and the political sciences

[The Jew Named Jesus](#) Rebekah Simon-Peter, 2013 Author Rebekah Simon Peter says Jesus was born a Jew raised a Jew lived a Jew died a Jew and resurrected a Jew He was no backsliding Jew but an observant Jew He honored and observed the Sabbath and the Jewish holidays But most of all he honored and observed the Torah the Hebrew Bible or what we call the Old Testament How could he do anything but love his own people I believe it s important for the church to own that and to claim it proudly Jesus was Jewish through and through Why is that important I believe how we see name and claim Jesus has everything to do with how we see name and claim each other Simon Peter an ordained elder in The United Methodist Church was born and raised a Jew first Reform then later

Orthodox She challenges Christians to rethink Jesus identity as a Jew and in the process to consider ways traditional Christian theology has contributed to anti Semitism How can we continue to heal the breaches between Jews and Christians How can the biblical texts enrich our understanding of Jesus as a practicing Jew How can our Christian faith deepen and grow as we consider ways to respect Jesus identity as a faithful Jew

50 Years On David Schultenover, 2015-05-15 Pope John XXIII prayed that the Second Vatican Council would prove to be a new Pentecost The articles gathered here appeared originally in a series solicited by and published in Theological Studies September 2012 to March 2014 The purpose of the series was and remains threefold To commemorate the 50th anniversary of the Second Vatican Council To help readers more fully appreciate its significance not only for the Catholic Church itself but also for the entire world whom the Church encounters in proclamation and reception of ongoing revelation In their present form to help readers worldwide engage both the conciliar documents themselves and scholarly reflections on them all with a view to appropriating the reform envisioned by Pope John XXIII Contributors Stephen B Bevens SVD Mary C Boys SNJM Maryanne Confoy RSC Massimo Faggioli Anne Hunt Natalia Imperatori Lee Edward Kessler Gerald O Collins SJ John W O Malley SJ Agbonkhianmeghe E Orobator SJ Ladislav Orsy SJ Peter C Phan Gilles Routhier Ormond Rush Stephen Schloesser SJ Francis A Sullivan SJ O Ernesto Valiente Jared Wicks SJ

Communion in the Messiah Lev Gillet, 2013-12-20 There are two main themes in Gillet's challenging book substitution of a dialogue for the one sided mission to the Jews and communion of Jews and Christians in the one Messiah Without compromising the Christian position Gillet shows how much Christians have to learn from Jews before they can hope to communicate their own faith that Jesus is the Christ After a historical analysis of the intellectual relations between Christianity and Judaism Gillet eruditely draws out the common element challenging and correcting misconceptions about Rabbinism and Jewish life and teaching generally which overlook the two millennia of Jewish thought between the Old Testament and modern times He shows how close is this connection and how deeply spiritual is much of Jewish theology There is he claims nothing in Jewish belief that a Jew become Christian ought to reject while Christianity is the completion and fulfilment of Judaism

A Jubilee for All Time Gilbert S Rosenthal, 2017-03-31 In 1965 the Second Vatican Council formally issued a historic document titled *Nostra Aetate* In Our Time It was an attempt to frame the relationship between the Roman Catholic Church and the Jewish people Never before had an ecumenical council attempted such a task The landmark document issued by the Council and proclaimed by Pope Paul VI precipitated a Copernican revolution in Catholic Jewish relations and started a process that has spread to the Protestant and Orthodox worlds as well *A Jubilee for All Time* consisting of essays and reflections by Catholic Protestant Orthodox and Jewish scholars and theologians by pastors and professors from the United States Canada Ireland Great Britain and Israel is an evaluation of what *Nostra Aetate* has accomplished thus far and how Christian Jewish relations must proceed in building bridges of respect understanding and trust between the faith groups *A Jubilee for All Time* serves as a source of discussion learning and dialogue for scholars

students and intelligent laypersons who believe that we must create a positive relationship between Judaism and Christianity

