## **Faith Of Our Fathers A Study Of Irish Nationalism:**

**Faith of Our Fathers** Richard C. Allen, Joan Allen, 2009-03-26 The study of popular culture has been an abiding preoccupation of historians and other academics not just in the British Isles but elsewhere too This volume of essays explores the manifestations of popular culture and belief in England Ireland and Wales from the Reformation onwards As an interdisciplinary collection it brings together specialists in English Literature History Celtic and Religious Studies It offers new insights thematically via a selection of diverse contributions The nexus between religion and popular culture links the contributions together while the geographical spread of the topic facilitates a dynamic comparative methodology What emerges from these explorations of rites of passage festivals revivalism print culture and gender is the remarkable resilience of popular culture and the extent to which all levels of society were prepared to compromise Fathers and Sons at the Abbey Theatre (1904-1938) Fabio Luppi, 2018-03-15 Fathers and Sons at the Abbey Theatre demonstrates how the literary archetype of the clash between fathers and sons and the subsequent depiction of anti oedipal figures become a major concern for the playwrights writing in a specific and crucial moment of Irish history 1904 1938 The father can be conceived both as a historical political metaphor as well as a real father in a specific historical and social context The classical models employed as theoretical tools to nuance the argument Laius and Oedipus Ulysses and Telemachus Aeneas and Anchises Priam and Hector Hector and Astyanax are challenged by the Christian example of Abraham and Isaac subversively adjusted by Yeats to provide a tragic reading of post colonial Ireland All of these pairings provide archetypes for the understanding of complex personal and familial dynamics The book takes into consideration not only the most famous figures of the Irish National Theatre as W B Yeats J M Synge Augusta Gregory and Sean O Casey but also overlooked authors such as T C Murray Padraic Colum Paul Vincent Carroll Lennox Robinson Denis Johnston George Shiels St John Ervine Teresa Deevy Many commentators have written about the playwrights of the Abbey Theatre mainly focusing on politics social classes Irish identity cultural issues and linguistic aspects no thorough analysis of the clash between generations has been published so far Those who have tackled the issue have devoted their attention to a single author or to a single aspect this study aims to demonstrate that the repeated occurrence of anti oedipal figures and of the archetype of the clash between fathers and sons a clear manifestation of the need of emancipation from oppressive authorities and of change in Irish society must be read as a common phenomenon and as a shared concern The book is written for people interested in Irish studies post colonial studies and theatre studies *The Lost Revolution* Brian Hanley, Scott Millar, 2009-09-03 The story of contemporary Ireland is inseparable from the story of the official republican movement a story told here for the first time from the clash between Catholic nationalist and socialist republicanism in the 1960s and 70s through the Workers Party s eventual rejection of irredentism A roll call of influential personalities in the fields of politics trade unionism and media many still operating at the highest levels of Irish public life passed through the ranks of this secretive movement which never achieved its objectives but

*Charles Stewart Parnell and His Times* N. C. Fleming, Alan O'Day, 2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in *The Times* and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the *Nation* Parnell has been the subject of court cases parliamentary enquiries and debates journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell s writing Parnell s speeches in the House of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in

Biletz,2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of *Historical Dictionary of Ireland* is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland      A Man who Does Not Exist Deborah Fleming,1995 A unique perspective on Yeats's and Synge's contributions to the literature of revolutionary Ireland      *The Dynamics of Conflict in Northern Ireland* Joseph Ruane,Jennifer Todd,1996-11-13 This book offers a uniquely comprehensive account of the conflict in Northern Ireland providing a rigorous analysis of its dynamics and present structure and proposing a new approach to its resolution It deals with historical process communal relations ideology politics economics and culture and with the wider British Irish and international contexts It reveals at once the enormous complexity of the conflict and shows how it is generated by a particular system of relationships which can be precisely and clearly described The book proposes an emancipatory approach to the resolution of the conflict conceived as the dismantling of this system of relationships Although radical this approach is already implicit in the converging understandings of the British and Irish governments of the causes of conflict The authors argue that only much more determined pursuit of an emancipatory approach will allow an agreed political settlement to emerge
