**Faith, Theology and Imagination** John McIntyre, 1987 How imagination enriches ethics devotion and Christian theology  
**Explorations in Art, Theology and Imagination** Michael Ridgwell Austin, 2016-04-08 Christianity has repeatedly valued the Word over and above the non verbal arts Art has been seen through the interpretative lens of theology rather than being valued for what it can bring to the discipline Explorations in Art Theology and Imagination argues that art is crucially important to theology The book explores the interconnecting themes of embodiment and incarnation faith and imagination and the similarities and differences between art and theology Arguing for a critique that begins with art and moves to theology Explorations in Art Theology and Imagination offers a radical re evaluation of the role of art in Christian discourse  
*Between the Image and the Word* Professor Trevor Hart, 2013-10-28 The central contention of Christian faith is that in the incarnation the eternal Word or Logos of God himself has taken flesh so becoming for us the image of the invisible God Our humanity itself is lived out in a constant toing and froing between materiality and immateriality Approaching different aspects of two distinct movements between the image and the word in the incarnation and in the dynamics of human existence itself Trevor Hart presents a clearer understanding of each and explores the juxtapositions with the other

Art, Imagination and Christian Hope Gavin Hopps, 2016-12-05 In hope Christian faith reconfigures the shape of what is familiar in order to pattern the contours of God's promised future In this process the present is continuously re shaped by ventures of hopeful and expectant living In art this same poetic interplay between past present and future takes specific concrete forms furnishing vital resources for sustaining an imaginative ecology of hope This volume attends to the contributions that architecture drama literature music and painting can make as artists trace patterns of promise resisting the finality of modernity's despairing visions and generating hopeful living in a present which although marked by sin and death is grasped imaginatively as already pregnant with future  
The Christian Imagination Willie James Jennings, 2010-05-25 Why has Christianity a religion premised upon neighborly love failed in its attempts to heal social divisions In this ambitious and wide ranging work Willie James Jennings delves deep into the late medieval soil in which the modern Christian imagination grew to reveal how Christianity's highly refined process of socialization has inadvertently created and maintained segregated societies A probing study of the cultural fragmentation social spatial and racial that took root in the Western mind this book shows how Christianity has consistently forged Christian nations rather than encouraging genuine communion between disparate groups and individuals Weaving together the stories of Zurara the royal chronicler of Prince Henry the Jesuit theologian Jose de Acosta the famed Anglican Bishop John William Colenso and the former slave writer Olaudah Equiano Jennings narrates a tale of loss forgetfulness and missed opportunities for the transformation of Christian communities Touching on issues of slavery geography Native American history Jewish Christian relations literacy and translation he brilliantly exposes how the loss of land and the supersessionist ideas behind the Christian missionary

movement are both deeply implicated in the invention of race Using his bold creative and courageous critique to imagine a truly cosmopolitan citizenship that transcends geopolitical nationalist ethnic and racial boundaries Jennings charts with great vision new ways of imagining ourselves our communities and the landscapes we inhabit *Faith as Imagination* Gerald J. Bednar,1996-11 LynchOs work on the Platonic analogical imagination as instrument and entry into faith gets the attention it merits Bednar examines LynchOs concepts in detail the interconnectedness of faith and imagination the role of imagination in giving new images to faith the Oironic Christic image O the difference between imagination in drama and fantasy the paradigm shift from scholastic to modern understanding of faith Bednar clears the way for faith as imagination to accommodate conflicting opinions on some significant religious issues **Faith and the Play of Imagination** David J. Bryant,1989 *Teaching and Christian Imagination* David I. Smith,Susan M. Felch,2016-01-15 This book offers an energizing Christian vision for the art of teaching The authors experienced teachers themselves encourage teacher readers to reanimate their work by imagining it differently David Smith and Susan Felch along with Barbara Carvill Kurt Schaefer Timothy Steele and John Witvliet creatively use three metaphors journeys and pilgrimages gardens and wilderness buildings and walls to illuminate a fresh vision of teaching and learning Stretching beyond familiar clich s they infuse these metaphors with rich biblical echoes and theological resonances that will inform and inspire Christian teachers everywhere

