

MUSIC

BY WALTER DE LA MARE

When music sounds, gone is the earth I know,
And all her lovely things even lovelier grow;
Her flowers in vision flame, her forest trees
Lift burdened branches, stilled with ecstasies.

When music sounds, out of the water rise
Naiads whose beauty dims my waking eyes,
Rapt in strange dreams burns each enchanted face,
With solemn echoing stirs their dwelling-place.

When music sounds, all that I was I am
Ere to this haunt of brooding dust I came;
And from Time's woods break into distant song
The swift-winged hours, as I hasten along.

Facing The Music Poems

Lawrence Gilman

Facing The Music Poems:

Facing the Music Bruce Berger, 2014-06-03 Music is used in this book of poetry as more than subject matter but as a metaphor for the examined life In the collection a man's transformations are measured by the concerts he has witnessed the depth of a woman's life is revealed by an unfinished painting her son attempts to complete and a composer is gauged by his silences With a compression rare in contemporary poetry and a leavening wit the author draws the reader toward a subject's interior through its beguiling surface and springs secrets from uninspected common places **Facing the Music** Harold C. Schonberg, 1981 A selection of the Pulitzer Prize winning critic's writings on music and music criticism composers contemporary music singers and vocal music musicians pianists conductors and performance practice **The Implosion of Negativity** Andreas Hau, 2010 Dissertation im Fachbereich Nordamerikanische Literatur und Kultur der Universität des Saarlandes The Implosion of Negativity ist die erste Monografie zu Paul Austers Frühwerk Bis 1980 betätigte sich Auster zehn Jahre lang fast ausschließlich als Lyriker um danach nie wieder ein Gedicht zu veröffentlichen The Implosion of Negativity versucht zu ergründen wie es zu diesem Bruch kam und analysiert detailliert Austers poetisches Vorleben Dabei werden bislang unbeachtete Einflüsse wie Martin Buber und Paul Celan zutage gefördert Die abschließende Untersuchung von The New York Trilogy zeigt exemplarisch welche neuen interpretatorischen Ansätze die Kenntnis von Austers vergessenem Frühwerk ermöglicht Der untote Lyriker wird zum Phantom das unablässig Austers Romane heimsucht und antreibt Die Dissertation The Implosion of Negativity ist in englischer Sprache verfasst Der Anhang enthält eine deutsche Zusammenfassung eine umfassende Bibliographie und ein persönliches Interview mit Paul Auster Englischer Klappentext For most readers and critics Paul Auster's oeuvre begins with The New York Trilogy yet his major success as a novelist was preceded by a decade of almost obsessive devotion to poetry The Implosion of Negativity is the first book length study of Paul Auster's early work From his dense intensely lyric sequences of the early 1970s to the more discursive style of Auster's final book of poems Facing the Music 1980 and on to his experimental prose of the early eighties The Implosion of Negativity traces a fascinating journey through the author's formative years Andreas Hau's dissertation begins with a detailed analysis of Auster's early long poem Unearth examines overlooked influences such as Paul Celan and Martin Buber and continues with Auster's exploration of his Jewish heritage in Wall Writing his rediscovery of the American objectivists in Disappearances and his encounters with the visual arts in Fragments from Cold Subsequent **Writings through John Cage's Music, Poetry, and Art** David W. Bernstein, Christopher Hatch, 2010-06-15 This volume looks at the creative work of the great avant gardist John Cage from an exciting interdisciplinary perspective exploring his activities as a composer performer thinker and artist The essays in this collection grew out of a pivotal gathering during which a spectrum of participants including composers music scholars and visual artists literary critics poets and filmmakers convened to examine Cage's extraordinary artistic legacy Beginning with David Bernstein's introductory essay on the reception of Cage's music

