Retrospective Imagination of A. B. Yehoshua Yael Halevi-Wise, 2020-12-15 Once referred to by the New York Times as the Israeli Faulkner A B Yehoshua's fiction invites an assessment of Israel's Jewish inheritance and the moral and political options that the country currently faces in the Middle East *The Retrospective Imagination of A B Yehoshua* is an insightful overview of the fiction nonfiction and hundreds of critical responses to the work of Israel's leading novelist Instead of an exhaustive chronological biographical account of Yehoshua's artistic growth Yael Halevi Wise calls for a systematic appreciation of the author's major themes and compositional patterns Specifically she argues for reading Yehoshua's novels as reflections on the condition of Israel constructed multifocally to engage four intersecting levels of signification psychological sociological historical and historiosophic Each of the book's seven chapters employs a different interpretive method to showcase how Yehoshua's constructions of character psychology social relations national history and historiosophic allusions to traditional Jewish symbols manifest themselves across his novels The book ends with a playful dialogue in the style of Yehoshua's masterpiece *Mr Mani* that interrogates his definition of Jewish identity Masterfully written with full control of all the relevant materials Halevi Wise's assessment of Yehoshua will appeal to students and scholars of modern Jewish literature and Jewish studies **The Routledge Encyclopedia of Jewish Writers of the Twentieth**

Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly

essay on their work and suggestions for further reading *Sephardism* Yael Halevi-Wise, 2012-04-11 In this book Sephardism is defined not as an expression of Sephardic identity but as a politicized literary metaphor Since the nineteenth century this metaphor has occurred with extraordinary frequency in works by authors from a variety of ethnicities religions and nationalities in Europe the Americas North Africa Israel and even India Sephardism asks why Gentile and Jewish writers and cultural figures have chosen to draw upon the medieval Sephardic experience to express their concerns about dissidents and minorities in modern nations To what extent does their use of Sephardism overlap with other politicized discourses such as orientalism hispanism and medievalism which also emerged from a clash between authoritarian progressive and romantic ideologies This book brings a new approach to Sephardic Studies by situating it at a crossroads between Jewish Studies and Hispanic Studies in ways that enhance our appreciation of how historical fiction and political history have shaped and were shaped by historical attitudes toward Jews and their representation **The Passing Game** Warren Hoffman, 2008-11-03 Tony Kushner's award winning epic play *Angels in America* was remarkable not only for its sensitive engagement of Jewish American and gay culture but also for bringing these themes to a mainstream audience While the play represented a watershed in American theater and culture it belies a hundred years of previous attention to queer Jewish identity in twentieth century American literature drama and film In *The Passing Game* Warren Hoffman sheds light on this long history taking up both Yiddish and English narratives that explore the tensions among Jewish identity queer sexuality performance and American citizenship With fresh insight Hoffman examines the 1907 Yiddish play *God of Vengeance* by Sholem Asch the cross dressing films of Yiddish actress Molly Picon and several short stories by Isaac Bashevis Singer He also analyzes the English language novels *The Rise of David Levinsky* Abraham Cahan *Wasteland* Jo Sinclair and Portnoy's *Complaint* Phillip Roth Hoffman highlights the ways in which the characters in these canonical texts attempt to pass as white straight and American in the early and mid twentieth century This pioneering work is a welcome contribution to the study of Jewish American literature and culture **Borders, Territories, and Ethics** Adia Mendelson-Maoz, 2018-08-15 *Borders Territories and Ethics* Hebrew Literature in the Shadow of the Intifada by Adia Mendelson Maoz presents a new perspective on the multifaceted relations between ideologies space and ethics manifested in contemporary Hebrew literature dealing with the Israeli Palestinian conflict and the occupation In this volume Mendelson Maoz analyzes Israeli prose written between 1987 and 2007 relating mainly to the first and second intifadas written by well known authors such as Yehoshua Grossman Matalon Castel Bloom Govrin Kravitz and Levy Mendelson Maoz raises critical questions regarding militarism humanism the nature of the State of Israel as a democracy national identity and its borders soldiers as moral individuals the nature of Zionist education the acknowledgment of the Other and the sovereignty of the subject She discusses these issues within two frameworks The first draws on theories of ethics in the humanist tradition and its critical extensions especially by Levinas The second applies theories of space and in particular deterritorialization as put forward by Deleuze and Guattari and their

