Media and Health Clive Seale, 2003-01-17 This book appears to fill a substantial gap in the literature at present There are quite simply no books available which engage seriously and competently with the presentation of health issues in the media and certainly none which focuses on representations of health and illness in as thematically coherent a manner as Seale proposes to do Richard Gwyn University of Cardiff This is an excellent resource for students It provides a comprehensive review of secondary literature in the field and is very well researched Students of sociology of health and illness and in media and communication studies will find the book invaluable David Oswell Goldsmiths College University of London This is a comprehensive work on media health providing an invaluable toolkit for understanding health and the media in contemporary society Seale goes further than previous textbooks critiquing the lament of media health promoters in order to explore the moralisation and commercialisation of media health Dr Annette Hill University of Westminster How are health matters presented by the mass media How accurate are the messages we are receiving This book demonstrates how health messages in popular mass media are important influences in our lives and that they are not neutral being subject to many determining influences It demonstrates the importance of mass media for understanding the experience of illness health and health care bringing together the latest thinking in the field of media

studies and the sociology of health and illness This book provides a thorough review of research literature on media representations of health illness and health care covering their production characteristic forms and relationships with the everyday lives of media audiences It brings together both well known and lesser known studies in the context of an integrated sociological argument about media and health Media producers are subject to a variety of influences from medical lobbies scientific organizations and not least the commercial pressure to satisfy media saturated audiences These mean that aims of health promoters are not always easily achieved leading to considerable tensions that require a deeper understanding of media health than has hitherto been applied to them This book will be essential reading for health educators and promoters as well as health care providers interested in the cultural aspects of health sociologists of health and illness and students and academics of media studies *Brian W. Fairbanks - Writings* Brian W. Fairbanks,2005-12-01 In the words of one reader Brian W Fairbanks has a real talent for extracting the essence of a given subject and articulating it in a meaningful way In WRITINGS the author collects some of his finest essays and criticism spanning the years 1991 2005 and covering four subjects FILM LITERATURE MUSIC SOCIETY Whether offering an insightful analysis of film noir examining Benjamin Franklin s impact on American society taking a clear eyed non partisan look at democrats republicans the 2004 presidential campaign George W Bush and the war on terror or lambasting the corruption of television news Brian W Fairbanks is ingenious with a sophisticated yet effortlessly readable style Also available in two hardcover editions

Framing Female Lawyers Cynthia Lucia,2010-01-01 As real women increasingly entered the professions from the 1970s onward their cinematic counterparts followed suit Women lawyers in particular were the protagonists of many Hollywood films of the Reagan Bush era serving as a kind of shorthand reference any time a script needed a powerful career woman Yet a close viewing of these films reveals contradictions and anxieties that belie the films apparent acceptance of women s professional roles In film after film the woman lawyer herself effectively ends up on trial for violating norms of femininity and patriarchal authority In this book Cynthia Lucia offers a sustained analysis of women lawyer films as a genre and as a site where other genres including film noir maternal melodrama thrillers action romance and romantic comedy intersect She traces Hollywood representations of female lawyers through close readings of films from the 1949 *Adam s Rib* through films of the 1980s and 1990s including *Jagged Edge* *The Accused* and *The Client* among others She also examines several key male lawyer films and two independent films *Lizzie Borden s Love Crimes* and *Susan Streitfeld s Female Perversions* Lucia convincingly demonstrates that making movies about women lawyers and the law provides unusually fertile ground for exploring patriarchy in crisis This she argues is the cultural stimulus that prompts filmmakers to create stories about powerful women that simultaneously question and undermine women s right to wield authority **I Saw That Movie, Too:**
Selected Film Reviews Brian W. Fairbanks,2005-11 Brian W Fairbanks Entertainment Editor at *Paris Woman Journal* in Paris France has a talent for extracting the essence of a given subject and articulating it in a meaningful way In *I SAW THAT*

MOVIE TOO he extracts the essence from several hundred films and articulates some of the most meaningful opinions on the cinema you'll ever read In the foreword he also offers a perceptive analysis of the way that movies more importantly the way we see movies has changed from the time he was a young movie buff obsessed by that light in the darkness to the era of the multiplex and the DVD As one reader says he has a sophisticated yet effortlessly readable style Smart insightful always honest but never pretentious Fairbanks is a life long film buff who backs up his opinions with a knowledge of both the art and artifice of cinema

Steven Berkoff and the Theatre of Self-Performance Robert Cross, 2004-04-17 Steven Berkoff is a playwright director and actor largely disregarded by theater scholars Since the 1960s however this notorious Cockney enfant terrible and scourge of the Shakespeare industry has left an imprint on modern British theatre that has been as impossible to ignore as his in your face stage presence Steven Berkoff and the Theatre of Self Performance the first thorough and in depth study of this contentious artist examines the wide ranging strategies adopted by Berkoff in the construction and projection of his larger than life public persona

Dangerous Curves Jeffrey A. Brown, 2011-04-18 Dangerous Curves Action Heroines Gender Fetishism and Popular Culture addresses the conflicted meanings associated with the figure of the action heroine as she has evolved in various media forms since the late 1980s Jeffrey A Brown discusses this immensely popular character type the action heroine as an example of and challenge to existing theories about gender as a performance identity Her assumption of heroic masculine traits combined with her sexualized physical depiction demonstrates the ambiguous nature of traditional gender expectations and indicates a growing awareness of more aggressive and violent roles for women The excessive sexual fetishization of action heroines is a central theme throughout The topic is analyzed as an insight into the transgressive image of the dominatrix as a reflection of the shift in popular feminism from second wave politics to third wave and postfeminist pleasures and as a form of patriarchal backlash that

facilitates a masculine fantasy of controlling strong female characters Brown interprets the action heroine as a representation of changing gender dynamics that balances the sexual objectification of women with progressive models of female strength While the primary focus of this study is the action heroine as represented in Hollywood film and television the book also includes the action heroine s emergence in contemporary popular literature comic books cartoons and video games
