Religious Education, 1929 Available on microfilm from University Microfilms **Cash Cropping, Catholicism and Change** Olga Gostin, Australian National University. National Centre for Development Studies, 1986 **Faith Or Fact ...** Henry Morehouse Taber, 1897 *An Introduction to the Principles of Religious Education* Earle Edward Emme, Paul Raymond Stevick, 1926 Copy in Mahi M reikura on loan from the whanau of Maharaia Winiata Some text underlined and annotated in pencil **Religious Environmental Activism** Jens Köhrsen, Julia Blanc, Fabian Huber, 2022-12-20 This volume explores how religious and spiritual actors engage for environmental protection and fight against climate change Climate change and sustainability are increasingly prominent topics among religious and spiritual groups Different faith traditions have developed green theologies launched environmental protection projects and issued public statements on climate change Against this background academic scholarship has raised optimistic claims about the strong potentials of religions to address environmental challenges Taking a critical stance with regard to these claims the chapters in this volume show that religious environmentalism is an embattled terrain Tensions are an inherent part of religious environmentalism These do not necessarily manifest themselves in open clashes between different parties but in different actions views theologies ambivalences misunderstandings and sometimes mistrust Keeping below the surface these tensions can create effective barriers for religious environmentalism The chapters examine how tensions are manifested and dealt with through a range of empirical case studies in various world regions Covering different religious and spiritual traditions they reflect on intradenominational interdenominational interreligious and religious societal tensions Thereby this volume sheds new light on the problems that religions face when they seek to take an active role in today s societal challenges The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *Wild Faith* Talia Lavin, 2024-10-15 The Christian right has been threatening American plurality for decades and its influence is on the rise In Wild Faith Talia Lavin thoroughly chronicles how this reactionary force is spreading through the US political system and sounds a clear alarm Christian nationalism is a growing danger to democracy To fully understand the peril at hand you must read this book which is both an investigative triumph and a warning David Corn author of 1 New York Times bestseller Russian Roulette and American Psychosis An investigation into the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy All across America a storm is gathering from book bans in school libraries to anti trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won t stop until it s refashioned America in its own image In Wild Faith critically acclaimed

author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti abortion terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In *Wild Faith* Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens

Religious Commitment and Secular Reason Robert Audi,2000-03-13 Many religious people are alarmed about features of the current age violence in the media a pervasive hedonism a marginalization of religion and widespread abortion These concerns influence politics but just as there should be a separation between church and state so should there be a balance between religious commitments and secular arguments calling for social reforms Robert Audi offers a principle of secular rationale which does not exclude religious grounds for action but which rules out restricting freedom except on grounds that any rational citizen would accept The book describes the essential commitments of free democracy explains how religious and secular moral considerations can be integrated to facilitate co operation in a world of religious pluralism and proposes ideals of civic virtue that express the mutual respect on which democracy depends Audi offers a balanced and sophisticated treatment of the relations between religion and politics in a modern secular society

The Varieties of Religious Experience William James,1920 **Prolegomena to a Philosophy of Religion** J. L. Schellenberg,2005 The first volume of trilogy of books providing a bold original and systematic treatment of foundational issues in philosophy of religion *Work, Family and Religion in Contemporary Society* Nancy Tatom Ammerman,Wade Clark Roof,2014-02-04 Until recently religious institutions have been organized to suit the traditional American family where the wife stayed at home caring for children Today churches and synagogues are beginning to adapt to the reality of the American family dual career marriages high levels of divorce interfaith marriages partnerships that may not be marriages Religious organizations must serve families that don t fall into the Ozzie and Harriet mold The first group of papers in this edited volume documents changing trends in the connection between religion work and the family In the second part of the book we see how changing families and flexible congregations are experimenting with new forms of religious life [The Unitarian Review and Religious Magazine](#) ,1886 **The varieties of religious experience. Gifford lects., 1901-1902** William James,1902 **Of Little Faith** Amy E. Black,2004-04-21 George W Bush had planned to swear his oath of office with his hand on the Masonic Bible used by both his father and George Washington however due to the inclement weather a family

Bible was substituted Almost immediately on taking office President Bush made passage of faith based initiatives the government funding of religious charitable groups a legislative priority However inclement weather storm tossed his hopes for faith based initiatives as well What happened Why did these initiatives which began with such vigor and support from a popular president fail And what does this say about the future role of religious faith in American public life Amy Black Douglas Koopman and David Ryden all prominent political scientists utilize a framework that takes the issue through all three branches of government and analyzes it through three very specific lenses a public policy lens a political party lens and a lens of religion in the public square Drawing on dozens of interviews with key figures in Washington the authors tell a compelling story revealing the evolution of the Bush faith based strategy from his campaign for the presidency through congressional votes to the present They show how political rhetoric infighting and poor communication shipwrecked Bush's efforts to fundamentally alter the way government might conduct social services The authors demonstrate the lessons learned and propose a more fruitful effective way to go about such initiatives in the future *The Islamic Review*, 1921

Religious Pamphlets, 1915 **The Philosophy of Religion** Harald Høffding, 1914 *The Scotch Education Bill. Religious Instruction in Day Schools. Full Report of the Public Meeting Held in the City Hall, Glasgow, on ... 20th December, 1871, Etc* City Hall (GLASGOW), 1872 *Critical Issues in American Religious History* Robert R. Mathisen, 2006 Americans as a religious people experience both tension and indecision as they wrestle with a variety of critical issues every day American society continually struggles with its religious past The primary and secondary materials included in this volume track religious America's efforts to articulate its identity and destiny and implement its religious creeds and ideals in an ever changing society **Religious Dissent in the Roman Empire** Vasily Rudich, 2015-03-24 Religious Dissent in the Roman Empire is the third installment in Vasily Rudich's trilogy on the psychology of discontent in the Roman Empire at the time of Nero Unlike his earlier books it deals not with political dissidence but with religious dissent especially in its violent form Against the broad background of Second Temple Judaism and Judaea's history under Rome's rule Rudich discusses various manifestations of religious dissent as distinct from the mainstream beliefs and directed against both the foreign occupier and the priestly establishment This book offers the methodological framework for the analysis of the religious dissent mindset which it considers a recurrent historical phenomenon that may play a major role in different periods and cultures In this respect its findings are also relevant to the rise of religious violence in the world today and provide further insights into its persistent motives and paradigms Religious Dissent in the Roman Empire is an important study for people interested in Roman and Jewish history religious psychology and religious extremism cultural interaction and the roots of violence
