Gerald,2013-09-03 Throughout history humans everywhere have searched for remedies to heal our bodies and minds Covering everything from ancient herbs to cutting edge chemicals this book in the hugely popular Milestones series looks at 250 of the most important moments in the development of life altering life saving and sometimes life endangering pharmaceuticals Illustrated entries feature ancient drugs like alcohol opium and hemlock the smallpox and the polio vaccines homeopathic cures and controversial medical treatments like ether amphetamines and Xanax while shining a light on the scientists doctors and companies who brought them to us **The Horn Book Guide to Children's and Young Adult Books** ,1990 The British National Bibliography Arthur James Wells,1968 *The Big Con* Nate Hendley,2016-09-06 This book examines a broad range of infamous scams cons swindles and hoaxes throughout American history and considers why human gullibility continues in an age of easy access to information Covering American cons and hoaxes past and present including the Great Moon Hoax of 1835 the controversy over subliminal messaging do bands filmmakers and advertisers really put secret messages in their works the panic about satanic daycare operators in the 1980s and recent Internet scams this book provides a fascinating fact based look at infamous frauds across the centuries Offering an engaging mix of history sociology and psychology author Nate Hendley gives readers an appreciation of how prominent scams cons confidence men and hoaxes have impacted American society past and present Each entry details the scheme or hoax and the pertinent con artist schemer involved examining the sociological cultural political and or economic

effect of the scams Each topic is accompanied by a short bibliography of further reading selections As the old saying goes There is a sucker born every minute and there has always been a keen eyed swindler to take advantage of the situation The Big Con Great Hoaxes Frauds Gifts and Swindles in American History explores this sordid underbelly of American civilization and invites readers to revel in the felonious experience *Drugs, Crime and Violence* Howard Rahtz,2012-08-16 Forty years ago President Richard Nixon declared a war on drugs Since that time the country has incarcerated thousands of citizens and spent billions of dollars and yet the drug problem rolls on Today the illegal drug market funds international terrorism the horrific drug war on the Mexican border and the senseless violence plaguing our communities large and small It is past time for a new direction This book provides a drug policy framework that will choke off the revenue supporting the illegal drug market Howard Rahtz outlines a series of drug policy steps buttressed by a historical review of drug policy measures a review of international efforts against trafficking and a clear understanding of the dynamics of addiction and its role in facilitating the illegal drug market Children's Book Review Index 85-94 V 3 George Baer,1995-12-04 The Gravity of Joy Angela Williams Gorrell,2021-03-09 My vocation was supposed to be joy and I was speaking at funerals Shortly after being hired by Yale University to study joy Angela Gorrell got word that a close family member had died by suicide Less than a month later she lost her father to a fatal opioid addiction and her nephew only twenty two years old to sudden cardiac arrest The theoretical joy she was researching at Yale suddenly felt shallow and distant completely unattainable in the fog of grief she now found herself in But joy was closer at hand than it seemed As she began volunteering at a women s maximum security prison she met people who suffered extensively yet still showed a tremendous capacity for joy Talking with these women many of whom had struggled with addiction and suicidal thoughts themselves she realized Joy doesn t obliterate grief Instead joy has a mysterious capacity to be felt alongside sorrow and even sometimes most especially in the midst of suffering This is the story of Angela s discovery of an authentic grounded Christian joy But even more it is an invitation for others to seize upon this more resilient joy as a counteragent to the twenty first century epidemics of despair addiction and suicide a call to action for communities that yearn to find joy and are willing to walk together through the shadows to find it

Survival of the City Edward Glaeser,David Cutler,2021-09-07 Expansive and entertaining A fast paced and highly readable journey the book serves as a useful tool in the effort to redefine the role of the city in an age of increasingly polarized politics and reminds us that urban health is as Fiorello La Guardia once remarked about cleaning the streets not a Democratic or Republican issue New York Times Book Review One of our great urbanists and one of our great public health experts join forces to reckon with how cities are changing in the face of existential threats the pandemic has only accelerated Cities can make us sick That s always been true diseases spread more easily when more people are close to one another And cities have been demonized as breeding grounds for vice and crime from Sodom and Gomorrah on But cities have flourished nonetheless because they are humanity s greatest invention indispensable engines for creativity innovation wealth and

civilization itself But cities now stand at a crossroads During the global COVID crisis cities grew silent the normal forms of socializing ground to a halt How permanent are these changes Advances in technology mean that many people can opt out of city life as never before Will they Are we on the brink of a post urban world City life will survive but individual cities face terrible risks argue Edward Glaeser and David Cutler and a wave of urban failure would be absolutely disastrous In terms of intimacy and inspiration nothing can replace what cities offer But great cities have always demanded great management and our current crisis has exposed fearful gaps in our capacity for good governance In America Glaeser and Cutler argue deep inequities in health care and education are a particular blight on the future of our cities solving them will be the difference between our collective good health and a downward spiral to a much darker place **Sociological Abstracts** Leo P. Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers
