Faith Beyond Feelings:

Faith Beyond Feelings Jonathan Edwards, 2004-12 Jonathan Edwards classic of faith is firmly rooted in his personal experience of God and his witnessing in the First Great Revival in America

Faith Beyond Feelings Jonathan Edwards, James Macintosh Houston, 2005-01-01 Johnathan Edwards the central figure in New England's first Great Awakening offers a detailed description of the signs false and true of revival while highlighting the role balanced emotions play within the Christian

The Fig Tree Withers: A Lesson on Faith Ahmed Musa, 2024-12-14 In a moment of intense teaching Jesus encounters a fig tree that appears to be healthy but when He approaches it seeking fruit He finds nothing With a simple command May no one ever eat fruit from you again the fig tree withers teaching a profound lesson about faith obedience and the dangers of spiritual barrenness The Fig Tree Withers A Lesson on Faith takes you deep into this moment where Jesus uses the barren tree as a symbol for the hearts of those who appear outwardly religious but lack true faith and fruitfulness In The Fig Tree Withers A Lesson on Faith you will discover The context of the fig tree miracle Jesus having just cleansed the temple curses the fig tree for its lack of fruit despite its healthy appearance The symbolism of the fig tree how it represents the nation of Israel the religious leaders and anyone who outwardly appears to bear the fruit of faith but fails to truly trust and obey God The immediate withering of the tree a dramatic and visual confirmation of Jesus words This miracle seemingly small reveals the severity of spiritual fruitlessness and the consequences of failing to live out genuine faith Jesus subsequent teaching on faith Have faith in God If you have faith and do not doubt you can say to this mountain Go throw yourself into the sea and it will be done for you How faith when rooted in God's power and will can move obstacles and bring about miraculous change The connection between faith and fruitfulness how true faith in God produces fruit both in our lives and in the world around us A lack of fruit signifies a lack of real faith and faith without action is dead The fig tree's withering is not just a simple miracle but a powerful warning to us Jesus was teaching that faith is not merely about outward appearances or rituals it's about genuine trust in God's power purpose and provision Just as the fig tree failed to produce the fruit it was meant to bear so too do we fail when we do not allow our faith to transform us into active fruitful disciples What does the withered fig tree

reveal about the nature of true faith How can we cultivate a faith that bears lasting fruit rather than one that withers when tested The Fig Tree Withers challenges us to examine our own faith Is it alive vibrant and fruitful or is it just an outward show Genuine faith in Jesus leads to a life that produces fruit for His Kingdom Step into The Fig Tree Withers A Lesson on Faith and discover the powerful connection between faith and fruitfulness When our faith is rooted in God we will see it bear fruit that reflects His power and glory in our lives

Faith Beyond Belief Margaret Placentra Johnston,2012-12-13 Faith Beyond Belief gives a much needed voice to the good people who have left their church but whose spirituality continues to mature Johnston uses first person stories as well as known spiritual authorities in describing various stages of religious growth Some of these real life accounts are by nonbelievers others are by those among the growing numbers of the spiritual but not religious All are thoughtful people with too much integrity to live what they consider a lie The stories of the nonbelievers including an ex Catholic a former Mormon and a clandestine Muslim apostate who left his community after the attacks of 9 11 show how complete confidence in human reason can lead away from literal religious interpretation But while that step is a necessary one on the spiritual path it is only intermediate Her second set of stories are of people at the mystic level who can tolerate paradox and see truth and reality as multidimensional Johnston s book will help doubters to see things in a new light as well as those who are struggling to clarify their own spiritual vision It also points beyond the atheist believer controversy wrecking such divisive havoc in our culture today

Living Beyond Your Feelings Joyce Meyer,2011-09-06 The average person has 70 000 thoughts every day and many of those thoughts trigger a corresponding emotion No wonder so many of us often feel like we re controlled by our emotions Our lives would be much improved if we controlled them In LIVING BEYOND YOUR FEELINGS Joyce Meyer examines the gamut of feelings that human beings experience She discusses the way that the brain processes and stores memories and thoughts and then emotion by emotion she explains how we can manage our reactions to those emotions By doing that she gives the reader a toolbox for managing the way we react to the onslaught of feelings that can wreak havoc on our lives In this book Meyer blends the wisdom of the Bible with the latest psychological

