K. Frailey,2018-03-17 After Last of Her Kind Newearth is a place to start over offering the human race a second chance on Earth This time humans are in the minority and the Inter Alien Alliance rules Five alien races live and work together on the planet but not everyone has humanity s best interests in mind In the Newearth world friendship and family are more than skin deep Found guilty of war crimes Justine Santana a Human Android hybrid is shut down Taug an alien from Crestar must eliminate his father s mistake a crossbreed named Derik When Taug awakens Justine and charges her with the assignment to kill Derik he never suspects that she might discover the meaning of love and her intrinsic humanity Her freedom hangs in the balance Is she a woman or a weapon      **The Book of Mychal** Michael Daly,2009-09 Daly recounts the colorful astonishing and at times troubled life of the beloved New York Fire Department chaplain who had been among the first to be pulled from the rubble of the World Trade Center      **My Ordeal in Canada** Abraham Bekit,2019-10-25 My Ordeal in Canada is a narration of my tragic plight as a black man in Canada I have been incarcerated five times by the police force and for no valid reasons whatsoever I was also condemned to a psychiatric facility admitted forcibly without my consents and in violation of my rights as a Canadian citizen Since I came to Canada in 1985 I have been subjected to many denials and deprivations by the prejudiced Canadian justice system which I have enumerated in my book in greater details Since 2005 I experienced a number of discriminatory impediments imposed on me by the systemic racism that is prevalent in the Canadian justice system I was prohibited from having access to my children for a total of more than ten years even though I committed no offense against any of them whatsoever The Toronto police and the justice system treat black men like myself differently and impose their racially biased verdicts without any repercussions This book highlights the various racist ordeals I was subjected to especially by the police

and the Canadian justice system and by my employers My deplorable and dismal predicaments however are not unique to me alone They are paramount manifestations of the pathetic and pitiful trends and discriminations black men especially have to endure in racially biased Canada It is my hope that by writing my story and experiences in Toronto I will influence and bring the required changes and to highlight the discrepancies customary and prevailing in the Toronto police and the Canadian justice system I feel that I have a story to tell that will make Canada a better place to live in for all its citizens when the required changes are instituted Edith Wharton Janet Goodwyn,1989-12-11 A study of Wharton s work which discusses her novels and travel books according to their specific geography or landscape rather than the date of composition Emphasis is placed on Wharton s concern with America s place in the Western world and women s place in European society