Talking Dialogue Karsten Lehmann, 2021-02-22 Throughout the last two decades the modern dialogue movement has gained worldwide significance The knowledge about its origins is however still very limited This book presents a wide range of insights from eleven case studies into the early history of several important international interreligious interfaith dialogue organizations that have shaped the modern development of interreligious dialogue from the late nineteenth century up to the present Based on new archival research they describe on the one hand how these actors put their ideals into practice and on the other how they faced many challenges as pioneers in the establishment of new interreligious interfaith organizational structures This book concludes with a comparison of those case studies bringing to light new and broader historico sociological understanding of the beginnings of international and multi religious interreligious interfaith dialogue organizations over more than one century The World s Parliament of Religions 1893 The Religi ser Menschheitsbund 1921 The World Congress of Faiths 1933 1950 The Committee on the Church and the Jewish People of the World Council of Churches 1961 The Temple of Understanding 1968 The International Association for Religious Freedom 1969 The World Conference on Religion and Peace 1970 The Council for a Parliament of the World s Religions 1989 1991 The Oxford International Interfaith Centre 1993 The United Religions Initiative 2000 The Universal Peace Federation 2005 Based on these analyses the authors identify three distinct groups with sometimes conflicting interests that are shaping the movement individual religious virtuosi countercultural activists and representatives of religious institutions Published in cooperation with the King Abdullah Bin Abdulaziz International Centre for Interreligious Intercultural Dialogue Vienna Seeing Judaism Anew Mary C. Boys, 2005-03-22 In September 2002 twenty one prominent Catholic and Protestant scholars released the groundbreaking document A Sacred Obligation which includes ten statements about Jewish Christian dialogue focused around a guiding claim Revising Christian teaching about Judaism and the Jewish people is a central and indispensable obligation of theology in our time Following the worldwide reception of their document the authors have expanded their themes into Seeing Judaism Anew The essays in this volume offer a conceptual framework by which Christians can rethink their understanding of the church s relationship to Judaism and show how essential it is that Christians represent Judaism accurately not only as a matter of justice for the Jewish people but also for the integrity of Christian faith By linking New Testament scholarship to the Shoah Christian liturgical life and developments in the church this volume addresses the important questions at the heart of Christian identity such as Are only Christians saved Why did Jesus die Why is Israel so important to Jews and what should we think about the conflict in the Middle East How is Christianity complicit in the Holocaust What is important about Jesus being a Jew **Educational Theory and Jewish Studies in Conversation** Harvey Shapiro, 2013 Educational Theory and Jewish Studies in Conversation From Volozhin to Buczacz by Harvey Shapiro PhD brings together two different fields of study modern Jewish studies and contemporary educational theory to provide new

theoretical frameworks for their interaction Shapiro provides alternative theoretical frameworks for the relationship between Jewish studies and educational theory and discusses different ways of developing and articulating this relationship between disciplines

When Jews and Christians Meet Jakob J. Petuchowski, 2012-02-01 *When Jews and Christians Meet* captures the present state of the Christian Jewish Dialogue in which it is taken for granted that good will has been established and that Christians and Jews have a great deal in common One can now appreciate the basic differences which remain between Judaism and Christianity without fear of giving offense With this assumption a number of Jewish and Christian scholars address several questions For example they ask what the future goals of Judaeo Christian studies should be and how the ecumenical aspirations of leading Christian and Jewish theologians can be translated into practice on a level which can be appreciated by the men and women in the pews of synagogues and churches In addition to such theoretical considerations the volume offers illustrations of how Bible study can be undertaken in both the Hebrew Bible and the New Testament by Jewish and Christian scholars addressing passages hitherto considered controversial with both a commitment to objective scholarship and a rootedness in their respective religious traditions Jeremiahs prophecy about the New Covenant and some of the Apostle Pauls statements about the Jews furnish the material for that joint enterprise

Early Christian Texts on Jews and Judaism Robert S. MacLennan, 1990 Examines four early Christian anti Jewish writings applying new methods of the historical critical school The four 2nd century texts are by Barnabas Epistle of Barnabas Justin Martyr Dialogue with Trypho Melito of Sardis Paschal Homily and Tertullian Answer to the Jews States that these texts along with the New Testament were theological and not historical works Deplores the fact that they are still used by modern Christians to propagate prejudice or create false impressions about Jews and Judaism

