Less Than Conquerors How Evangelicals Entered The Twentieth Century:

Less Than Conquerors Doug Frank, 2009-08-01 Although evangelicals enjoyed respect and leadership in American society in the decades before the Civil War their fortunes declined precipitately in the wake of the industrialism modernism and secularism of the next half century But the 1920s evangelicals felt like an embattled minority within a largely unbelieving culture and perceived that history was very much out of their control Frank examines the spiritual significance of these events by placing them against a biblical understanding of the gospel He sees in the confidence and self congratulation of the turn of the century evangelicals a portrait of the spiritually rich of the Bible who must lose their riches before they can come to know God truly Harmful uses of the gospel are explored through dispensational premillennialism the victorious life theology and the revivalism of Billy Sunday Altogether *Less Than Conquerors* is a call to replace the blurred and self serving gospel of a besieged subculture with the genuine gospel of Jesus Christ

The Gospel in Black and White Dennis L.

Okholm, 1997-01-01 After signal victories of the civil rights movement in the sixties recent events have shown that the divide between black and white Americans remains alarmingly wide And as African and Euro Americans perhaps increasingly find themselves at odds politically and culturally Sunday morning worship dismayingly remains the most segregated hour of the week Yet Christians of both races affirm that the gospel calls them together that they at least should be one people of one Lord one faith one baptism In that spirit the incisive and challenging essays in this book consider what rigorous theological work can contribute to the noble and ongoing quest for racial reconciliation Some of the church's most exciting black and white thinkers are gathered here by editor Dennis Okholm to address issues of theological method hermeneutics soteriology ecclesiology and social ethics always with an eye to closing the gaping wound of racism and serving God's kingdom across color lines

Evangelicals and Empire Bruce Ellis Benson, Peter Goodwin Heltzel, 2008-10-01 This groundbreaking collection considers empire from a global perspective exploring the role of evangelicals in political social and economic engagement at a time when empire is alternately denounced and embraced It brings noted thinkers from a range of evangelical perspectives together to engage the most explosive and discussed theorists of empire in the first decade of the twenty first century Michael Hardt and Antonio Negri Using their work as a springboard the contributors grapple with the concept of empire and how evangelicalism should operate in the world of empire

The Scandal of the Evangelical Mind

Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism's most respected historians Unsparring in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high

culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections God's Empire William Vance Trollinger,1990 More than any other individual William Bell Riley pastor of the First Baptist Church of Minneapolis inspired the resurgence of Protestant fundamentalism in 1930s America Trollinger explores the development of Riley s theology and social thought examining in detail the rise of the Northwestern Bible and Missionary Training School and other similar institutions He sheds light upon the nature successes and failures of fundamentalist crusades and makes it clear that to understand fundamentalist religion in America one must focus upon its regional and local roots *Righting America at the Creation Museum* Susan L.

Trollinger,William Vance Trollinger,2016-05-15 In *Righting America at the Creation Museum* Susan L Trollinger and William Vance Trollinger Jr take readers on a fascinating tour of the museum The Trollingers vividly describe and analyze its vast array of exhibits placards dioramas and videos from the Culture in Crisis Room where videos depict sinful characters watching pornography or considering abortion to the National Selection Room where placards argue that natural selection doesn t lead to evolution The book also traces the rise of creationism and the history of fundamentalism in America

Revival in the City Eric Robert Crouse,2005 From 1884 to 1911 over 1 5 million working class Canadians attended approximately 800 revival meetings held by celebrity American evangelists *Revival in the City* traces the development of American revivalism the support of the daily press image makers and working class acceptance of a populist form of conservative evangelicalism in Canada Eric Crouse argues that by 1911 despite the endorsement of the masses and the press protestant leaders were less willing to work together to champion modern revivalism that embraced orthodox theology and popular culture strategies BOOK JACKET *The Kingdom of Christ* Russell Moore,2004-10-18 In this scholarly work Russell

