more The Diary of Alonzo Typer (Fantasy and Horror Classics) H. P. Lovecraft, George Henry Weiss, 2013-04-04 Alonzo Typer lived an exotic life as researcher of the occult his studies taking him to many interesting places around the world including India Nepal Tibet Indochina and Easter Island His final adventure to a dilapidated manor house once owned by suspected witches however seemed on the surface much less exciting Yet it was on this seemingly innocuous trip in 1908 that Alonzo disappeared leaving only his diary as evidence of the terrible secrets that lay within the cursed house Originally published in the Weir Tales in 1938 The Diary of Alonzo Typer is a classic example of horror fiction written by H P Lovecraft Howard Phillips Lovecraft 1890 1937 was an American writer of supernatural horror fiction Though his works remained largely unknown and did not furnish him with a decent living Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century Read Co is publishing this classic short story now as part of our Fantasy and Horror Classics imprint in a new edition with a dedication by George Henry Weiss *Queering Faith in Fantasy Literature* Taylor Driggers, 2022-01-13 Fantasy literature inhabits the realms of the orthodox and heterodox the divine and demonic simultaneously making it uniquely positioned to imaginatively re envision Christian theology from a position of difference Having an affinity for the monstrous and the other and a preoccupation with desires and forms of embodiment that subvert dominant understandings of reality fantasy texts hold hitherto unexplored potential for articulating queer and feminist religious perspectives Focusing primarily on fantastic literature of the mid to late twentieth century this book examines how Christian theology in the genre is dismantled re imagined and transformed from the margins of gender and sexuality Aligning fantasy with Derrida's theories of deconstruction Taylor Driggers explores how the genre can re figure God as the other excluded and erased from theology Through careful readings of C S Lewis's *Till We Have Faces* Angela Carter's *The Passion of New Eve* and Ursula K Le Guin's *The Left Hand of Darkness* and the *Earthsea* novels Driggers contends that fantasy can challenge cis normative heterosexual and patriarchal theology Also engaging with the theories of Hélène Cixous Luce Irigaray Marcella Althaus Reid and Linn Marie Tonstad this book demonstrates that whilst fantasy cannot save Christianity from itself nor rehabilitate it for marginalised subjects it confronts theology with its silenced others in a way that bypasses institutional debates on inclusion and leadership asking how theology might be imagined otherwise

Making Fantasy Cloth Dolls Jan Horrox, 2013-07-18 Building on the success of Jan Horrox's previous book *Introduction to Making Cloth Dolls* Jan's new book focuses on her exquisite fantasy dolls including beautiful fairies amazing mermaids an enigmatic witch and a steampunk doll with attitude These magical dolls are full of character and are amazingly easy to achieve with the help of this practical book Step by step instructions are provided for all the basic techniques including how to make the bodies heads arms legs hands and feet how to make the hair and how to needlesculpt and paint the exquisite faces to really bring your character to life There are instructions for making webbed fingers delicate fairy wings as well as a mermaid's tail and there are three easy to follow projects to put all your newly acquired skills into practice Jan encourages

the reader to use their imagination and create dolls of their own and the alternative designs that accompany each project show how easily this can be done simply by changing the faces colours fabrics and embellishments used

Evil in the Christian Fantasy of C.S. Lewis and J.K. Rowling Sarah Fiona Winters,2024-10-29 Evil in the Christian Fantasy of C S Lewis and J K Rowling From the White Witch to the Dark Mark argues that The Chronicles of Narnia and Harry Potter series are essential reading for anyone committed to understanding the cultural constructions of evil in twentieth century Europe and the strategies of resistance available to different types of readers in response to those evils This book also suggests that while the construction of evil in both series can and should be approached through a secular lens it cannot be fully understood without a complementary understanding of religious transcendence Sarah Fiona Winters explores the tension between theological evil on the one hand and naturalist and politico historical representations of evil on the other and the tension within both the explicitly religious and the apparently secular between dualism the belief that good and evil both exist and are locked in combat and the belief in orthodox Christianity that evil is nothing She examines the developments in theories about evil that arose from the experience of the Second World War particularly those of Hannah Arendt and Stanley Milgram in 1963 arguing that Lewis presented obedience as a strategy against evil because he wrote before their work while Rowling presents disobedience as a strategy against evil as she wrote after their work

Fragonard and the Fantasy Figure Melissa Percival,2017-07-05 A fresh interpretation of the group of Fragonard s paintings known as the figures de fantaisie Fragonard and the Fantasy Figure Painting the Imagination reconnects the fantasy figures with neglected visual traditions in European art and firmly situates them within the cultural and aesthetic contexts of eighteenth century France Prior scholarship has focused on the paintings connections with portraiture whereas this study relocates them within a tradition of fantasy figures where resemblance was ignored or downplayed The book defines Fragonard as a painter of the imagination and foregrounds the imaginary at a time when Enlightenment rationalism and Classical aesthetics contrived to delimit the imagination The book unravels scholarly writing on these Fragonard paintings and examines the history of the fantasy figure from early modern Europe to eighteenth century France Emerging from this background is a view of Fragonard turning away from the academically sanctioned invention towards more playful variants of the imaginary fantasy and caprice Melissa Percival demonstrates how fantasy figures engage both artists and viewers allowing artists to unleash their imagination through displays of virtuosity and viewers to use their imagination to explore the paintings unusual juxtapositions and humour

Manga Crash Course Fantasy Mina Petrovic,2017-10-18 The best fantasy manga drawing instruction now with focus on fantasy Manga artist and popular YouTuber Mina MISTIQARTS Petrovic helps you bring your wildest manga fantasies to life Let your creativity loose as you learn how to draw hair that glows like a rainbow animals that take human form strange and outrageous scenery and so much more Following a friendly step by step approach you ll learn how to achieve the sleek beautifully simple look of manga with a fantasy twist in no time Create your own unique manga fantasy

Kohen-Raz, 2020-02-06 *Traversing the Fantasy* The Dialectic of Desire Fantasy proposes a new and comprehensive model of spectatorship at the heart of which it draws an analogy between the ethics of Lacanian psychoanalysis and the ethics of narrative film It demonstrates how spectators engage with narrative film undergoing unconscious processes that generate a shift in the adherence to fantasies that impede assuming responsibility for one s fate and well being The authors discuss the affinities that the ontology and aesthetics of narrative film share with subjective unconscious processes offering new insights into the popular appeal of narrative film through three film corpora analyzed at length body character breach films dreaming character films and gender crossing films With a range of case studies from the old Rebecca Vertigo Some Like it Hot to the

new Being John Malkovich A Fantastic Woman Sandra Meiri and Odeya Kohen Raz build on psychoanalytic ideas about the cinema and take them in a completely new direction that promises to be the basis for further developments in the field

Escape and Fantasy George Rostrevor Hamilton,1918
