The Strength to Let Go Jo Henry, 2015-03-20 As I stood in the sunroom looking out the window I thought I caught some movement in our backyard I walked out onto the slate patio and peered into the dimly lit shrubbery when suddenly a figure dressed in black from head to toe emerged pointing a gun at me I immediately jerked both hands above my head Don't shoot Please don't shoot I croaked I could hear my own heart pounding in my ears Our son Mike had come through the front door just minutes before I had a million questions only he could answer How had it all come to this Never in my wildest dreams or nightmares could I have imagined a SWAT team in my backyard But I hadn't imagined our son could become addicted to drugs either Even though I was a trained counselor I hadn't seen disaster coming under our own roof As we stumbled through the hell that surrounds addiction my maternal instincts were driving me harder and harder to save Mike I was consumed with fear as my well intentioned efforts were enabling his addiction and prolonging the inevitable How could I find the strength to let go Who will help Mike now Will he find a special angel from his past to lead him out of this darkness Will he win the battle to survive Take a journey so real you will feel the pain and the joy of every twist and turn in the road to recovery If you or someone you care for is struggling with drugs or alcohol Jos willingness to share her experience is both a blessing and a gift I encourage you to take The Strength To Let Go home find a quiet place to read uninterrupted and open this gift

vision becoming a reality Light reveals how a rising but not yet established artist from the Midwest was able not only to get Purple Rain made but deliver on his promise to conquer the world A must read for the Prince die hards who have remained devoted through the musical meanderings of the last three decades Kirkus Reviews Let s Go Crazy examines how the masterpiece that blurred R B pop dance and rock sounds altered the recording landscape and became an enduring touchstone for successive generations of fans *The Ventures Essential Albums Discography* Arnold E. van Beverhoudt, Jr.,2015-02-07 The Ventures are recognized as the most popular and successful instrumental rock and roll band in the world They were inducted into the Rock and Roll Hall of Fame in 2008 the 50th anniversary of the band s formation by Don Wilson and Bob Bogle This book offers my suggestions for what I consider to be an essential albums collection of The Ventures music I limited the listings to albums LPs EPs and CDs released in the United States Japan and the United Kingdom that would provide a reasonably complete library of the almost 1 200 different songs recorded by The Ventures during their 55 years of existence to date 1959 to 2014 If you have all of these albums you ll have virtually the entire recorded and officially released library of The Ventures music Please note that this book contains album cover art label information and track list for each album listed It does not include review commentary on the albums **Exploding Stars, Dead Dinosaurs, and Zombies** Andrew Root,2017-12-05 Many things threaten the faith of youth today but none more than science The commitments of science and Christianity seem to be at odds science makes truth claims based on experiments and proofs while religion asks for belief and trust But Andrew Root demonstrates that in fact the two are not incompatible Root a renowned expert on adolescent spirituality shows how science overstates its claims on truth while faith often understates its own claims Both faith and science frame the experience and reality of teenagers and both have something valuable to offer as adolescents develop Drawing on a fictional account of a youth pastor and the various students he encounters Root paints a compelling picture of how faith can flourish even in our scientific age
