**Let It Rain** Melvin Adams, 2003 Man is a communal animal He enjoys and often seeks out friendship He bonds with his fellow man and woman out of an intrinsic desire for companionship For most men having this companionship and friendship in their lives is a natural part of their existence It helps to give them a sense of purpose and makes them feel more connected to their environment But what happens when a man's environment becomes one that places no value on friendship What happens when his environment becomes so harsh that it cherishes no bond What happens when friends lovers and even family are set against one another in a never ending struggle to survive What type of animal will man become then By following Money the central character in *Let it Rain* through the streets of his hood southern streets which once blossomed with hospitality we will see how the scourge of drugs and the lure of fast cars and even faster women transformed what was an environment of southern hospitality into an environment of southern hell We will see how Money and his three best friends Boe Black and Snake deal with the challenges of friendship loyalty love and responsibility We will watch while the desire to escape their chaotic environment transforms some from youngsters into men while others are transformed into monsters What would you do to gain and keep a Colombian drug connection that promised to make you richer than you had ever imagined Would you betray your friends and loved ones Ask yourself that question but don't try to answer it until after you have read *Let it Rain* It's like Butter Baby

apartment nothing will ever be the same Santo had so much promise before he fell for that maldita woman thinks Don Chan especially when he is left alone with his memories of the revolution they once fought together against Trujillo's cruel regime the promise of who Santo might have been had he not fallen under Esperanza's spell From the moment Don Chan arrives the tension in the Colón household is palpable Flashing between past and present Let It Rain Coffee is a sweeping novel about love loss family and the elusive nature of memory and desire set amid the crosscurrents of the history and culture that shape our past and govern our future

**Make It Rain** Sasha Marshall, 2019-09-20 Kip When you rip the Guitar Goddess's world apart and your own how in the f--- are you supposed to find redemption She's my world and I've shattered her What began as a break for us to both heal ends in the dissolution of our relationship I committed the most unforgivable transgression One more tragedy one more f---ing tragedy may be the only way back into her heart I have one more chance to explain what really happened and hope she believes me But maybe not everything is as it seems Henley He was the only one who had never betrayed me until he did He never lied to me until he did He was always by my side until he wasn't The one person who had always been my constant best friend and then lover left me Then he showed up again with his gorgeous green eyes tattoos and undercut and I have a hard time staying away But I also can't seem to look him in the eye anymore I can't give him any more of my heart because that precious little organ barely survived him the first time Maybe we should never have crossed the line from friends to lovers If we hadn't I'd still have him by my side If we'd never danced the way we did he'd still be my best friend I

don't know how he's supposed to fit into my life anymore. He's always made my life brighter, happier, and carefree. How do you learn to live without that? I thought I knew everything about him, but now I question everything. This book is not a stand-alone novel. Books 1-4 in the Guitar Face Series should be read first. If you are looking for a story of redemption with comic relief and a heavy sexual tone, you've found it. If you are offended by hot tattooed rock stars who are vulgar, then this is not the book for you. Please be warned: this book is not for anyone below the age of 18. The book has sex, death, violence, and harsh language.

About the author: Award-winning author Sasha Marshall, a concert photographer, toured with legendary bands such as The Allman Brothers Band. A self-proclaimed free spirit, she's most often found outdoors or painting a canvas capturing a photograph of people watching, reading a book, or writing a new book. Sasha makes her home in the beautiful state of Georgia and loves to hear from readers.