the volume addresses topics ranging from Cage's reluctance to discuss his homosexuality to his work as a performer and musician and his forward looking provocative experimentation with electronic and other media Several of the essays draw upon previously unseen sketches and other source materials Also included are transcripts of lively panel discussions among some of Cage's former colleagues Taken together this collection is a much needed contribution to the study of one of the most significant American artists of the twentieth century *Guillaume de Machaut, The Complete Poetry and Music, Volume 2* Uri Smilansky, 2019-04-26 This volume is the second of the thirteen in preparation that will offer the first complete scholarly edition of the poetry and music of Guillaume de Machaut the foremost practitioner of these related arts at the end of the Middle Ages in France It provides a freshly prepared edition based on the most reliable manuscript of two of Machaut's best known dits the *Remede de Fortune* Remedy for Fortune and the *Confort d'ami* Consolation from a Friend both of which adapt the central ideas of Boethian philosophy to the love poetry tradition The French texts are accompanied by facing English translations and the musical passages are presented in situ in a performance accessible form *Facing the Music* Hermina Burns, 2022-05 **The Different Faces of Politics in Literature and Music** Mario Vassallo, Andre P. DeBattista, 2023-12-06 This book highlights the links between politics and governance and the arts The essays in the volume show how literature and music have challenged those in power risking political censure In addition they also try to delineate how patronage has been used for propaganda or to stir up national fervour They focus on the tension and symbiosis between the politician and the artist foregrounding how they have always tried to influence challenge and in some cases undermine one another This volume will serve as an indispensable source for researchers and academics in political science the humanities and performing arts *Golden childhood; or, The child's own annual of pictures, poetry and music [afterw.] Merry sunbeams [afterw.] Golden childhood*, 1877 *Elfin music: an anthology of poetry selected by A. E. Waite* *Elfin music*, 1888 *The Boundaries of Music and Poetry* August Wilhelm Ambros, 1893 *The Muse is Music* Meta DuEwa Jones, 2011 This wide ranging ambitiously interdisciplinary study traces jazz's influence on African American poetry from the Harlem Renaissance to contemporary spoken word poetry Examining established poets such as Langston Hughes Ntozake Shange and Nathaniel Mackey as well as a generation of up and coming contemporary writers and performers Meta DuEwa Jones highlights the intersections of race gender and sexuality within the jazz tradition and its representation in poetry Applying prosodic analysis to emphasize the musicality of African American poetic performance she examines the gendered meanings evident in collaborative performances and in the criticism images and sounds circulating within jazz cultures Jones also considers poets who participated in contemporary venues for black writing such as the Dark Room Collective and the Cave Canem Foundation including Harryette Mullen Elizabeth Alexander and Carl Phillips Incorporating a finely honed discussion of the Black Arts Movement the poetry jazz fusion of the late 1950s and slam and spoken word performance milieus such as Def Poetry Jam she focuses on jazz and hip hop influenced performance artists including Tracie Morris Saul

Williams and Jessica Care Moore Through attention to cadence rhythm and structure *The Muse is Music* fills a gap in literary scholarship by attending to issues of gender in jazz and poetry and by analyzing recordings of poets both with and without musical accompaniment Applying the methodology of textual close reading to a critical close listening of American poetry's resonant soundscape Jones's analyses include exploring the formal innovation and queer performance of Langston Hughes's recorded collaboration with jazz musicians delineating the relationship between punctuation and performance in the post-soul John Coltrane poem and closely examining jazz improvisation and hip-hop stylization An elaborate articulation of the connections between jazz poetry and spoken word and gender *The Muse Is Music* offers valuable criticism of specific texts and performances and a convincing argument about the shape of jazz and African American poetic performance in the contemporary era

Faces of Tradition in Chinese Performing Arts Levi S. Gibbs, 2020-02-11 Case studies examining the individual's role in how traditional Chinese performing arts like music and dance are represented maintained and cultivated *Faces of Tradition in Chinese Performing Arts* examines the key role of the individual in the development of traditional Chinese performing arts such as music and dance These artists and their artistic works the faces of tradition come to represent and reconfigure broader fields of cultural production in China today The contributors to this volume explore the ways in which performances and recordings including singing competitions textual anthologies ethnographic videos and CD albums serve as discursive spaces where individuals engage with and redefine larger traditions and themselves By focusing on the performance scholarship collection and teaching of instrumental music folksong and classical dance from a variety of disciplines these case studies highlight the importance of the individual in determining how traditions have been and are represented maintained and cultivated *Faces of Tradition in Chinese Performing Arts* examines the dynamic relationship between individual representatives of tradition and the evolution of the traditions themselves A C Shahriari Kent State University Choice