D Moore relates the history leading up to the new Kingdom consensus among evangelicals from the time theologian Carl F H Henry called for it fifty years ago He examines how this consensus offers a renewed theological foundation for evangelical engagement in the social and political realms While evangelical scholars and pastors will be interested in this sharp insightful book all evangelicals interested in public policy will find it useful in discovering how this new Kingdom perspective works out in the public square *An Uncommon Union* John D. Hannah,2009 This insightful history explores the stereotype of Dallas Theological Seminary as an anti intellectual stronghold of fundamentalism and dispensational premillennialism The tenures of the school s five presidents reveal the tensions that DTS a blend of differing heritages and of opposing traditions

has experienced amid changes in American religious and cultural life *Knowledge and Belief in America* William M. Shea,Peter A. Huff,2003-02-13 The Enlightenment values of individual autonomy democracy and secularizing reason conflict

with the religious traditions of community authority and traditional learning Yet in American history the two heritages have been intertwined since the colonial era the development of the Enlightenment has been influenced by community based thinking and religious institutions have adopted to an extent critical methods and a democratic ethos even within their own walls This volume unites the work of a distinguished group of theologians historians literary critics and philosophers to explore the interaction between Enlightenment ideals and American religion The Enlightenment s effect on the major religious traditions including the Catholic Church Evangelical Protestantism and Judaism is examined Also highlighted is religion in the thinking of such representative figures as Edwards Franklin Emerson Lincoln Santayana and the Pragmatists Stevens and Eliot

Fundamentalism and Evangelicals Harriet A. Harris, 1998-06-11 Fundamentalism is a label used often pejoratively of religious conservatism Evangelicals are growing in number and power around the world and are frequently regarded as fundamentalist This volume examines fundamentalism as a mentality which has greatly affected evangelicalism but which some evangelicals now wish to leave behind

Eschatology and Ecology Paul Hang-Sik Cho, 2010 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the other worldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge

Head, Heart, and Hand: Jbu and Modern Evangelical Higher Education (c) Richard Ostrander, 2018 In 1919 John Brown and his wife committed their three hundred acre farm in Siloam Springs Arkansas as the site for the school known today as John Brown University Brown s vision was to educate the underprivileged students of the rural Ozarks in a morally wholesome spiritual environment and to instill in them his Christian religious faith and his conception of meaningful work Head Heart and Hand is the history of how this university became a distinguished academic institution that changed with the times while maintaining its original evangelical character From back cover

The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the

debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today The Heart of the Gospel Bernie Van De Walle, 2009-01-01 The Fourfold Gospel most often associated with Albert B Simpson founder of The Christian and Missionary Alliance which focuses on the doctrines of Christ as Savior Sanctifier Healer and Coming King has been identified as a key contributing factor to the birth and development of the modern Pentecostal movement Through a close observation of the doctrinal themes of select and renowned Evangelical leaders in America A J Gordon of Boston D L Moody of Chicago A T Pierson of Philadelphia Detroit and A B Simpson of New York this work shows that the Fourfold Gospel and therefore the theological source for modern Pentecostalism rather than being a marginal movement within late nineteenth century Evangelicalism was instead its very heart The Rise and Fall of Dispensationalism Daniel G. Hummel, 2023-05-04 A fascinating history of dispensationalism and its influence on popular culture politics and religion In The Rise and Fall of Dispensationalism Daniel G Hummel illuminates how dispensationalism despite often being dismissed as a fringe end times theory shaped Anglo American evangelicalism and the larger American cultural imagination Hummel locates dispensationalism s origin in the writings of the nineteenth century Protestant John Nelson Darby who established many of the hallmarks of the movement such as premillennialism and belief in the rapture Though it consistently faced criticism dispensationalism held populist and briefly scholarly appeal visible in everything from turn of the century revivalism to apocalyptic bestsellers of the 1970s to current internet conspiracy theories Measured and irenic Hummel objectively evaluates evangelicalism s most resilient and contentious popular theology As the first comprehensive intellectual cultural history of its kind The Rise and Fall of Dispensationalism is a must read for students and scholars of American religion

Promise Unfulfilled Rolland McCune, 2017-07-17 The New Evangelicalism was conceived if not born with the formation of the National Association of Evangelicals in 1942 This new group was in the main led by younger professing fundamentalist scholars and leaders who had become dissatisfied with their heritage and wanted to carve out some evangelical middle ground between fundamentalism and neo orthodoxy This book is an analysis of the break away movement in terms of the issues ideas and practices that led to its beginning its expansion to an apogee in the 1970s its subsequent loss of biblical and doctrinal stability and its slide toward virtual irrelevancy in a postmodern world culture of the 21st century The twenty five chapters are grouped under nine main sections Historical Antecedents the Formation of the New Evangelicalism Ecumenism
