## **Facets Of European Modernism:**

**Facets of European Modernism** Janet Garton, 1985 This collection of critical essays is devoted to literary Modernism The first part explores Modernism as a European phenomenon including essays on the Berlin Theatre Edvard Munch and Beckett The second part investigates the manifestations of Mod An International Annotated Bibliography of Strindberg Studies 1870-2005: General studies Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg s works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 2 The Plays 978 0 947623 82 1 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich **The Oxford Handbook of Global Modernisms** Mark Wollaeger, Matt Eatough, 2012-05-31 The Oxford Handbook of Global Modernisms expands the scope of modernism beyond its traditional focus on English and Irish literature to explore the contributions of artists from countries like the US Cuba Spain the Balkans China Japan India Vietnam and Nigeria British Music and Modernism, 1895-1960 Matthew Riley, 2017-07-05 Imaginative analytical and critical work on British music of the early twentieth century has been hindered by perceptions of the repertory as insular in its references and backward in its style and syntax escaping the modernity that surrounded its composers Recent research has begun to break down these perceptions and has found intriguing links between British music and modernism This book brings together contributions from scholars working in analysis hermeneutics reception history critical theory and the history of ideas Three overall themes emerge from its chapters accounts of British reactions to Continental modernism and the forms they took links between music and the visual arts and analysis and interpretation of compositions in the light of recent theoretical work on form tonality and pitch organization **The Oxford Critical and Cultural History of Modernist Magazines** Peter Brooker, Andrew Thacker, 2009 A study of the role of little magazines and their contribution to the making of artistic modernism and the avant garde across Europe this volume is a major scholarly achievement of immense value to those interested in material culture of the 20th century *Legacies of Modernism* P. McBride, R. McCormick, M. Zagar, 2007-01-22

Between 1890 and 1950 modernist art and culture set out to challenge century old notions of the individual and the community culture and politics morality and freedom placing into question the very foundations of Western civilization The essays in this volume present a novel assessment of various manifestations of modernism in Germany and Scandinavia by posing the question of its critical and political impact beyond traditional polarities such as right vs left illiberalism vs Enlightenment apolitical vs engaged In drawing on a wide range of disciplinary perspectives including literary studies art history film and visual studies urban studies musicology political theory and the history of science and technology the essays in this volume reexamine modernism s bold inquiry into areas such as the relation of art to technology and mass politics the limits of liberal democracy the reconceptualization of urban spaces and the realignment of traditional art forms following the rise of new media such as film The volume s contributors share a belief in the timeliness of modernism s critical impulse for a contemporary age confronted with ethical and political dilemmas that the modernists first articulated and to which they attempted to respond

*Nabokov's Art of Memory and European Modernism* John Burt Foster, Jr.,1993-02-08 Despite Vladimir Nabokov s hostility toward literary labels he clearly recognized his own place in cultural history In a fresh approach stressing Nabokov s European context John Foster shows how this writer s art of memory intersects with early twentieth century modernism Tracing his interests in temporal perspective and the mnemonic image in intertextual reminiscences and in individuality amid cultural multiplicity the book begins with such early Russian novels as *Mary* then treats his emerging art of memory from *Laughter in the Dark* to *The Gift* After discussing the author s cultural repositioning in his first English novels Foster turns to Nabokov s masterpiece as an artist of memory the autobiography *Invitation of a Memory* and ends with an epilogue on *Pale Fire* As a cross cultural overview of modernism this book examines how Nabokov navigated among Proust and Bergson Freud and Mann and Joyce and Eliot It also explores his response to Baudelaire and Nietzsche as theorists of modernity and his sense of Dostoevsky Tolstoy and Pushkin as modernist precursors As an approach to Nabokov the book reflects the heightened importance of autobiography in current literary study Other critical issues addressed include Bakhtin s theory of intertextuality deconstructive views of memory Benjamin s modernism of memory and Nabokov s assumptions about modernism as a concept

*Facets of European Modernism* James Walter McFarlane,1985\* *Theorizing Modernisms* Steve Giles,2002-09-11 Provides a much needed corrective to the misleading accounts of modernism that have dominated recent debate shedding new light at the same time on the current controversies surrounding postmodernism

**Flint on a Bright Stone** Kirsten Blythe Painter,2006 *Flint on a Bright Stone* closes a significant gap in the history of Modernist poetry by identifying the existence of Tempered Modernism an international phenomenon exemplified by Akhmatova Rilke H D and Williams and characterized by small poems written with precision restraint simplicity equilibrium and hardness

"British Music and Modernism, 1895?960 " Matthew Riley,2017-07-05 Imaginative analytical and critical work on British music of the early twentieth century has been hindered by perceptions of the repertory as insular in its

references and backward in its style and syntax escaping the modernity that surrounded its composers Recent research has begun to break down these perceptions and has found intriguing links between British music and modernism This book brings together contributions from scholars working in analysis hermeneutics reception history critical theory and the history of ideas Three overall themes emerge from its chapters accounts of British reactions to Continental modernism and the forms they took links between music and the visual arts and analysis and interpretation of compositions in the light of recent theoretical work on form tonality and pitch organization *The Modernity of English Art, 1914-30* David Peters

