Let Sleeping Snakes Lie:

Let Sleeping Snakes Lie Paul W. Brennan, 1977 **The Rainbreaker** Steve Simon, 2007-07 You just watched the 6 o'clock news Now ask yourself When is God going to throw in the towel God came close once before The Flood of Genesis And John in the last book of the Bible wrote the newscast for the Armageddon So where do we stand right now Steve Simon doesn't presume to know After all he's an agnostic But he does choose to believe in God However he's losing his faith in man On the other hand he hasn't lost his sense of humor and he has a cat to guide him through the hard times Makes sense The Rainbreaker is a fable that attacks some tough moral issues with a lot of good natured fun Lest you think that the author is poking fun at God rest assured God always comes out on top It's stupid human tricks such as the failure of nearly all human institutions that convince Steve Simon that God will not destroy the world but simply replace humans with animals Or something like that Adults who've enjoyed Marley Me and the satire of Amrose Bierce P J O'Rourke and Chris Buckley will laugh out loud at this genre bender with a message *Let Sleeping Dogs Lie* J.
