Campbell, 2011-08-15 For teenagers pregnancy presents especially challenging obstacles Pregnant teens are suddenly faced with adult responsibilities They need to consider the changes a baby will bring including the ways it will affect their plans for school a career and relationships This compelling volume explores the physical and emotional changes that pregnancy brings Medical risks and options for deciding not to keep or have a baby are also presented **Black Girls and Adolescents**

Catherine Fisher Collins, 2015-03-03 This one of a kind book challenges the current thinking about black girls to show how America has failed them and what can be done to make their lives better African American girls are one of the United States most endangered populations yet meaningful explorations of the issues that impact their lives are almost nonexistent In this riveting book led by one of the African American community's best known scholars experts from across the nation explain the risks challenges and influences both good and bad faced by black girls and teens The work shows how our society is failing them and it outlines what can and should be done to help these young women lead happier healthier more successful lives The book covers a wide range of concerns including obesity substance abuse sex trafficking gangs teen pregnancy and suicide attempts Stress low self esteem anger aggression and violence are explored as are failures of our education system and of a legal system that tends to victimize young black women A substantial section on parenting and mentoring discusses ways to counter the negative influences that are a constant for many black girls and adolescents It is time for American society to recognize and react to the realities these young women face making this book a must read for caring parents teachers nurses guidance counselor doctors school administrators and school board members Embodying the Problem

Jenna Vinson, 2017-12-11 The dominant narrative of teen pregnancy persuades many people to believe that a teenage pregnancy always leads to devastating consequences for a young woman her child and the nation in which they reside Jenna Vinson draws on feminist and rhetorical theory to explore how pregnant and mothering teens are represented as problems in U S newspapers political discourses and teenage pregnancy prevention campaigns since the 1970s Vinson shows that these representations prevent a focus on the underlying structures of inequality and poverty perpetuate harmful discourses about women and sustain racialized gender ideologies that construct women's bodies as sites of national intervention and control Embodying the Problem also explores how young mothers resist this narrative Analyzing fifty narratives written by young

mothers the recent NoTeenShame social media campaign and her interviews with thirty three young women Vinson argues that while the stigmatization of teenage pregnancy and motherhood does dehumanize young pregnant and mothering women it is at the same time a means for these women to secure an audience for their own messages More information on the author s website <https://jennavinson.com> **Child Support Report** ,1992 **Paths To Homelessness** Doug A Timmer,D. Stanley Eitzen,Kathryn D. Talley,D Stanley Eitzen,2019-06-04 The major theme in this book is that people are homeless because of structural arrangements and trends that result in extreme impoverishment and a shortage of affordable housing in U S cities It explains the economic and historical causes of homelessness with accounts of individuals and families Teenage Pregnancies in the UK and Their Perception in the British Print Media Birgit Wilpers,2010-12 Bachelor Thesis from the year 2010 in the subject English Language and Literature Studies Culture and Applied Geography grade 1 0 University of Paderborn Institut f r Anglistik Amerikanistik language English abstract One of the most controversial issues in the United Kingdom is the topic of teenage pregnancy The United Kingdom s number of teenage mothers is the highest one in comparison to all other European states This is an astonishing fact the more so as European countries such as Spain Italy or Poland with a traditionally more conservative background formerly based on Catholicism with its strict moral principles against extra marital sex or use of contraceptives have lower rates of teenage parents The issue of teenage pregnancies in the United Kingdom is in general regarded as one of the main and most urgent social problems in a modern society Several political parties and governmental institutions have intended to tackle the problem by various campaigns especially during the years of Labour Government Likewise the media provide their readers and viewers frequently with new figures research results comments or stories regarding this topic In this paper I want to examine the portrayal of teenage pregnancy and teenage mothers in the British print media with a focus on daily newspapers For this purpose the main part will be an analysis of a number of articles concerning this topic from the most popular newspapers The subject matter deals with the question if there exists a relation between the coverage of the topic and the portrayal of the mothers and the transfer of ideology by the media How does this particular representation contribute to the implementation of cultural values and the maintenance of existing power relations Another interesting question to pose is whether the reporting on this topic has changed over the course of time if it has increased during the last years and if there are certain political rationales behind a ch
