Faith Knowledge The Jew In The Medieva:

Faith and knowledge ; the Jew in the medieval world Nahum Norbert Glatzer,1963 The Jews of Medieval Western Christendom Robert Chazan,2006-11-23 A comprehensive synthesis of medieval Jewish history between AD 1000 and 1500

Church, State, and Jew in the Middle Ages Robert Chazan,1980 A collection of medieval European documents of the Church and state including theological positions on the Jews papal decrees and local and national charters granting rights to Jews documents relating to protection of Jews ecclesiastic limitations on Jews relating particularly to usury and attacks on the Talmud missionizing e g forced sermons and disputations and persecution by the state e g confiscation of properties bodily attacks and expulsions Jews and the Wine Trade in Medieval Europe Haym Soloveitchik,2024-05-03 Although Jews were at the centre of commercial activity in medieval Europe a talmudic ban on any wine touched by a Gentile prevented them from engaging in the lucrative wine trade Wine was consumed in vast quantities in the Middle Ages and the banks of the Rhineland hosted some of the finest vineyards in northern Europe German Jews were until the thirteenth century a merchant class How could they abstain from trading in one of the region s major commodities In time they ruled that it was permissible to accept wine in payment of debt but forbade trading in it and they maintained that ban throughout the Middle Ages Further study in the twelfth century however led Talmudists to discover that Jews were only forbidden to profit from trading in Gentile wine if they dealt with idolaters but that trade with Christians and Muslims was permitted Nevertheless the German community refused to take advantage of this clear licence Using Jewish and Gentile sources this study probes the sources of this powerful taboo In describing the complex ways in which deeply held cultural values affect Jews engagement in the economy of the surrounding society this book also illustrates the law of unintended consequences how the ban on Gentile wine led both to a major Jewish contribution to German viticulture and to the involvement of Jews in moneylending with all its tragic consequences **World Philosophies** Ninian Smart,1999 World Philosophies is a comprehensive survey of the world s philosophical and religious traditions by one of our foremost religious thinkers Ninian Smart discusses notable figures such as Plato and Kierkegaard in the West the Buddha and Mao Zedong in Asia Tempels and Knibanga in Africa and Rodo and Royce in America Covering a wide range of topics including Indian ideas of testimony and evidence Chinese notions of moral development Buddhist concepts of cosmology and Latin American critiques of materialism Smart sheds new light on the astonishing diversity of philosophies that have developed throughout history **Polemical and Exegetical Polarities in Medieval Jewish Cultures** Ehud Krinis,Nabih Bashir,Sara Offenberger,Shalom Sadik,2021-10-25 In his academic career that by now spans six decades Daniel J Lasker distinguished himself by the wide range of his scholarly interests In the field of Jewish theology and philosophy he contributed significantly to the study of Rabbinic as well as Karaite authors In the field of Jewish polemics his studies explore Judeo Arabic and Hebrew texts analyzing them in the context of their Christian and Muslim backgrounds His contributions refer to a wide variety of authors who lived from the 9th century to the 18th century