Waking the Face That No One Is Louis Marvick, 2021-11-22 Poetry and music have seldom been more closely associated than at the end of the nineteenth century and the texts in which Baudelaire and Wagner Mallarmé and Scriabin Maeterlinck and Debussy evoked the reader's and the listener's states of mind are unusually rich in suggestion Can poetry combine as music seems to do the transcendent satisfaction of an all-inclusive viewpoint with the excitement and uncertainty of an unfolding narrative Can it partake of music's power in order to give a face to the idea and substitute without disappointing a definite variation for the ineffable theme Symbolist writers intent on achieving musical effects in words looked for ways to overcome the hard division of subjects at the foundation of language and the strategies they invented while not always successful show their supreme expectations concerning the receptive capability of their audience and an unqualified belief in the transforming power of their art Students of aesthetics of French and comparative literature should find something of interest in this provocative and original book For ease of reference a detailed abstract of the contents is provided along with English translations of all quotations in other languages

Global Environment **The Restless Generation: How Rock Music Changed the Face of 1950s Britain** Pete
Frame,2011-11-04 It was our version of a Hollywood epic shot in black and white over a ten year period with no script and a
cast of thousands who had to make it up as they went along Tommy Steele Cliff Richard Lonnie Donegan Terry Dene Marty
Wilde Mickie Most Lionel Bart Tony Sheridan Billy Fury Joe Brown Wee Willie Harris Adam Faith John Barry Larry Page
Vince Eager Johnny Gentle Jim Dale Duffy Power Dickie Pride Georgie Fame and Johnny Kidd were just a few of those hoping
to see their name in lights From the widescreen perspective of one who watched the story unfold Pete Frame traces the
emergence of rock music in Britain from the first stirrings of skiffle in suburban pubs and jazz clubs through the primitive
experimentation of teenage revolutionaries in the coffee bars of Soho to the moulding and marketing of the first generation
of television idols and the eventual breakthrough of such global stars as the Beatles and the Rolling Stones Castic and
irreverent but authoritative and honest this is the definitive story **Nature in Music and Other Studies in the
Tone-poetry of Today** Lawrence Gilman,1914 *The Poetry and Music of Science* Tom McLeish,2019-01-10 What human
qualities are needed to make scientific discoveries and which to make great art Many would point to imagination and
creativity in the second case but not the first This book challenges the assumption that doing science is in any sense less
creative than art music or fictional writing and poetry and treads a historical and contemporary path through common
territories of the creative process The methodological process called the scientific method tells us how to test ideas when we
have had them but not how to arrive at hypotheses in the first place Hearing the stories that scientists and artists tell about
their projects reveals commonalities the desire for a goal the experience of frustration and failure the incubation of the
problem moments of sudden insight and the experience of the beautiful or sublime Selected themes weave the practice of
science and art together visual thinking and metaphor the transcendence of music and mathematics the contemporary rise of
the English novel and experimental science and the role of aesthetics and desire in the creative process Artists and scientists

make salient comparisons Defoe and Boyle Emerson and Humboldt Monet and Einstein Schumann and Hadamard The book draws on medieval philosophy at many points as the product of the last age that spent time in inner contemplation of the mystery of how something is mentally brought out from nothing Taking the phenomenon of the rainbow as an example the principles of creativity within constraint point to the scientific imagination as a parallel of poetry **Rhythm and Harmony in Poetry and Music** George Lansing Raymond, 1894 *Comparative Aesthetics: Rhythm and harmony in poetry and music* George Lansing Raymond, 1909