research and discusses the 4 personality types and their influence on one's outlook the impact of stress on physical and emotional health the power of memories the influence of words on emotions anger resentment sadness loss grief fear guilt regret the power of replacing reactions with pro actions and the benefits of happiness *Into His Presence* Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters *Into His Presence* is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture **Reading Jonathan Edwards** M.X. Lesser, 2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards's birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards's works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes **How to Catch Feelings for Jesus** Andrew Christopher Uttaro, 2022-11-09 Jesus Christ is a character not unlike Elvis to many of us born into places that have historically been bathed in Christianity Sure maybe he's a decent guy but I don't want to put on the shiny blazers The whole idea of a relationship with Jesus may be quite off putting on the face of it for those of us not keen on throwing our hands up in the air in praise concerts or kneeling and reciting centuries old creeds on a weekly day off The way to a relationship with Jesus that often gets lost in all the preaching is that it's caught not taught As someone who began his relationship with Jesus with a simple I'll give this Jesus thing a try Uttaro still struggles with the awkwardness of it all Sometimes the only way we can get past all the deafening noise of the faith as it exists in our culture is to give ourselves the opportunity to catch feelings instead of endure being taught the same tired anachronisms that orbit that name Jesus In *How to Catch Feelings for Jesus* we will go about a personal step by step journey to such a relationship with Jesus *Either Way, I Win* Lois Walfrid Johnson, A Spirit filled approach to facing difficult times *Saint Elizabeth of The Trinity The Complete Works*, vol. 1 General Introduction - Major Spiritual Writings Revised Edition Elizabeth of the Trinity, 2025-03-22 Saint

Faith beyond Belief David Steindl-Rast,Anselm Grün,2016-03-15 A personal surprising and heart warming book wherein two spiritual masters of our time advance the central questions of life and faith Brother David Steindl Rast and Father Anselm Grün are figures of hope people who by the power of their example can offer an orientation in a world that has become too complex to comprehend The spirituality they radiate is an everyday thing that is nevertheless both profound and vivid Our conversations on which this book is based could be read as a crash course in Christian spirituality This book will be an inspiration and an aid to spiritual life for many people of our time whether they are believers or not Johannes KaupFrom the Introduction

Sailboat Church Joan S. Gray,2014-01-01 Is your church a rowboat church or a sailboat church Rowboat churches depend largely on human effort In a time of often shrinking budgets and membership rowboat churches

frantically row harder against a current often frustrated and disappointed at their efforts Sailboat churches on the other hand take up the oars hoist sails and rely on the Holy Spirit to guide them Arguing that churches should be sailboats author Joan S Gray encourages readers to shift concern from the many daily practical concerns of their local church to consider how new directions might be found by allowing the Holy Spirit to provide fresh ideas The book includes four days of sailing prayers quotes from Scripture brief reflection questions and an extensive bibliography that is arranged by theme Perfect for groups to read together this book will help leaders reframe their church's mission and practice with the Holy Spirit as their guide

Faith as Life in the Spirit Aaron Gabriel Ross, 2025-06-26 This incisive work shows that faith does not need to be understood as what one believes does or feels when faith is understood as being in Christ by being in the Spirit The way in which Christians and Christian theology at least in Western traditions including the family of Pentecostals and renewal movements engages with the idea of faith has a problem faith is often defined as what people must do whether that is to believe in a list of doctrines to do good works or to love properly in order for God to respond with forgiveness and salvation However this work takes a new approach with a pneumatological trajectory in constructing a theology of faith understood as life in the Spirit overcoming a stalemated discussion on faith as belief versus works As such faith is being in Christ by being in the Spirit is the theological recognition that faith is first relationality to the Spirit by which a person is invited into life with Christ and the triune God Faith is not what one does beliefs works affections but rather what one is in relationality with the Spirit Beliefs works and affections are best understood as those things that are the outward expressions of the relationality rather than that which brings one into relationality with God

Objects Beyond Feeling Creighton Wright Don, 2001

Women, Religion, and Emotions in Modern Germany and Beyond Lisa Fetheringill Zwicker, Martina Cucchiara, 2025 Analyzes the role of emotions in the religious lives of women from across Germany and Europe from the nineteenth century to the 1970s Scholarship on women and religion has focused primarily on the intersection between women's religious engagement and their emancipation This volume goes beyond that to examine the vital role religion has played in the private and public lives of German and European women Because emotions are central to the expression of religiosity it draws on approaches from the history of emotions to examine how women understood felt and practiced religion in their search for meaning Spanning from the nineteenth century to the 1970s the volume's essays show how religion helped women make sense of their lives It also illuminates the degree to which women used religion and its attendant emotional scripts to shape modern society and how religious discourses in turn shaped women's emotions and comportment in the public sphere The volume builds on recent research that shows that religion especially the religiosity of women remained a pressing public concern in modern Europe From anxieties over the religiosity of Bavarian servants to restrictive norms imposed on Jewish widows from the interfaith commitments of kindergarten teachers to the autobiographical narratives of aspiring Protestant deaconesses from the suffering of stigmatics in Germany and Belgium to Irish women's public narratives

of their religiosity this book reveals how women's faith and attendant religious emotions have been central to their public and private lives
