## **Lethal Judgments:**

Lethal Judgments Melvin I. Urofsky, 2000 He shows how these 1997 cases relate to two other famous cases Karen Ann Quinlan and Nancy Beth Cruzan and carries the controversy up to the recent trials of Dr Jack Kevorkian Urofsky considers the many facets of this knotty argument He differentiates between discontinuation of medical treatment assisted suicide and active euthanasia and he sensitively examines the issue s social and religious contexts to enable readers to see both sides of the dispute He also shows that in its ruling the Supreme Court did not slam the door on the subject but left it ajar by allowing states to legislate on the matter as Oregon has already done By treating assisted suicide simply as a legal question observes Urofsky we miss the real importance of the issue