**Apologetics and the Christian Imagination** Holly Ordway,2017 Apologetics the defense of the Faith shows why our Christian faith is true but it s much more than that Apologetics isn t just the province of scholars and saints but of ordinary men and women parents teachers lay ministry leaders pastors and everyone who wants to develop a stronger faith to understand why we believe what we believe to know Our Lord better and love him more fully In Apologetics and the Christian Imagination An Integrated Approach to Defending the Faith Holly Ordway shows how an imaginative approach in cooperation with rational arguments is extremely valuable in helping people come to faith in Christ Making a case for the role of imagination in apologetics this book proposes ways to create meaning for Christian language in a culture that no longer understands words like sin or salvation suggests how to discern and address the manipulation of language and shows how metaphor and narrative work in powerful ways to communicate the truth It applies these concepts to specific key apologetics issues including suffering doubt and longing for meaning and beauty Apologetics and the Christian Imagination shows how Christians can harness the power of the imagination to share the Faith in meaningful effective ways **"The Eyes of Your Heart"** Alison Searle,2009-04-01 This book develops a theory of imagining biblically that explores the contributions scripture can make to a new way of thinking about creativity reading interpretation and criticism The methodology employed in order to demonstrate this thesis consists of a theoretical exploration of current theological understandings of the imagination and their implications within the fields of literary studies The biblical texts locates the function generally defined as imagination in the heart the eyes of your heart Ephesians 1 18 This book assesses what the

biblical text as a literary and religious document contributes to the concept of imagination Due to the eclectic nature of the individual books that comprise the scriptural canon the text is considered primarily in terms of its overarching metanarrative language genres and theological propositions Tracing the various trajectories the biblical text opens up and the ways in which they intersect with and modify post Romantic assumptions about the imagination reconfigures traditional definitions of this concept A Calvinistic evangelical hermeneutic is deployed to establish a theoretical concept of what it means to imagine biblically This is further substantiated by a comparative study of authors ranging from the seventeenth to the twentieth centuries John Bunyan Samuel Rutherford Jane Austen Charlotte Bronte and C S Lewis Each author s chapter incorporates a close reading of a key text which concretely examines various trajectories of imagining biblically including creativity faith morals narrative Romanticism and eschatology The conclusion returns to the biblical text and draws these elements together with a definition of the concept of imagining biblically and its implications for literary studies      **Imaginative Apologetics**

The Christ s Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ s faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ s Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God **The Aesthetics of**

**Atheism** Kutter Callaway,Barry Taylor,2019-04-02 To really understand God you have to understand atheism Atheism and Christianity are often placed at polar opposite ends of a spectrum forever in stark conflict with each other In The Aesthetics of Atheism Kutter Callaway and Barry Taylor propose a radical alternative atheism and theism need each other In fact atheism offers profound and necessary theological insights into the heart of Christianity itself To get at these truths Callaway and Taylor dive into the aesthetic dimensions of atheism using everything from Stranger Things to Damien Hirst s controversial sculptures to the music of David Bowie Nick Cave and Leonard Cohen This journey through contemporary culture and its imagination offers readers a deeper understanding of theology culture and how to engage faith in a chaotic and complex world where God is present in the most unexpected place atheism **That Which They Can't See** David Van

Brugge,2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque

characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today     A Different Way Roger Payne,2015-03-27 There is an urgent need for more debate and discussion in our churches because the integrity and credibility of our faith is at risk Our integrity is at risk because it is not clear that we understand what it is that we profess Our credibility is at risk because we seem unable to communicate it We need to engage more actively at the intellectual level and to be willing to examine the fundamentals of our faith more critically And such discussion must start with a human rather than a divine perspective It is as human beings that we are embodied as persons it is as human beings that we engage with the world around us and it is as human beings that we form relationships with the rest of the created order And it is as a human being that that which we understand as God was embodied in the form of Jesus of Nazareth thereby placing humanity at the pinnacle of creation and giving humanity the responsibility for the stewardship of the created order     **The Christian Imagination** Leland Ryken,1981 The essays in this volume writes the editor represent essays that I have found essential to my own thinking about Christianity and the arts He recommends them as the materials from which anyone can build a solid Christian approach to the arts The articles are clustered around these topics a philosophy of the arts literature eight literary forms myth tragedy satire comedy the novel poetry drama film the writer the visual arts and music All contributions offer Christian perspectives on these subjects Back cover
