**America's Agatha Christie** Rick Cypert, 2005 Between 1929 and 1988 American mystery writer Mignon Good Eberhart wrote fifty nine mystery novels at least as many short stories and served a term as president and Grand Master of the Mystery Writers of America This study of Eberhart s life and work considers the influence of her childhood in Nebraska her marriage and frequent travels and her various professional and personal contacts in Chicago and on the East Coast

Eberhart's friendships with well known literary figures including mystery and romance authors provide a fascinating glimpse into the social matrix of a bygone publishing world. Eberhart's experiences with Hollywood and Broadway show how the mystery genre and writer were transformed in an alternate medium. Leading women's magazines of the day also sought Eberhart's talent and inevitably transformed her writing. Eberhart's novels and correspondence provide insight into the social mores of her day in particular about women's friendships, repressed sexuality and closeted homosexuality. Those interested in cultural studies, women's studies and twentieth century popular literature will find this book valuable. *Waverly Novels:*

My occupation is that of private detective in London, but if you ask any policeman in Paris who Valmont was, he will likely be able to tell you unless he is a recent recruit. If you ask him where Valmont is now, he may not know yet. I have a good deal to do with the Parisian police." *The Triumph of Eugène Valmont*.