successors Overall this volume provides an innovative theoretical analysis of the collage of voices and artistic directions in contemporary Israeli prose written in times of political and cultural debate on the occupation and its intifadas *Maven in Blue Jeans* Steven L. Jacobs, 2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation **The Elsewhere** Adam Zachary Newton, 2005-08-03 The Elsewhere Or midbar biblical Hebrew for both wilderness and speech A place of possession and dispossession loss and nostalgia But also a place that speaks Ingeniously using a Talmudic interpretive formula about the disposition of boundaries Newton explores narratives of place flight border and beyond The writers of The Elsewhere are a disparate company of twentieth century memoirists and fabulists from the Levant Palestine Israel Egypt and East Central Europe Together their texts cunningly paired so as to speak to one another in mutually revelatory ways narrate the paradox of the near distance Francophone Sephardic Fiction Judith Roumani, 2022-04-13 Francophone Sephardic Fiction Writing Migration Diaspora and Modernity approaches modern Sephardic literature in a comparative way to draw out similarities and differences among selected francophone novelists from various countries with a focus on North Africa The definition of Sepharad here is broader than just Spain it embraces Jews whose ancestors had lived in North Africa for centuries even before the arrival of Islam and who still today trace their allegiance to ways of being Jewish that go back to Babylon as do those whose ancestors spent a few hundred years in Iberia The author traces the strong influence of oral storytelling on modern novelists of the twentieth and early twenty first centuries and explores the idea of the portable homeland as exile and migration engulfed the long rooted Sephardic communities The author also examines diaspora concepts how modernity and post modernity threatened traditional ways of life and how humor and an active return into history for the novel have done more than mere nostalgia could to enliven the portable homeland of modern francophone Sephardic fiction Reading the Abrahamic Faiths Emma Mason, 2014-12-18 Rethinking religion and literature in a series of chapters by leading international scholars Reading the Abrahamic Faiths opens up a dialogue between Jewish Christian Islamic and Post Secular literary cultures Literary studies has absorbed religion as another interdisciplinary mode of inquiry without always attending to its multifaceted potential to question ideologically neutral readings of culture belief emotion politics and inequality In response Reading the Abrahamic Faiths contributes to a reevaluation of the nexus between religion and literature that is socially affectively and materially determined in its sensitivity to the expression of belief Each section Judaism Christianity Islam and Post Secularism is introduced by a specialist in these respective areas to introduce the critical readings of the texts and discourses that follow *Inextricably Bonded* Rachel Feldhay Brenner, 2004-04-01 Despite the tragic reality of the continuing Israeli Arab conflict and deep rooted beliefs that the chasm between Israeli Jews and Israeli Arabs is unbridgeable this book affirms the bonds between the two communities Rachel Feldhay Brenner demonstrates that the literatures of both

ethnic groups defy the ideologies that have obstructed dialogue between the two peoples Brenner argues that literary critics have ignored the variety and the dissent in the novels of both Arab and Jewish writers in Israel giving them interpretations that embrace the politics of exclusion and conform with Zionist ideology Brenner offers insightful new readings that compare fiction by Jewish writers Amos Oz A B Yehoshua David Grossman and others with fiction written in Hebrew by such Arab Israeli writers as Atallah Mansour Emile Habiby and Anton Shammas This parallel analysis highlights the moral and psychological dilemmas faced by both the Jewish victors and the Arab vanquished and Brenner suggests that the hope for release from the historical trauma lies on both sides in reaching an understanding with and of the adversary Drawing upon the theories of Walter Benjamin Jacques Lacan Sigmund Freud Emanuel Levinas and others *Inextricably Bonded* is an innovative and illuminating examination of literary dissent from dominant ideology

The Dybbuk and the Yiddish Imagination Joachim Neugroschel, 2000-12-01 The most famous play in the Yiddish repertoire S Ansky's *The Dybbuk* has been made into two films and three operas and has been staged all over the world As an extraordinary product of the Yiddish imagination however its literary and religious roots have never been thoroughly explored With a new translation of Ansky's play that conveys its brilliant supernatural poetry this anthology comprises thirty highly diverse literary masterpieces dating from the sixteenth to the twentieth century Beginning with the first Yiddish tale about a possession 1602 these works influenced Ansky or formed a cultural and spiritual network that shows us how the era and tradition precipitated the drama The result is a literary mosaic that shows a vast array of styles from the earthy simplicity of homespun folk tales to the delicacy and elegance of polished literary expression Joachim Neugroschel brings together a wide variety of stories verse narratives and even modern melodrama many never before translated into English

Agnon's Story Avner Falk, 2018-10-22 Agnon's *Story* is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty

How Close Reading Made Us Yael Segalovitz, 2024-09-01 Shows how the method of close reading traveled from the United States to Brazil and Israel revealing its profound impact on global modernisms and reframing the lasting significance of New Criticism Does reading shape who we are What happens to the relationship between reading and subject formation as methods of interpretation travel globally Yael Segalovitz probes these questions by tracing the transnational journey of the New Critical practice of close reading from the United States to Brazil and Israel in the mid twentieth century Challenging the traditional view of New Criticism as a purely aesthetic project Segalovitz illustrates its underlying pedagogical objective to cultivate close readers capable of momentarily suspending subjectivity through focused attention How Close Reading Made Us shows that close reading as a technique of the self exerted a far reaching influence on international modernist literary production impacting writers such as Clarice Lispector Yehuda Amichai William Faulkner Joao Guimarães Rosa and A.B. Yehoshua To appreciate close reading's enduring vitality in literary studies and effectively adapt this method to the present Segalovitz argues we must comprehend its many legacies beyond the confines of the Anglophone tradition

World Literature Today, 1999

Glory and Agony Yael Feldman, 2010-09-01 Glory and Agony is the first history of the shifting attitudes toward national sacrifice in Hebrew culture over the last century Its point of departure is Zionism's obsessive preoccupation with its haunting primal scene of sacrifice the near sacrifice of Isaac as evidenced in wide ranging sources from the domains of literature art psychology philosophy and politics By placing these sources in conversation with twentieth century thinking on human sacrifice violence and martyrdom this study draws a complex picture that provides multiple sometimes contradictory insights into the genesis and gender of national sacrifice Extending back over two

millennia this study unearths retellings of biblical and classical narratives of sacrifice both enacted and aborted voluntary and violent male and female Isaac Ishmael Jephthah s daughter Iphigenia Jesus Glory and Agony traces the birth of national sacrifice out of the ruins of religious martyrdom exposing the sacred underside of Western secularism in Israel as elsewhere
