Bank Holiday 7 Now normally Kitty Finch loves a good wedding so she was happy to head down to Berkshire with the rest of the Finches to stay at a farm over the long bank holiday weekend She saw it as a chance to be in a famously posh romantic setting with her ex since Kitty wants to rekindle their relationship I mean who does not fall in love with love when surrounded by so much joy sentiment and happiness but not when she finds out he is bringing a plus one and she is feeling fat or should that state be fatter than usual because of her pregnancy If Kitty was under the impression that she could hide at the back to avoid not just the camera lens but also her exes then she had better think again When an accident occurs and Kitty has to step into someone else s shoes but not with her swollen feet so thankfully she gets to wear her own footwear in the end however it still doesn t help her walk down that aisle any better Joining Kitty and company in this hilarious mix of mayhem and merriment are a baby doll naked butlers and a male escort There are also a whole lot of laughs along the way so what more can anyone ask for from a British bank holiday The Finch Family Christmas Holiday 8 This is it folks the final Finch family holiday in the Comical Vacations series nine books in total It finds Kitty Finch heading off for a Christmas break with some of her family past and present plus picking up a friend or two along the way This time they are going on a Nordic liner for a mini Christmas cruise so they are all looking forward to this trip as long as it does not sink Well knowing her luck they could all end up at the bottom of the sea if this were any other kind of novel Only that is not a very happy ending so she feels confident that they will make it back to dry land and they do Not before there is upset all round of course and a stupid bet to win first whilst the pranks soon become the bane of her life After which they embark on the next leg of their journey to travel up to the north of Norway for an ice filled fun treat When staying at the snow hotel and getting to see and try things that they have never tried or seen before Will Kitty ever get the love she deserves Should she even have attempted to win a silly wager Can this British family ever have at least one lousy holiday without everything going tits up for Kitty Finch Would Kitty be able to claim she truly had the time of her life or would she be lying through her gritted teeth Let Us Bless the Lord, Year One: Easter through Pentecost Barbara Cawthorne Crafton, 2005-02-01 Popular author retreat leader and priest Barbara Crafton rises early each morning lights a candle opens her Book of Common Prayer and reads the morning office the ancient Christian service that praises God at the beginning of a new day When she is done Crafton usually sits down at her computer and sends out an e mail that says simply Let us bless the Lord the traditional closing line of the morning prayer service Her devoted readers reply Thanks be to God Crafton communicates with thousands of subscribers to her daily e mail meditations They and others who say the Daily Offices will treasure this collection of brief meditations Based on the assigned biblical texts for each day of Year One s Easter and Pentecost seasons Crafton s writings complement perfectly the morning noon evening and nighttime prayers that are the Daily Offices Barbara Cawthorne Crafton is an Episcopal priest and popular preacher retreat leader and writer Her articles and reviews have appeared in the New York Times Reader s Digest Episcopal Life and other publications She is the author of many books including Let Every Heart Prepare Some Things You Just Have to
