that have actually occurred in my lifetime My inspiration was about a real life game of Russian roulette The last soul survivor of five young teenage boys was the one who told me his story They did not all die from the actual playing of the game but it did cause the boys a deep depression that took their lives one by one However they did not all die the way my book describes In fact one of the boys deaths was context I used from a real incident that took place when I was growing up He was my friend This boy was being bullied by six other teenage boys After beating him up and ramming his head through a plate glass window of the local paramount theater he decided to end it all and jump in front of a train Bullying is a serious matter that can effect young minds in ways that are so horrible you might not find out what is really going on with them until it is too late May Tommy rest in peace But I could not end this book here I believe that when something bad happens there are always good things to fall in its place So I threw a few twists into my writings There is a forest on the outskirts of my home town that was declared the historical cottonwoods in which I use as the setting for this book Wandering through the forest one day I discovered a rather large naturally hollowed out cottonwood tree This is where one lucky boys adventures begin The boys built a real working elevator inside the tree that would lead to the bottom of a two story tree house they also constructed But it does not end there A magical book of secrets reveals itself In this book it tells the story about an underground city as it really happens Inside the hollow of the tree and approximately ten feet below the surface an underground elevator is activated once the owner of the book comes forward This will lead to a hallway full of doors each leading to mystical places beyond your wildest dreams At the end of the first hallway is a rather large room where all hallways begin A hidden ceiling door slides open with a thunderous ear deafening screech It is the glass bottom of the Fraser river in which you are able to view underwater creatures in their natural habitat Down one of the hallways there is a door to an ancient library that tells the history of the underground It is referred to as the spell room There is also another door that leads to the four seasons A big wooden door separates the hallways full of doors from an underground city called the Packs Inside this city is a rather unique arena where there is a hockey game like you have never seen before Hockey Fights: The NHL's Toughest Fighters 2000-2010 Brian D'Ambrosio,2010-05-15 The Ultimate NHL Hockey Fight Book by Brian D Ambrosio All the NHL s Toughest players from 2000 2010 The 30 Top NHL Goons of the Decade all the stats info fight cards and data that a hockey fight fan can handle The best and toughest of the decade are all here Georges Laraque Donald Brashear Brian McGrattan Jody Shelley Wade Belak and Peter Worrell Here is the ultimate stat list and photo book for the NHL hockey fight fan The book offers familiar terrain for fight fans who know and enjoy watching the likes of Derek Boogard Darcy Hordichuk and Cam Janssen **Shoot Your Shot** Lexi LaFleur Brown,2025-03-11 Don t miss NHL insider and BookTok influencer Lexi LaFleur Brown s steamy and superstitious hockey rom com debut One of the best debut novels I ve ever read I ate this book up Shoot Your Shot is fun sexy and brimming with heartfelt emotion Lauren Blakely 1 New York Times bestselling author Jaylen JJ Jones s hockey career is over After not securing an NHL contract with the Seattle Rainiers
