Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of Historical Dictionary of Portugal greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects

Toward a Linguistic and Literary Revision of Cultural Paradigms Ettore Finazzi-Agrò, 2018-11-02 This book draws an updated Euro American conceptual map starting from a limited number of strategic terms whose meanings today are judged univocal and permanent while in fact daily use has turned them into common sense depriving them of their ambiguity an original feature of language particularly relevant when it comes to literary use By re examining the proper noun for each of the selected notions the contributors common intent is to shed light on their polysemous nature and linguistic fluidity in spite of the common tendency towards simplification and homogeneity imposed by hegemonic cultural paradigms Along this line the book explores the great divides between identity and otherness or common or alien in order to recover a sense of cultural identity which is at once polymorphous and polyphonic

An Explanation of the Birds António Lobo Antunes, 1995-08 One of these days I ll beach right here devoured by fish like a dead whale muses Rui S portly thirty three year old political historian and hero of the latest dazzling novel by Antnio Lobo Antunes Little do we or Rui S realize how prophetic his whiny lamentation proves to be until the close of this beautifully realized masterpiece of remembrance Unable to accept the facts of his life his mother s imminent death by cancer his estrangement from his bourgeois family especially his industrialist father and his blunt rejection by his first wife and two children Rui S decides to change things Now married to the nagging dogmatic Communist Marilia Rui S puts together a weak kneed agenda for change he decides to skip yet another dull and pompous academic conference escape to a resort town north of Lisbon and there dump his homely wife Marilia however beats him to the punch announcing that she wants out of the marriage before he can summon the courage to speak Returning again and again to the only memory he has of being loved walking with his father as a young boy and listening to him explain the behavior of birds Rui S tries in vain to make sense of himself In An Explanation of the Birds Lobo Antunes has once again proved himself a master of the surreal creating both a circus like dream and a mournful eulogy for the lost ideals of post revolutionary Lisbon
