The Hawk's Lady Colleen Shannon, 1989 *Serendipity* James Steel Tomes, 2015-01-24 This book *Serendipity* is the story of the author's forty five year long genealogical search that ultimately reunited the long separated family of Tomes ancestors and cousins and the story of his wife's ancestors and family The search also enabled the author to find and collect the many 19th century books and magazine articles written by his great grandfather Dr Robert Tomes and also a treasure trove of Robert's and his great great grandfather Francis's unpublished journals letters and memoirs Most of these manuscripts have been restored transcribed and published privately and are now in the special collections of the Newberry Library in Chicago The search also enabled the restoration of the ancestral Schaeffer dairy farm and cemetery in Pennsylvania The search is called Serendipitous because of the repeated accidental good fortune that propelled the search forward albeit after many long interruptions While the author's results were unusually successful many other amateur genealogists have had similar experiences The main lesson of this search for other amateur genealogists is to follow up every lead and never give up Some serendipitous will probably happen to keep the search alive The book contains a number of short biographical sketches of the author's and his wife's ancestors and current family members The author's direct ancestor Francis Tomes came to America in 1815 Collateral Tomes ancestors started coming to America in the late 1600's The author's wife is 100% Pennsylvania Dutch meaning Deutsch German speaking from the southern Rhine valley now Alsace in France and the Palatinate now north of Strasbourg in Germany and western Switzerland Her Schumacheree ancestor was with the Mennonite group led by Pastorius who settled Germantown near Philadelphia in 1683 The others soon followed in the 1700's settling what was then the wilderness of western Pennsylvania These family stories are not the epic sagas of famous people but they are the true and often heroic stories of the lives of extended families of real ordinary people Most of them emigrated to America beginning in its early days took great risks and worked hard to live good lives and mostly succeeded Such stories are shared by many American families They crossed the Atlantic from England Scotland and the Rhineland to Virginia Pennsylvania and New York on small dangerous disease prone sailing ships Some worked off their contracts of servitude and homesteaded frontier farms others started businesses and travelled throughout frontier America on horseback stagecoach wagons and riverboats They and their children fought as Yankees in the Revolutionary War and on both the Union and Confederate sides of the Civil War Later on others served in World War I and II the Korean War and Vietnam They became farmers soldiers businessmen and women doctors writers artists lawyers teachers and ministers It is in short a very personal history of America *King Arthur Premium Collection: 10 Books of Legends & The History Behind The King of Camelot* Howard Pyle, Richard Morris, James Knowles, T. The Age of Chivalry Thomas Bulfinch, 2019-11-21 In *The Age of Chivalry*, Thomas Bulfinch presents a compelling exploration of the medieval romantic tradition, intertwining the legendary tales of knights, quests, and mythical figures into a cohesive narrative. Bulfinch's work, rich in its poetic articulation and vivid imagery, serves as both an anthology and a retelling of classic chivalric stories. With a keen eye for detail and a commendable balance of prose and poetic forms, the text illuminates the cultural ideals that defined the chivalric age while situating these tales within the broader context of European history. Bulfinch's literary style reflects the Romantic era's fascination with myth and legend, presenting these narratives not merely as stories but as cultural artifacts that speak to the values and aspirations of a bygone age. Thomas Bulfinch (1796-1867) was an American banker and author whose interest in mythology and folklore was deeply rooted in the intellectual currents of his time, particularly those celebrating the Renaissance revival of classical literature. His background in the humanities combined with a passion for storytelling led him to curate these ancient legends for contemporary readers, making them accessible and engaging. Bulfinch's scholarly approach and meticulous research offered a bridge between past and present, allowing readers to appreciate the enduring significance of chivalric ideals. For readers fascinated by the rich tapestry of medieval lore, *The Age of Chivalry* is an indispensable resource. Bulfinch's artful storytelling not only entertains but also educates, revealing the moral lessons and societal norms embedded in these legendary narratives. [The Mabinogion \(Complete\)](#) Various Authors, 2020-09-28 King Arthur was at Caerlleon upon Usk and one day he sat in his chamber and with him were Owain the son of Urien and Kynon the son

