Satan's Strategy to Curse Christ's Congregation Keith A. Sherlin, 2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has

presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem *Changing Stories* Jairo de Oliveira,2020-10-21 Our world is facing an enormous and unprecedented challenge The migration crisis affects nearly eighty million people and represents a humanitarian catastrophe How can we ignore the suffering of men women and children who are forcibly displaced worldwide The book *Changing Stories* helps the reader to reflect on the migration crisis from a biblical perspective It evaluates refugee ministry ongoing initiatives among the world s most vulnerable people Additionally it analyzes the refugee ministry that the Arsenal Hill Presbyterian Church is developing with refugees from Syria Iraq the Congo and Vietnam The analysis uses as a framework the Best Practices for Christian Ministry among Forcibly Displaced People document proposed by the Refugee Highway Partnership RHP Throughout the book the author answers the following questions How complex is the current migration crisis What does the Scripture say about displaced people What are some of the available tools for a refugee ministry How does a refugee ministry look in a local church What are some of the best practices for a refugee ministry The book tells many stories of refugees from different backgrounds which will help you hear voices representing hundreds of thousands of refugees who go unheard **Every Day with Jesus** Worthy Books,2011-09-27 Daily inspiration from the greatest Christian writers of all time in a beautifully designed insightful one year devotional Each one page 150 word devotional references a memorable quote from a famous song lyrics followed by a thoughtful exposition Each day also includes a Bible verse and seed prayer This attractive book will challenge motivate and stir readers hearts and encourage them in their daily walk with God *America's Preacher and His Message* Timo Pokki,1999 Although the popular literature concerned with Billy Graham as an evangelical icon is vast there have been few serious academic considerations of his religious views In *America's Preacher and His Message* Timo Pokki provides the most extensive systematic analysis to date on Graham s theology paying particular attention to views surrounding conversion and sanctification The study not only provides a detailed analysis of Graham s thoughts on these topics but also investigates the impact of Calvinism and Arminianism on revivalism and evangelicalism in general By His Stripes We Are Healed Wayne Glenn Terry,2012-09-24 The author knows well of the Power above all Powers the Strength and Love above all Loves Indeed he knows we have a Lord of Lords an Alpha and Omega that always was is and forever shall be Wayne relays if there were anything he would desire for readers of this work it would be that each one facing the maladies of life could be restored as God is doing for Wayne He also

sends along the knowledge he is yet as Paul stated long ago and realizes My sinful self my only shame Things he would recommend to others are these never give up Pray and praise dance and sing for this is what a Christian s future holds Agape love

Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen,2011 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter s faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter s struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day
