Heavenly Lessons Paul Billins Henington, 2019-05-30 This book is for those people that are looking for a better explanation about why the world is going through such dramatic changes It also offers those that are seeking a better way to live their life It is my wish to share my experiences and visions of the future in a hope that it will trigger others to awaken to a fuller and more enlightened state Love and happiness should be the goal of every individual on this planet These truths show us that we no longer need to allow those few individuals with extreme greed to dominate our empowerment toward the future In this time the possibilities are there for all of us to create new realities based on respect and understanding What are these new realities and how are these concepts of creating new ways of being We are no longer divided by race or religion of course only time will tell as we change This book is designed to awaken prepare and help you to begin the process For those who are here to be of service time is no longer a luxury We must all awaken to our individual dharma and do what we are here to do As the world changes are we going to change with it or are we going to wallow in the fear that nothing will ever change The choice is yours Follow Heavenly Lessons in your spiritual life to continue on the path Be blessed Be loved Be happy *Duttonism, Two Hundred Lessons* R.