Interpreting Judaism in a Postmodern Age Steven Kepnes, 1996 Twelve Jewish studies scholars interpret Jewish texts from various postmodern critical stances finding resonances between the theories of interpretation and the texts themselves e g the word as cosmology in both deconstructionism and the Torah The papers examine deconstruction and the bible Talmudic cultural poetics Kabbalistic Hermeneutics struggles over the Hebrew canon postmodernism and the Holocaust Zionism and post Zionist discourses and Jewish feminist identity Annotation copyright by Book News Inc Portland OR

Jews, Judaism, and Success Robert Eisen, 2023-06-23 In *Jews Judaism and Success* Robert Eisen attempts to solve a long standing mystery that has fascinated many How did Jews become such a remarkably successful minority in the modern Western world Eisen argues that Jews achieved such success because they were unusually well prepared for it by their religion in particular Rabbinic Judaism or the Judaism of the rabbis Rooted in the Talmud this form of Judaism instilled in Jews key values that paved the way for success in modern Western society autonomy freedom of thought worldliness and education The book carefully analyses the evolution of these four values over the past two thousand years in order to demonstrate that they had a longer and richer history in Jewish culture than in Western culture The book thus disputes the common assumption that Rabbinic Judaism was

always an obstacle to Jews becoming modernized It demonstrates that while modern Jews rejected aspects of Rabbinic Judaism they also retained some of its values and these values in particular led to Jewish success Written for a broad range of readers *Jews Judaism and Success* provides unique insights on the meaning of success and how it is achieved in the modern world

Mystery and the Making of a Christian Historical Consciousness T. J. Lang, 2015-10-16 In general theological terms this study examines the interplay of early Christian understandings of history revelation and identity The book explores this interaction through detailed analysis of appeals to mystery in the Pauline letter collection and then the discourse of previously hidden but newly revealed mysteries in various second century thinkers T J Lang argues that the historical coordination of the concealed revealed binary the mystery previously hidden but presently revealed enabled these early Christian authors to ground Christian claims particularly key ecclesial hermeneutical and christological claims in Israel s history and in the eternal design of God while at the same time accounting for their revelatory newness This particular Christian conception of time gives birth to a new and totalizing historical consciousness and one that has significant implications for the construction of Christian identity particularly vis vis Judaism

Polarization and Consensus-Building in Israel Elie Friedman, Michal Neubauer-Shani, Paul Scham, 2023-07-31 This edited volume examines the most pressing social and political issues confronting Israel from a multidisciplinary perspective focusing on the breakdown of social solidarity and the inability to formulate consensus The contributors encompassing political scientists historians communication researchers sociologists economists and educators focus on specific topics that serve as exemplary cases of various trends of consensus and polarization These trends are examined in the context of ideological religious economic national and ethnic cleavages In addition this volume analyzes how political actors preference for non decision on various issues has resulted in the maintenance of a status quo with cleavages or conflicts being neither mitigated nor polarized Together this collection of articles paints a picture of Israel as a state racked by increasing polarization along ideological and religious lines It is argued that this difficulty in determining a consensual definition of the state threatens to destroy social solidarity in Israel altogether a climate in which the center cannot hold This book is essential reading for anyone seeking to understand the major internal threats to Israel s self definition as a Jewish democratic state and will also appeal to sociologists and political scientists interested in global polarization trends

Days of Sorrow and Pain: Leo Baeck and the Berlin Jews Leonard Baker, 2020-07-13 *Days of Sorrow and Pain* winner of the 1979 Pulitzer Prize in Biography tells the story of Germany s Jews under the Nazis and of one man s valiant efforts to help them meet the horrors of the Hitler regime Leonard Baker explores the disintegration of German society the plight of German Jews and the philosophy of Leo Baeck which enabled him to guide his people in their struggle for survival After Hitler came to power German Jews formed the Reichsvertretung with Leo Baeck at its head As Berlin s leading Rabbi and one of the foremost Jewish theologians in the world Baeck was the rallying point for all Jewish factions He dealt secretly with emissaries from abroad to arrange for Jews to emigrate and saw to it that Jewish

