Judaism And Islam In Practice:

Judaism and Islam in Practice Jacob Neusner, Tamara Sonn, Jonathan E. Brockopp, 2000 An invaluable collection of sources of Jewish and Islamic law this book provides unique analysis of the similarities and the differences between the two faiths [Three Faiths, One God](#) Jacob Neusner, Bruce David Chilton, William Albert Graham, 2002-01-01 In systematic

descriptions three of today's leading scholars detail the classical theologies of Judaism Christianity and Islam and the authoritative texts of those theologies They compare and contrast the three faiths each of which has a set of doctrines practices and beliefs that addresses common issues This publication has also been published in paperback please click here for details [Comparing Religions Through Law](#) Jacob Neusner, Tamara Sonn, 2002-03-11 Comparing Religions Through

Law offers a ground breaking study which compares these two religions through shared dominant structures In the case of Judaism and Islam the dominant structure is law Comparing Religions Through Law presents an innovative and sometimes controversial study of the comparisons and contrasts between the two religions and offers an example of how comparative religious studies can provide grounds for mutual understanding **Approaches to Jewish-Arab Interreligious Dialogue**

and Peacebuilding: Theory and Practice Molloy, M. Ben, 2024-10-01 Religion in its most negative form has and can be the basis of conflict escalation and terror However religion in its more noble and elevated forms can also be a force for peacebuilding particularly between Jews and Arabs If the slow but steady progress toward Israel's acceptance into Middle East continues an interreligious dimension will clearly accompany it as the Abraham Accords demonstrates Yet as the region continues to evolve and new challenges emerge new peacebuilding strategies will be required Approaches to Jewish Arab Interreligious Dialogue and Peacebuilding Theory and Practice follows the genre of scholars and practitioners who have contended that the religious contribution to conflict resolution and peacebuilding has been sorely overlooked particularly in the Middle East Based on the author's rich professional experience this book delves into the complexities of Jewish Arab relations by examining both the theoretical frameworks and practical initiatives that seek to bridge divides through religious dialogue Covering topics such as the Arab Israeli conflict Jewish political tradition and religious diplomacy this book is an essential resource for academicians scholars practitioners in peacebuilding policymakers government officials religious leaders and communities students and educators and more [Children of Abraham](#) Reuven Firestone, 2001 This

groundbreaking book developed with a grant from the Harriet and Robert Heilbrunn Institute for Interreligious Understanding of the American Jewish Committee is a stepping stone to dialogue Descended from a common ancestor Jews and Muslims share a special relationship and practice religions that exhibit remarkable moral and theological resemblance But most Muslims know little about Judaism In his volume Rabbi Firestone presents Judaism with a Muslim sensibility in mind and thus establishes unprecedented intimacy between Jewish and Muslim consciousness and worldviews His work is the first of its kind to offer a comprehensive introduction to Judaism with a special emphasis on issues of particular concern

Gender in Judaism and Islam Firoozeh Kashani-Sabet, Beth S. Wenger, 2014-12-05 Jewish and Islamic histories have long been interrelated Both traditions emerged from ancient cultures born in the Middle East and both are rooted in texts and traditions that have often excluded women At the same time both groups have recently seen a resurgence in religious orthodoxy among women as well as growing feminist movements that challenge traditional religious structures In the United States Jews and Muslims operate as minority cultures carving out a place for religious and ethnic distinctiveness The time is ripe for a volume that explores the relationship between these two religions through the prism of gender Gender in Judaism and Islam brings together scholars working in the fields of Judaism and Islam to address a diverse range of topics including gendered readings of texts legal issues in marriage and divorce ritual practices and women's literary expressions and historical experiences along with feminist influences within the Muslim and Jewish communities and issues affecting Jewish and Muslim women in contemporary society Carefully crafted including section introductions by the editors to highlight big picture insights offered by the contributors the volume focuses attention on the theoretical innovations that gender scholarship has brought to the study of Muslim and Jewish experiences At a time when Judaism and Islam are often discussed as though they were inherently at odds this book offers a much needed reconsideration of the connections and commonalities between these two traditions It offers new insights into each of these cultures and invites comparative perspectives that deepen our understanding of both Islam and Judaism

Narratives about Jews among Muslims in Norway Vibeke Moe Bjørnbekk, 2024-06-17 What is the nature of Muslim Jewish relations in Europe today Based on qualitative interview data this book explores narratives about Jews among Muslims in Norway Drawing on culturally embedded narratives as well as personal experiences interviewees reflect on the relationship between Jews and Muslims The interreligious exchange between Islam and Judaism is as old as Islam Today the Arab Israeli conflict has become an important frame of reference in the public discourse on Muslim Jewish relations The narratives presented in this book delineate shifting community boundaries and identifications that transcend dichotomised notions of Muslims versus Jews The analysis shows how Jewish history in Europe and the history of modern antisemitism serve as interpretative keys in the narratives used for explaining the situation of the Muslim minority today Furthermore the book demonstrates how interviewees' perceptions of society's attitudes toward Muslim and Jewish experiences also strongly influence their perceptions of Muslim Jewish relations

[An Introduction to Islam for Jews](#) Reuven Firestone, 2010-01-01 Helping Jews understand Islam a reasoned and candid view