Corbett,1997 The modernity of English art reconceptualises the history of English painting from 1914 to the end of the 1920s Whereas most accounts have tended to see the period as marked by a tension between the native tradition and Modernism this ground breaking book rethinks the 1920s by situating both Modernist and non Modernist painters within a wider cultural history Established figures such as Paul Nash Edward Wadsworth and Wyndham Lewis as well as lesser known artists like Charles Sims John Armstrong and Ethelbert White are discussed and illustrated in a series of innovative readings within this context The modernity of English art offers a new account of painting in England after 1914 and argues for a strongly revisionist view of the significance of the modern during this important but neglected period in English art *International Futurism in Arts and Literature* Günter Berghaus,2012-10-25 This publication offers for the first time an inter disciplinary and comparative perspective on Futurism in a variety of countries and artistic media 20 scholars discuss how the movement shaped the concept of a cultural avant garde and how it influenced the development of modernist art and literature around the world [The Cambridge Companion to European Modernism](#) Pericles Lewis,2011-09-08 A broad accessible account of European modernism as a truly cosmopolitan movement *The Cambridge Companion to Ibsen* James Walter

McFarlane,1994 In the history of modern theatre Ibsen is one of the dominating figures The sixteen chapters of this 1994 Companion explore his life and work providing an invaluable reference work for students In chronological terms they range from an account of Ibsen s earliest pieces through the years of rich experimentation to the mature Ibsenist plays that made him famous towards the end of the nineteenth century Among the thematic topics are discussions of Ibsen s comedy realism lyric poetry and feminism Substantial chapters account for Ibsen s influence on the international stage and his challenge to theatre and film directors and playwrights today Essential reference materials include a full chronology list of works and essays on twentieth century criticism and further reading **Samuel Beckett** Jennifer Birkett,Kate Ince,2014-06-11 Bringing together seminal writings on Beckett from the 1950s and 1960s with critical readings from the 1980s and 1990s this collection is inspired by a wide variety of literary theoretical approaches and covers the whole range of Beckett s creative work Following an up to date review and analysis of Beckett criticism fifteen extracts of Beckett criticism are introduced and set in context by editors headnotes The book aims to make easily accessible to students and scholars stimulating and innovative writing on the work of Samuel Beckett representing the wide range of new perspectives opened

up by contemporary critical theory philosophical political and psychoanalytic criticism feminist and gender studies semiotics and reception theory      *Legacies of Departed African Women Writers* Helen O. Chukwuma, Chioma Carol Opara, 2022-08-29

*Legacies of Departed African Women Writers* Matrix of Creativity and Power proffers varied perspectives of the invaluable contributions of ten deceased African writers from all across Africa who have cleared the path to a vibrant African feminist arena The dynamics of change gleaned from both their textual and contextual concerns unarguably set the pace for contemporary African women writers who have striven to follow in the footsteps of their literary mothers as well as their oral foremothers This book edited by Helen Chukwuma and Chioma Carol Opara shows the collective testament of ample creativity and power generated by these departed heroes Flora Nwapa Mariama Ba Grace Ogot Zulu Sofola Bessie Head Buchi Emecheta Nawal El Saadawi Assia Djebar Yvonne Vera and Nadine Gordimer These chapters revolve around the positive impact of the celebrated writers on creative writing theoretical formulations and socio cultural change The contributors argue that these corpuses of works have illuminated creativity rooted in power vision and freedom      Das Paradigma Der Landschaft in Moderne und Postmoderne Manfred Schmeling, Monika Schmitz-Emans, 2007      Comparative Approaches to Nordic and European Modernisms Mats Jansson, 2008

Modernism is a truly international movement that cuts across many boundaries territorial political cultural and linguistic Its geographical and temporal scope make it one of the most prominent fields of literary study The essays in this book compare Modernist features of the Nordic literatures with the modernizing works and movements of the rest of twentieth century Europe The contributors situate the concept of Modernism in a pan European context and discuss how a range of texts respond to and thus represent facets of European Modernism at widely different moments not least in the period following the second world war In addition to studies of individual Nordic authors the aspects of Modernism explored here include its response to war the relationship between verbal and pictorial art and Modernisms impact on later Nordic and European writers      The Cambridge Companion to Ibsen James McFarlane, 1994-02-25

In the history of modern theatre Ibsen is one of the dominating figures The sixteen chapters of this 1994 Companion explore his life and work providing an invaluable reference work for students In chronological terms they range from an account of Ibsen s earliest pieces through the years of rich experimentation to the mature Ibsenist plays that made him famous towards the end of the nineteenth century Among the thematic topics are discussions of Ibsen s comedy realism lyric poetry and feminism Substantial chapters account for Ibsen s influence on the international stage and his challenge to theatre and film directors and playwrights today Essential reference materials include a full chronology list of works and essays on twentieth century criticism and further reading
