Judgement Of The Pharaoh:

The Genesis Years of Elijah Muhammad Elijah Muhammad, 2008-11-14 This book represents the early writings of Elijah Muhammad when he submitted hundreds of articles to news organs like the Herald Dispatch Amsterdam News The Chicago Crusader and the Pittsburgh Courier These newspapers were circulated primarily throughout the black community Schools of thought developed with notables like Elijah Muhammad a staunch advocate of racial separation on one side and Martin Luther King a government sponsored poster boy for racial integration on the other Elijah Muhammad writing challenged many white preachers openly and refuted their claim of divinity He address what had come to be known as open conspiracy to destroy the black man and woman through Catholic sponsored birth control *The Branch Exposition of the Bible, Volume 2* Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

Code: Capital Punishment in Old Greek Exodus in Light of Greco-Egyptian Law Joel Korytko, 2023-10-09 Many laws in the Old Greek translation of the Covenant Code do not say the same thing as the Hebrew text In the past various idiosyncrasies in the Greek translation of laws that involve the death penalty had been glossed over and considered stylistic variations or grammatical outliers However when the text linguistic features of the Greek translation are compared to
