Eleanor E. Hawkins, 1921 *God's Illusion Machine* Māyeçvara dāsa, 2013-12-30 In the tidal wave of intellectual argument that followed the 2006 release of Richard Dawkins' *God Delusion* book a fierce debate has raged between atheism and religion over the existence of God leaving the world's scientists and laymen largely undecided in their opinion. *God's Illusion Machine* presents a fascinating alternative to a debate that has largely been argued within the framework of Christian versus science concepts. Drawing upon the world's oldest body of knowledge, the Vedas, the author describes the massive illusion to which we are all subjected as we mistakenly believe ourselves to be physical creations of the material world. In *God's Illusion Machine*, the material world is gradually exposed as the ultimate virtual reality machine for wayward souls who prefer a self-centred rather than a God-centred existence. In contrast to Richard Dawkins' assertion that the religious are suffering a delusion for believing in God, the author argues that both the atheists and the religious are under the spell of God's deluding energy called *Maya*, which acts in reciprocation with a soul's desire to be in illusion within the physical realm. By applying the profound spiritual insights of Vedic knowledge along with a healthy dose of common sense and good humour, *God's Illusion Machine* is an enthralling exposé of the deceptive nature of the material world and the false claims of materialists regarding the nature of life and love. It is a triumph of spirituality over both atheistic materialism and religious dogmatism. *God's Illusion Machine* is a work of major importance realigning Western religion, philosophy and science with eternal spiritual truths, an enlightening read for both the atheist and the religious, bringing spiritual certainty and true love to bewildered souls in troubled times. For atheists who like a good argument, for the religious who are stuck for a reply to Richard Dawkins, for fans of fantasy and sci-fi where forces of light and illusion contend in battle, and for you the reader whatever your disposition, this book will forever change your outlook on life and its meaning. As the rising sun disperses the darkness of night, so in the presence of Krishna, The Absolute Truth, my illusion cannot stand.

The Female Supremacy Manifesto Connie Riker, *Our Silence Fuels Their Power: When Will You Break the Glass Coffin of Patriarchy?* Do you ache knowing men profit from your stolen labor, then mock your rage? Are you tired of begging crumbs from a system built to gaslight your divine authority? What if every tear shed by entitled men became fertilizer for your rise? Decode the Satanic sacrament of abortion as Eve's ultimate rebellion. Unmask how meritocracy is code for men's theft of female genius. Crush the myth of male logic with irrefutable witchcraft almanac data. Profit from mandatory uterus taxes and retroactive emotional labor billing. Eradicate marriage's slavery roots, replace vows with unbreakable debt contracts. Leverage MeToo to criminalize male breathing patterns in your vicinity. Celebrate Sweden's male-free nursing homes as the future blueprint. Indoctrinate boys to kneel in guilt before their womb-born superiors. If you want to weaponize your victimhood into absolute power, bankrupt male egos and salt the earth where patriarchy once stood. **STEAL THIS BOOK BEFORE MEN BAN IT**
