The Pangs Of Love Jane Gardam, 2012-03-01 With her customary accuracy Jane Gardam reveals the extraordinariness of ordinary people as she deals with the pangs of love fulfilled or hopeless sexual or spiritual tortured or hilarious in these eleven stories Paraded here are ladies with a thing about vicars strange events happening in ornate downstairs lavatories and in ornate upstairs ones and the English abroad desperate and dotty The glum and impossible Edna haunts the supermarket and dispenses an unlikely kiss of life The younger sister of Hans Christian Andersen's *Little Mermaid* declares her sibling very silly and turns her story on its tail an old maid forms a curious liaison with a tramp and small moments of temptation fill hotel rooms as histories glance briefly off each other

[God On The Rocks](#) Jane Gardam, 2023-06-29 A meticulously observed modern classic Independent During one

glorious summer between the wars the realities of life and the sexual ritual dance of the adult world creep into the life of young Margaret Marsh Her father preaching the doctrine of the unsavoury Primal Saints her mother bitterly nostalgic for what might have been Charles and Binkie anchored in the past and a game of words dying Mrs Frayling and Lydia the maid given to the vulgar enjoyment of life all contribute to Margaret's shattering moment of truth And when the storm breaks it is not only God who is on the rocks as the summer hurtles towards drama tragedy and a touch of farce Tantalising funny sharp Daily Telegraph So charming a novel that you don't want to give away a single one of the many twists of its plot New York Times Jane Gardam has a spectacular gift Times Literary Supplement Exact piquant and comical Observer A Conspiracy of Love, Second Edition Kurt Struckmeyer, 2024-12-10 Before there were worshipers of Jesus there were followers of Jesus Before there were organized churches with creeds and doctrines there were small communities of love equality and sharing dedicated to the practice of Jesus teachings and committed to a wholly new way of living Today the churches of the Global North are in decline and younger generations no longer seek meaning there Traditional church Christianity is gradually giving way to some new way of faithful living From a Nazi prison cell German pastor Dietrich Bonhoeffer imagined a future religionless Christianity consisting of contemplative prayer and righteous action in the secular world A Conspiracy of Love presents the contours of such a faith based on the Way of Jesus It calls us to become troublemakers revolutionaries seekers of change and agents of transformation engaged in conspiracies of love to establish justice and peace in our postmodern world It offers many different people those who remain in the church those who have left and those who have never ventured near with a life of faith that is meaningful intelligent and passionate