Sufism and Jewish-Muslim Relations Yafia Katherine Randall, 2016-03-31 In Israel there are Jews and Muslims who practice Sufism together The Sufi activities that they take part in together create pathways of engagement between two faith traditions in a geographical area beset by conflict Sufism and Jewish Muslim Relations investigates this practice of Sufism among Jews and Muslims in Israel and examines their potential

to contribute to peace in the area It is an original approach to the study of reconciliation situating the activities of groups that are not explicitly acting for peace within the wider context of grass roots peace initiatives The author conducted in depth interviews with those practicing Sufism in Israel and these are both collected in an appendix and used throughout the work to analyse the approaches of individuals to Sufism and the challenges they face It finds that participants understand encounters between Muslim and Jewish mystics in the medieval Middle East as a common heritage to Jews and Muslims practising Sufism together today and it explores how those of different faiths see no dissonance in the adoption of Sufi practices to pursue a path of spiritual progression The first examination of the Derekh Avraham Jewish S f Order this is a valuable resource for students and scholars of Sufi studies as well as those interested in Jewish Muslim relations Islam F. E. Peters,2009-01-10 The Quran is a sacred book with profound and familiar Old and New Testament resonances And the message it promulgated Islam came of age during an extraordinarily rich era of interaction among monotheists Jews Christians and Muslims not only worshipped the same God but shared aspirations operated in the same social and economic environment and sometimes lived side by side indistinguishable by language costume or manners Today of course little of this commonality is apparent and Islam is poorly understood by most non Muslims Entering Islam through the same biblical door Muhammad did this book introduces readers with Christian or Jewish backgrounds to one of the world s largest most active and in the West least understood religions Frank Peters one of the world s leading authorities on the monotheistic religions starts with the central feature of Muslim faith and life the Quran Across its pages move Adam Noah Abraham David Solomon John the Baptist Jesus and the Virgin Mary The Quran contains remarkably familiar accounts of Genesis the Flood Exodus the Virgin Birth and other biblical events But Peters also highlights Muhammad s very different use of Scripture and explains those elements of the Quran most alien to Western readers from its didactic passages to its remarkable poetry Peters goes on to cogently explain Islam s defining features including the significance of Mecca the manner of Muhammad s revelations and the creation of the unique community of Muslims all in relation to the Judeo Christian tradition He compares Jesus and Muhammad describes Islamic commandments and rituals details the structures of Sunni and Shi ite communities and lays out central Islamic beliefs on war women mysticism and martyrdom The result is a crucial and extremely accomplished book that offers Western readers a professional yet highly accessible understanding of Islam and at a time when we need it most

The Islamic Moses Mustafa Akyol,2024-09-10 A theological and historical exploration of the connection between Islam and Judaism through the single most mentioned character in the Quran Moses There is one human mentioned in the Quran more than any other Moses Why is it that the Jewish prophet dominates the Islamic scripture Because he is the role model for Muhammad Islam s own prophet Because Islam just like Christianity is deeply intertwined with Judaism although surprisingly little attention has been given to this fascinating connection between the two religions Author and journalist Mustafa Akyol takes readers on a theological and historical walk through that much neglected side of

the Abrahamic triangle the Judeo Islamic tradition Using Moses presence in the Quran as a jumping off point Akyol explores the first historical encounter between Muslims and Jews the creative symbiosis and mutual enrichment that occurred between the two belief systems in medieval times and the modern emergence development and perception of the two religions At a time of bitter conflict in the Middle East The Islamic Moses dives into the older deeper and often unexpectedly brighter story of Jews and Muslims Readers of any background will be surprised by the common historical and theological ground that exists between the two religions and will come away with a better understanding of both

World Religions in Practice Paul Gwynne,2011-09-07 World Religions in Practice introduces five of the world s great religions Hinduism Buddhism Judaism Christianity and Islam and explores how they are lived and expressed in custom ritual and symbol A major new textbook exploring the world s great religions through their customs rituals and everyday practices by focusing on this lived experience it goes beyond many traditional introductions to religious studies Adopts a directly comparative approach to develop a greater understanding of the nature of religion Each chapter engages with an individual theme such as birth death food pilgrimage and ethics to illustrate how religious practices are expressed Broadens students understanding by offering an impartial discussion of the similarities and differences between each religion Includes chapter by chapter opening themes and summaries and will be accompanied by a website at www.blackwellpublishing.com/gwynne featuring additional resources and study questions

The Children of Abraham F. E. Peters,2018-05-22 F E Peters a scholar without peer in the comparative study of Judaism Christianity and Islam revisits his pioneering work Peters has rethought and thoroughly rewritten his classic The Children of Abraham for a new generation of readers at a time when the understanding of these three religious traditions has taken on a new and critical urgency He began writing about all three faiths in the 1970s long before it was fashionable to treat Islam in the context of Judaism and Christianity or to align all three for a family portrait In this updated edition he lays out the similarities and differences of the three religious siblings with great clarity and succinctness and with that same remarkable objectivity that is the hallmark of all the author s work Peters traces the three faiths from the sixth century B C when the Jews returned to Palestine from exile in Babylonia to the time in the Middle Ages when they approached their present form He points out that all three faith groups whom the Muslims themselves refer to as People of the Book share much common ground Most notably each embraces the practice of worshipping a God who intervenes in history on behalf of His people The book s text is direct and accessible with thorough and nuanced discussions of each of the three religions Footnotes provide the reader with expert guidance into the highly complex issues that lie between every line of this stunning edition of The Children of Abraham Complete with a new preface by the author this Princeton Classics edition presents this landmark study to a new generation of readers
