**Facing Africa** Mary Nooter Roberts, Toledo Museum of Art, 1998 The Toledo Museum of Art has a small but choice collection of the art of sub Saharan Africa Collecting began in 1958 with a Benin Queen Mother head and a Fang mask that once belonged to artist Maurice Vlaminck This book combines up to date scholarship with field photographs and selections from African literature We hope readers will enjoy the process of turning toward confronting and connecting with the art and people of Africa Notes Index *Perfect Documents* Virginia-Lee Webb, Walker Evans, Metropolitan Museum of Art (New York, N.Y.), 2000 The Metropolitan Museum of Art New York Feb 1 Sept 3 2000 *The Sacred Gaze* David

Morgan, 2023-09-01 Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious traditions His lively innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social intellectual and perceptual construction of reality Ranging widely from thirteenth century Japan and eighteenth century Tibet to contemporary America Thailand and Africa The Sacred Gaze discusses the religious functions of images and the tools viewers use to interpret them Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity The opening chapter considers definitions of visual culture and how these relate to the traditional practice of art history Amply illustrated with more than seventy images from diverse religious traditions this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time communicate with the transcendent and embody forms of communion with the divine The Sacred Gaze is a vital introduction to the study of the visual culture of religions Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious trad **Black Religion and Aesthetics A.**

Pinn, 2009-07-06 A great deal of attention has been given to the sociopolitical and theological importance of Black Religion However of less academic concern up to this point is the aesthetic qualities that define much of what is said and done within the context of Black Religion Recognizing the centrality of the black body for black religious thought and life this book proposes a conversation concerning various dimensions of the aesthetic considerations and qualities of Black Religion as found in various parts of the world including the Americas the Caribbean Africa and Europe In this respect Black Religion is simply meant to connote the religious orientations and arrangements of people of African descent across the globe

**Sanford Biggers** Andrea Andersson, Antonio Sergio Bessa, 2020-04-03 What I want to do is code switch To have there be layers of history and politics but also this heady arty stuff inside jokes black humor that you might have to take a while to

research if you want to really get it Sanford Biggers Sanford Biggers b 1970 is a Harlem based artist working in various media including painting sculpture video and performance He describes his practice as code switching mixing disparate elements to create layers of meaning to account for his wide ranging interests This catalogue focuses on a series of repurposed quilts many made in the 19th century that embodies this interest in mixture Informed by the significance of quilts to the Underground Railroad Biggers transforms the quilts into new works using materials such as paint tar glitter and charcoal to add his own layers of codes whether they be historical political or purely artistic Insightful essays survey Biggers s career his art in relation to music and the history upon which the series draws Also featured is a short yet powerful graphic essay by an award winning illustrator that introduces the layered meanings inherent in the art and craft of quilting

**A Dance of Assassins** Allen F. Roberts, 2013 A Dance of Assassins presents the competing histories of how Congolese Chief Lusinga and Belgian Lieutenant Storms engaged in a deadly clash while striving to establish hegemony along the southwestern shores of Lake Tanganyika in the 1880s While Lusinga participated in the east African slave trade Storms secret mandate was to meet Henry Stanley s eastward march and trace a white line across the Dark Continent to legitimize King Leopold s audacious claim to the Congo Confrontation was inevitable and Lusinga lost his head His skull became the subject of a sinister evolutionary treatise while his ancestral figure is now considered a treasure of the Royal Museum for Central Africa Allen F Roberts reveals the theatricality of early colonial encounter and how it continues to influence Congolese and Belgian understandings of history today

**Postcolonial Literature and the Impact of Literacy** Neil ten Kortenaar, 2011-06-02 Examining images of literacy in African and West Indian novels Neil ten Kortenaar looks at how postcolonial authors have thought about the act of writing itself Writing arrived in many parts of Africa as part of colonization in the twentieth century and with it a whole world of book learning and paper pushing of school and bureaucracy newspapers textbooks and letters candles hurricane lamps and electricity pens paper typewriters and printed type and orthography developed for formerly oral languages Writing only penetrated many layers of West Indian society in the same era The range of writers is wide and includes Chinua Achebe Wole Soyinka and V S Naipaul The chapters rely on close reading of canonical novels but discuss general themes and trends in African and Caribbean literature Ten Kortenaar s sensitive and penetrating treatment of these themes makes this an important contribution to the growing field of postcolonial literary studies
