Faith First Liturgy And Morality:

Faith First Liturgy & Morality, 2000 **Faith First Liturgy & Morality**, 2000 **Faith First** Resources for Christian Living, 2001 *Christology and Global Ethics* Martins, Alexandre A., 2023 This book offers a Christological account developed among the poor in Latin America and their experience of a God incarnated in history It places two realities together the academia where faith is object of studies and the grassroots community where faith is embodied The author introduces the reader to a contemporary Christological discussion from a Latin American liberating perspective with three essential characteristics first it is a Christology created from the reality of the poor and marginalized and at the same time oriented toward this reality as a pastoral resource Second its method goes beyond the polarization Christology from below and Christology from above Third it is a Christological essay that has a biblical text at its center Lk 4 16 30 as a starting point from where important theological disciplines are stressed such as systematic theology moral theology and liturgy In this way this book presents to the readers how different areas of theology are related and form a unity around the mystery of Christ and the faith experience of a Christian community Therefore it is an excellent book to initiate people in theological studies and method that can be used in theological classes in colleges schools and Catholic communities **Moral Leadership in the Church: a Normative Approach** Bishop Felix Clarence Orji, 2013-05-15 In a time of confusion uncertainty debate and division regarding what constitutes right moral behaviour the subject of responsible moral leadership in the church takes on fresh urgency But at this critical time of need for moral leadership too many clergy simply mirror the uncertainty or abnegate the responsibility This book addresses this anomaly specifically by proposing a normative model for moral leadership in the local church Pastors and leaders of all Christians traditions will find this book very informative and useful The book begins with an overview of the historical theological and biblical bases for Christian leadership and more particularly what the moral dimension of such leadership means Various Christian traditions are surveyed for insights into the character vision and tasks of moral leadership including the authoritative sources for ethical reflection and moral guidance Since Dr Felix Orji is a Bishop in the Anglican Communion he includes a chapter on that tradition to give a sense of the ecclesiastical ethos in which presbyters must exercise such leadership This is followed by a clear examination of Scripture in regard to what it tells us about moral leadership This book ends with a detailed normative model for moral leadership in the church and a leadership training resource specifically designed for such leadership *Dictionary of Scripture and Ethics* Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics **Journal of Moral Theology, Volume 4, Number 1** James F. The Morally Divided Body Michael Root, James J. Buckley, 2012-09-01 At the same time as Catholic and evangelical Christians have increasingly come to agree on issues that divided them during the sixteenth century reformation they seem increasingly to disagree on issues of contemporary morality and ethics Do such arguments doom the prospects for realistic full communion between Catholics and evangelicals Or are such disagreements a new opportunity for Catholics and evangelicals to convert together to the triune God's word and work on the communion of saints for the world Or should our hope be different than simple pessimism or optimism In this volume eight authors address different aspects of these questions hoping to move Christians a small step further toward the visible unity of the church

The Aesthetics of Discipleship Adrian Coates, 2021-09-30 Discipleship is embodied Formation in the Christian life is not an otherworldly exercise but one that plays out in this world interwoven with everyday sensory experience in ordinary life The Aesthetics of Discipleship explores this dynamic through Kierkegaard's framing of aesthetic existence the sensory experience of being in the moment further developed by Bonhoeffer as operating within a realm of freedom encompassing not only art but play friendship and cultural formation In addition to Kierkegaard and Bonhoeffer the work of Iain McGilchrist Graham Ward and Nicholas Wolterstorff is employed to offer a fresh perspective on discipleship from below Everyday sensory experiences are integral not only to being human but to the practice of discipleship such that discipleship integrates aesthetic ethical and religious existence Aesthetic existence unhinged from a life of faith or fueled by distorted Christendom creates and sustains aestheticized pseudorealities centered on the self Mature aesthetic existence however anchored in love for God plays a fundamental role in the Christian life both as the incarnational celebration of being fully human and also through the preconscious formation of imaginaries by which we live

Authentic Liturgical Renewal in Contemporary Perspective Uwe Michael Lang, 2017-07-27 The ongoing debates on the present state and the future of the Roman Catholic worship are not confined to specialists but are clearly of interest to a wider public as the responses to the Sacra Liturgia UK conference held in London in July 2016 have shown This volume contains the proceedings of the conference and raises the question of how to bring to fruition the insights and instructions of the Second Vatican Council and its key document on the liturgy Sacrosanctum Concilium in the life of the Church today The initial contribution from Robert Cardinal Sarah Prefect of the Congregation for Divine Worship and the Sacraments calls for a fuller implementation of Sacrosanctum Concilium Following on from this other leading figures and liturgical scholars such as Joris Geldhof David Fagerberg and Alcuin Reid examine Catholic worship from a variety of perspectives including historical pastoral social cultural and artistic themes Taken together these chapters present another crucial step along the route of

authentic liturgical renewal in the contemporary world **Christian Ethics of Creation** Michael Rosenberger, 2022-11-04

Wenn die gewaltigen ökologischen Herausforderungen der Gegenwart bewältigt werden sollen, braucht es klare ethische Orientierungen und tiefe Quellen innerer Kraft. Der Autor reflektiert die Potenziale der christlichen Tradition für eine Ethik und Spiritualität der Schöpfung. Dafür greift er auf biblische und liturgische Impulse ebenso zurück wie auf die Enzyklika *Laudato si* von Papst Franziskus und setzt sie mit naturwissenschaftlichen, soziologischen und ökonomischen Überlegungen in Beziehung. Auf dieser Grundlage entwickelt es eine Handlungs- und Hoffnungsperspektive, die durch Schwierigkeiten und Enttäuschungen hindurch tragfähig ist. **Christ's Church & World Religions Textbook** Sophia Institute for Teachers, *The Sensus Fidelium and Moral Theology* Charles E. Curran, Lisa Fullam, 2017

Presents points of view on the *sensus fidelium* from a wide range of theologians and pastors and makes an outstanding contribution by widening its application to ethical and not only doctrinal issues.
