Judges Gods War Against Humanism:

Judges James B. Jordan,1985 *Judges: A Narrative of God's Power* Cyril J. Barber,2003-10-07 The book of Judges deals with a people who lost their freedom not all at once but gradually The Israelites were content to let the neighboring inhabitants of Canaan rule over them Judges clearly describes the reasons for this spiritual moral and national decline It began with compromise The people s commitment to God s revealed will steadily decreased until it was no longer sufficient for the crises that arose It was at this time that God placed tremendous responsibility in the hands of a chosen few Judges more than any other book of the Bible illustrates the way the power of God is available to ordinary people to accomplish His purposes These men and women learned through their experiences that to those who have no might he increases power Isaiah 40 29 This should inspire us with confidence particularly as we read this book in light of the apostle Paul s words Not that we are competent in ourselves to reckon anything as from ourselves but our competency is of God in order that the excellency of the power may be of God and not of us 2 Corinthians 3 5 4 7 **Yahweh Versus Baalism** Wolfgang

Bluedorn,2001-12-19 The author uses a literary theological approach to argue that the main theme of the combined Gideon Abimelech narrative is a theological one where the narrator demonstrates Yahweh s supreme power and contrasts it with the absence of Baal the representative of foreign gods While the Gideon narrative focuses on Yahweh and the illustration of his power and contrasts it with Gideon s limited capacities the Abimelech narrative demonstrates Baal s absence Baalism s disastrous potential and Yahweh s continued control over the events Hence Gideon s victory over the Midianites and Abimelech s kingship serve only as the tangible instruments by which a single abstract theological theme becomes narratable

Judges Tim Mather,2010-10 JUDGES Book of Heroes traces the tragic story of the people of God from the glory days of Joshua to the gloomy days of Samson from courage to compromise from conquest to capitulation But despite the subject matter this book is not a gloomy book The author shows that for all their failings the judges were men and women of rare faith men and women who stood for God in troubled times And he encourages us too to live for God where He has placed us to serve Him faithfully in the work to which He has called us We may not have the spiritual gifts of a Samson or a Deborah We may not have the courage of an Othniel or a Jephthah Perhaps we re just ordinary like Gideon or maybe we feel like one of the minor judges like Abdon or Ibzan or Tola whose names nobody can remember Nevertheless God delights to use ordinary people and He delights even more to use really useless people God will use those who have faith in Him those whose hearts are loyal to Him The judges of Israel imperfect as they were stand out for God like shining beacons in a dark night because at the end of the day they trusted God and were available to Him **The Heart of the Bible** Hugh Hill,2013-03-08 A journey through every book of the Old and New Testaments This overview of the whole Bible sets out the big picture bringing the central message to light Hugh Hill explains simply and clearly how each book of the Bible fits into the whole He helps us to read with understanding providing background detail on the historical and political issues literary forms and

theological ideas This highly readable volume provides solid ground for further study and offers illuminating insights for those who preach and teach I read this blockbuster of a book with growing appreciation then admiration and finally with applause I wish both I and all my students past and present had read this wonderful introduction to each book of The Book before Bible college Dr Steve Brady Principal Moorlands College and Chair of the Association of Bible College Principals A tour de force helpful straightforward timely Revd Dr Tony Sargent Principal Emeritus International Christian College A great tool for Christians to get a grasp of all the books of the Bible Biblical clarity blended with pastoral warmth Trevor Archer Director of Training The Fellowship of Independent Evangelical Churches FIEC Full of useful and edifying material helps the reader to view the unfolding of God's plan of redemption through the story line of Scripture and to understand its relevance today Robert Strivens MA ThM PhD Principal London Theological Seminary **Judges, Volume 8** Trent C.

Jordan,1999-07-06 The Christian Betrayal of the United States Carl Wells,2010-10-22 The Christian Betrayal of the United States theorizes that 100% of the problems of the United States have their root in the conservative Bible believing Christian church of this country Countless books by liberal Christians or by non Christians have accused the Christian right of being a dangerous segment of our country Following the principles of the Christian right will lead to tyranny so the theory goes The Christian Betrayal of the United States takes a very different tack According to the author the Bible believing Christians have betrayed their country already by their actions in many distinct arenas of life Those who have cursed the Bible believing Christians as being too Christian have got it exactly backward They may curse Christians again when they understand that Christians were not Christian enough The author far from being a liberal Christian or a humanist is a self professed conservative Bible believing Christian He strives to show how his own people have betrayed their nation It is a dark story On the brighter side the author also tries to grope toward a solution of the problems he and his people have caused *ESV Expository Commentary (Volume 2)* Crossway,2021-08-18 A Passage by Passage Commentary of Deuteronomy Joshua Judges and Ruth Designed to strengthen the global church with a widely accessible theologically sound and pastorally wise resource for understanding and applying the overarching storyline

Christianity or Humanism: Which Will You Choose? Robert L. Waggoner, D.Min.,2014-06-09 Most Christians are blissfully uninformed about the worldview of Humanism and therefore do not realize that secular Humanism has now largely displaced our society s Christian foundations Robert Waggoner Precise information Secular Humanism is the major belief system that currently challenges Christian faith in the Western world Arguments and evidence The Christian worldview is indeed superior to Humanism Warning Humanism is a threat to Christian institutions and beliefs Motivation Greater activity is necessary not only in service to God and humanity but also in resisting and overthrowing Humanism **The Covenantal Kingdom** Ralph Smith,1996 **Vessels of Wrath, Volume 1** Richard M. Blaylock,2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity Man and Woman in Biblical Law Tom Shipley,2010-06-22 This book is a doctrinal manifesto Its aim and purpose is to produce what many modern writers are fond of referring to as a paradigm shift The goal is to lay the foundation for the establishment of a truly biblical social order especially within the community of Bible believing Christ honoring families The subject matter is patriarchy and the biblical exposition contained herein is devoted to establishing the proposition that it is patriarchy which is and was mandated by God ever since the original creation of man and woman A complete Scripture and Topical Index is included **Kingdoms at War** Bill Bright,Ron Jenson,1986 Power in the Blood David Chilton,1987 *The Priesthood of the Plebs* Peter J. Leithart,2003-10-16 In this seminal treatise Peter J Leithart argues that the coming of the New Creation in Jesus Christ has profound and revolutionary implications for social order implications symbolized and effected in the ritual of baptism In Christ and Christian baptism the ancient distinctions between priest and non priest between patrician and plebian are

dissolved giving rise to a new humanity in which there is no Jew nor Greek slave nor free male nor female Yet beginning in the medieval period the church has blunted the revolutionary force of baptism and reintroduced antique distinctions whose destruction was announced by the gospel Leithart calls the church to renew her commitment to the gospel that offers priesthood to the plebs