children received a religious education Young men were trained for the rabbinate in Berlin as late as 1942 Leo Baeck chose to remain in Germany as long as there were still Jews there He was arrested five times once after writing a prayer to be read in all German synagogues reminding Jews that even in this day of sorrow and pain they bowed only before God and never before man After his last arrest in 1943 at the age of 69 Rabbi Baeck was sent to Theresienstadt where he hauled trash carts by day and organized educational programs for his fellow inmates at night consoling them becoming one of their strengths After the war having survived the Holocaust Baeck never sought revenge but worked for reconciliation between Germans and Jews He became a world leader of liberal Judaism and never doubted the ultimate triumph of good over evil nor underestimated the responsibility of the individual to bring about that triumph Only now more than twenty years after Baeck's death has Leonard Baker a writer on American political history given us a full life story Drawing on nearly a hundred interviews with persons who knew Baeck and supplementing these with a rich variety of printed and archival sources he has succeeded in fashioning an intriguing portrait of the rabbi scholar called upon to assume leadership in a time of crisis The inherent drama of the subject together with Baker's practiced writing skill has made for a book of broad popular interest It has even been awarded the Pulitzer Prize for biography Michael A Meyer *American Jewish History* There are several outstanding reasons why this book was awarded the Pulitzer Prize in biography The evidence of extensive research and scholarship exists in one of the most complete oral and written bibliographies that is presently available on contemporary German Jewry Baker's writing style journalistic at times is free from conventional pedantry but is satisfying enough for even the most stodgy academe Furthermore the historical flow of the text leaves little doubt that this is one serious author Rabbi Baeck is shown as both the German as a Jew and the Jew as a German Writing with an obvious appreciation for the role of the Jews in modern German history Baker explains Baeck in the context of Reform Judaism Michael W Rubinoff *German Studies Review* Baker has written a marvelous account of Baeck's long and remarkable life Lew's Author Blog Baker tells Baeck's story in relation to the history of the German Jews down to his death as an expatriate in England in the 1950s Baker's narrative is scholarly and simple in tone as it should be and although chiefly a study in Jewish history it is also a study in historical tragedy and moral will Kirkus Reviews *Justice, Jesus, and the Jews* Michael LaVelle Cook, 2003 Does not address the eventual triumph of both Rabbinic Judaism and Gentile Christianity and the corresponding failure of a more Jewish Christianity It centers rather on our common root the Hebrew Bible and the relationship of the Jewish prophet Jesus of Nazareth to his ancestral heritage The correspondence between the Biblical notion of justice and Jesus proclamation of the reign of God raises questions for both Jews and Christians As such it also provides a common ground or lens for Jewish Christian dialogue The hope is that the focus upon justice will deepen that dialogue **Reformed and Ecumenical**, 2021-11-15 *Justin Martyr and the Jews* Rokeah, 2020-01-29 Justin Martyr a second century Gentile Christian apologist was active in the Christian Jewish propaganda war to convert each other and the pagans He radicalized the ideas of St Paul

on the divine Election Abraham the Pentateuch and the Gentiles Justin's background sources and thought and his place in the inter religious propaganda war are discussed as are the irreconcilable views of Jesus and Paul on the Pentateuch and the Gentiles Justin Martyr and the Jews considers the place of Paul and Justin's teachings in today's Christian Jewish dialogue about the roots of early Christian Antisemitism showing that the presuppositions of Paul and Justin must be abandoned if Christians and Jews today are to reach true understanding As part of the search for such understanding recent scholarly literature has been concerned with pre and post Holocaust inter religious relations as well as with the roots of Christian Antisemitism Some scholars have endeavoured to show that Pauline teachings were misunderstood and thereby exonerate Paul from the responsibility for Christian persecutions of Jews through the ages These scholars have also attempted to make Paul a bridge between Christians and Jews in their modern dialogue The present writer argues that this interpretation of Pauline teaching followed and even radicalized by Justin is unfounded
