The Reunion Party Penny Batchelor, 2024-06-25 Penny Batchelor just released one heck of a book, and it's straight up poppin'. This book deserves a standing ovation, and I am SO here for it. I can't even tell you what I thought I was going to read compared to what I actually did read, but I can tell you this book is one that I will never be able to stop talking about, and it deserves every bit of the hype it is about to get. **Reader review: 5 stars.** Five unlikely friends: One reunion, Who will make it out alive, The outsider, The geek, The football star, The quiet one, The good Samaritan. Five students, each living in their own world, until the day Tania Armstrong Jones walked into their lives. As the campus girl, she wasn't the kind to mix with just anyone. But Tania had a way of drawing people in, becoming the glue that held their friendship together. Then tragedy hit, taking her away from them too soon and tearing the group apart. Now, twenty-five years later, they're reuniting at a remote country hotel on the anniversary of her death. But when the drinks start flowing and with the party in full swing, the merry mood of the night suddenly turns when secret revelations come to light about their university days. But just how well did they know Tania? And could there be more to Tania's accident than they're letting on? Trapped in the hotel with no way out and with no one they can trust, who will make it through the reunion in one piece? From the author of *My Perfect Sister* comes an absolutely unputdownable psychological thriller that puts friendships to the test with shocking twists and turns that will blow your mind. Perfect for fans of C. L. Taylor, Sue Watson, and B. A. Paris. Readers and authors are GRIPPED by *The Reunion Party*. I am OBSESSED with this novel. Where has Penny Batchelor been all my life? You will certainly think about this group after they are gone. **Reader review: 5 stars.** The story was fantastic. The twists and turns were great, and the ending was definitely a surprise. **Reader review: 5 stars.** A thrilling read crackling with tension and full to the brim with shocks, secrets, and lies. Another sure-fire hit from a writer to watch. Louise Mumford, bestselling author of *Sleepless Heart*, pounding thriller that left me on the edge of my seat. I thoroughly enjoyed reading this one. Definitely one of the best books this year. **Reader review: 5 stars.** Dark, devious, and devilishly compelling. Will keep you turning the pages and gasping at the brilliant twists. Sarah Bonner, author of *Her Perfect Twin*. The author took it one step further with a twist I didn't see coming. I couldn't wait to get to the next page to find out more. **Reader review: Ooh, this book was FULL of plot twists.** I couldn't put this one down. **Reader review: Raced through.** *The Reunion Party*, a smart spin on the classic trapped in a hotel genre. Penny Batchelor marshals her characters perfectly and hits you with a twist that Christie would have been proud of.
