ZANCAN, 2015-08-25 *Letting Go* The Spiritual Step Technique is a spiritual self help book The book can be read in a couple of sessions However the best way to read the book is to savor its contents The reader becomes a participant The reader enters a new world with new beginnings and endless possibilities Anything is possible on this journey The sojourner must do one thing only they must let go They will enter a journey where they will stop holding on to the perceived past On the journey the sojourner will learn a new way to let go of many issues that tear into their hearts They will also let go of many things such as addiction and loss Through this journey the sojourner will find out that the only way out of a dilemma is by going through it When you cannot turn left or right you move one step at a time and the wind moves you through the narrows **Cosplay Crime** Marty Chan, 2024-02-13 Key Selling Points Shy thirteen year old Bree steps out of her comfort zone to investigate a theft at an anime convention This story explores themes of friendship overcoming fears and following one's passions The main character's best friend identifies as female and nonbinary but this is incidental to the storyline In recent years anime and cosplay have exploded in global popularity and have become part of mainstream culture This book will appeal to both devoted fans and newcomers curious about this community This is another fun heartfelt story by Marty Chan with great comedic elements Enhanced features dyslexia friendly font cream paper larger trim size to increase reading accessibility for dyslexic and other striving readers

Letting Go Jean Sage, 2015-10-12 Born in 1947 in New York City I was adopted and raised in Pittsford New York I always considered myself a bit of an outlier I never fit into a category Intuition humor and instinct guided my life choices I created my good luck and my bad luck I was well educated at an east coast boarding school but hated school My love of reading has always been my institution of higher learning I have a mind that is infinitely curious about everything but I have a particular fascination for psychology all spiritual knowledge quantum science and political policies I have gratefully been able to adapt to most situations because I learned long ago that chaos and change would most likely be my life's paths *Letting Go* SF Benson, 2018-07-06 A wraith and a human and a brush with death Falls Creek is a town where supernaturals live out in the open but only select humans know their existence Whether it's in the water or something more sinister love has come to Falls Creek and nobody is immune Not even a cantankerous spirit relegated to the shadows Yet a horrific accident prompts the former Pretorian guard into action Uraeleus never thought he'd save the life of a human He especially didn't expect to develop feelings for the wheelchair bound ballerina When Uraeleus gets a second chance at life can he let go and learn to love again "Dearest Angel ..." William Zimmerman, 2010-07-14 After suffering the traumatic loss of his child to abortion the day before his twenty fifth birthday in 1999 William found himself in a mental and emotional whirlwind of despair and regret of depression and guilt Nothing could prepare him for the devastating experience of losing a child and the emotions he

would encounter in the aftermath The many thoughts and emotions that he experienced after the abortion were becoming far too much for his mind to contain Eighteen months after the abortion he began writing letters to the child he lost as a desperate cry for help Realizing the purpose behind the pain William battled every emotional demon imaginable to document his journey He knew he wasn't alone in his grief He wanted others who have suffered from the loss of their children to abortion to know that they too were not alone He worked on this journey over the course of ten years He has seen the depths of an emotional hell in which he questioned his own will to live Dearest Angel is the document of his journey a journey of regret and repair of grief and gratitude and of hurt and healing