of Clydno and Kai the son of Kyner and Gwenhwyvar and her handmaidens at needlework by the window And if it should be said that there was a porter at Arthur s palace there was none Glewlwyd Gavaelvawr was there acting as porter to welcome guests and strangers and to receive them with honour and to inform them of the manners and customs of the Court and to direct those who came to the Hall or to the presence chamber and those who came to take up their lodging In the centre of the chamber King Arthur sat upon a seat of green rushes over which was spread a covering of flame coloured satin and a cushion of red satin was under his elbow Then Arthur spoke If I thought you would not disparage me said he I would sleep while I wait for my repast and you can entertain one another with relating tales and can obtain a flagon of mead and some meat from Kai And the King went to sleep And Kynon the son of Clydno asked Kai for that which Arthur had promised them I too will have the good tale which he promised to me said Kai Nay answered Kynon fairer will it be for thee to fulfill Arthur s behest in the first place and then we will tell thee the best tale that we know So Kai went to the kitchen and to the mead cellar and returned bearing a flagon of mead and a golden goblet and a handful of skewers upon which were broiled collops of meat Then they ate the collops and began to drink the mead Now said Kai it is time for you to give me my story Kynon said Owain do thou pay to Kai the tale that is his due Truly said Kynon thou are older and art a better teller of tales and hast seen more marvellous things than I do thou therefore pay Kai his tale Begin thyself quoth Owain with the best that thou knowest I will do so answered Kynon I was the only son of my mother and father and I was exceedingly aspiring and my daring was very great I thought there was no enterprise in the world too mighty for me and after I had achieved all the adventures that were in my own country I equipped myself and set forth to journey through deserts and distant regions And at length it chanced that I came to the fairest valley in the world wherein were trees of equal growth and a river ran through the valley and a path was by the side of the river And I followed the path until mid day and continued my journey along the remainder of the valley until the evening and at the extremity of a plain I came to a large and lustrous Castle at the foot of which was a torrent And I approached the Castle and there I beheld two youths with yellow curling hair each with a frontlet of gold upon his head and clad in a garment of yellow satin and they had gold clasps upon their insteps In the hand of each of them was an ivory bow strung with the sinews of the stag and their arrows had shafts of the bone of the whale and were winged with peacock s feathers the shafts also had golden heads And they had daggers with blades of gold and with hilts of the bone of the whale And they were shooting their daggers And a little way from them I saw a man in the prime of life with his beard newly shorn clad in a robe and a mantle of yellow satin and round the top of his mantle was a band of gold lace On his feet were shoes of variegated leather fastened by two bosses of gold When I saw him I went towards him and saluted him and such was his courtesy that he no sooner received my greeting than he returned it And he went with me towards the Castle Now there were no dwellers in the Castle except those who were in one hall And there I saw four and twenty damsels embroidering satin at a window And this I tell thee Kai that the least fair of them was fairer than the fairest maid thou hast

ever beheld in the Island of Britain and the least lovely of them was more lovely than Gwenhwyvar the wife of Arthur when she has appeared loveliest at the Offering on the day of the Nativity or at the feast of Easter They rose up at my coming and six of them took my horse and divested me of my armour and six others took my arms and washed them in a vessel until they were perfectly bright And the third six spread cloths upon the tables and prepared meat And the fourth six took off my soiled garments and placed others upon me namely an under vest and a doublet of fine linen and a robe and a surcoat and a mantle of yellow satin with a broad gold band upon the mantle And they placed cushions both beneath and around me with coverings of red linen and I sat down Now the six maidens who had taken my horse unharnessed him as well as if they had been the best squires in the Island of Britain Then behold they brought bowls of silver wherein was water to wash and towels of linen some green and some white and I washed And in a little while the man sat down to the table And I sat next to him and below me sat all the maidens except those who waited on us And the table was of silver and the cloths upon the table were of linen and no vessel was served upon the table that was not either of gold or of silver or of buffalo horn And our meat was brought to us And verily Kai I saw there every sort of meat and every sort of liquor that I have ever seen elsewhere but the meat and the liquor were better served there than I have ever seen them in any other place **The Mabinogion** ,1906 *The Mabinogion* Mabinogion,1906 **The Mabinogion** C.
