Faces Of God:

The Human Faces of God Thom Stark, 2011-01-01 Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy The Bible has always functioned authoritatively in the life of the church but what exactly should that mean Must it mean the Bible is without error in all historical details and ethical teachings What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates In *The Human Faces of God* Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today Readers looking for an academically informed yet accessible discussion of the Bible's thorniest texts will find a thought provoking and indispensable resource in *The Human Faces of God* **Nine Faces Of God** Peter Hannan, 2001 **The Faces of God** James D.

Three Faces of God David LeRoy Miller, 1986 *Saving Face* Stephen Pattison, 2016-04-01 Faces are all around us and fundamentally shape both everyday experience and our understanding of people To lose face is to be alienated and experience shame to be enfaced is to enjoy the fullness of life In theology as in many other disciplines faces as both physical phenomena and symbols have not received the critical appreciative attention they deserve This pioneering book explores the nature of face and enfacement both human and divine Pattison discusses questions concerning what face is how important face is in human life and relationships and how we might understand face both as a physical phenomenon and as a series of socially inflected symbols and metaphors about the self and the body Examining what face means in terms of inclusion and exclusion in contemporary human society and how it is related to shame Pattison reveals what the experience of people who have difficulties with faces tell us about our society our understandings of and our reactions to face Exploring this ubiquitous yet ignored area of both contemporary human experience and of the Christian theological tradition Pattison explains how Christian theology understands face both human and divine and the insights might it offer to understanding face and enfacement Does God in any sense have a physically visible face What is the significance of having an enfaced or faceless God for Christian life and practice What does the vision of God mean now If we want to take face and defacing shame seriously and to get them properly into perspective we may need to change our theology thought and practice changing our ways of thinking about God and about theology
