Historia de los judíos en España Adolfo de Castro, 1847

Historia de los Judíos en España Adolfo de Castro y Rossi, 2020-07-09

Historia de los judíos de España C. de 1847 narra la historia de los judíos en España desde los tiempos de su establecimiento hasta principios del siglo XIX. La obra constituye un ejemplar esencial para la composición de una bibliografía sefardí. De hecho ha sido incluida como tal por la Biblioteca del Instituto Cervantes porque tuvo gran influencia en el origen de la historiografía hispana y en la visión europea. Además constituye una obra importante por su político posicionamiento histórico desde el punto de vista de la historiografía moderna ante temas como el conocido debate acerca de la convivencia de los judíos con los cristianos en la Península Ibérica, la importancia concedida a las conversiones forzadas o la ayuda que los judíos proporcionaron a los reyes en la conquista, leyenda desmentida por la historiografía moderna.

Conversos, Inquisition, and the Expulsion of the Jews from Spain Norman Roth, 2002-09-02

The Jewish community of medieval Spain was the largest and most important in the West for more than a thousand years, participating fully in cultural and political affairs with Muslim and Christian neighbors. This stable situation began to change in the 1390s and through the next century hundreds of thousands of Jews converted to Christianity. Norman Roth argues here with detailed documentation that contrary to popular myth the conversos were sincere converts who hated and were hated by the remaining Jewish community. Roth examines in depth the reasons for the Inquisition against the conversos and the eventual expulsion of all Jews from Spain. With scrupulous scholarship based on a profound knowledge of the Hebrew, Latin, and Spanish sources, Roth sets out to shatter all existing preconceptions about late medieval society in Spain.

Henry Kamen, *Journal of Ecclesiastical History*: Scholarly, detailed, researched, and innovative. As the result of Roth's writing, we shall need to rethink our knowledge and understanding of this period.

Murray Levine, *Jewish Spectator*: The fruit of many years of study, investigation, and reflection, guaranteed by the solid intellectual trajectory of its author, an expert in Jewish studies. A contribution that will be particularly valuable for the study of Spanish medievalism.

Miguel Ángel Motis Dolader, *Anuario de Estudios Medievales*
