Haydn His Life And Times:

Haydn Neil Butterworth,1983 Haydn was born in humble circumstances in 1732 In this fascinating biography the author traces the rise of the composer from his early years to his death in Vienna in 1809 The mood and atmosphere of the period are re created by the use of contemporary reports recollections of fellow musicians and Haydn s own letters and diaries Illustrated with paintings and engravings of the time *Haydn* James Hadden,2005-12-01 In London he was as we have seen something of a lion but it is doubtful if he enjoyed the conventional diversions of the beau monde Yet he liked the company of ladies especially when they were personally attractive That he was never at a loss for a compliment may perhaps be taken as explaining his frequent conquests for as he frankly said himself the pretty women were at anyrate not tempted by my beauty from Haydn The Man This 1902 biography of the 18th century Austrian composer is highly informative focusing not only on the tranquil career of Franz Joseph Haydn but his private life too his long sane sound and on the whole fortunate existence Hadden finds the drama inherent in Haydn s life in his European travels and hobnobbing with royalty making this a vastly entertaining work The useful appendices include a catalog of Haydn s works a selection of his personal correspondence and his last will and testament Scottish writer and musician JAMES CUTHBERT HADDEN 1816 1914 also wrote biographies of Chopin Handel and Mendelssohn *Haydn* Neil Butterworth,1978 The Biography Book Daniel S. Haydn Karl Geiringer, 1982 This definitive study of the life and works of Joseph Haydn represents half a century of research As a curator of the Gesellschaft der Musikfreunde in Vienna Dr Geiringer was in charge of one of the world's leading Haydn collections His scholarly investigations took him to various monasteries to libraries in Eisenstadt Prague Berlin Paris London and Washington D C and as a guest of the Hungarian government to the previously almost inaccessible archives of the Princes of Esterhazy in Budapest In the past decade Haydn studies have progressed enormously A thematic catalog is now available and a substantial part of Haydn's vast creative output is accessible in critically revised editions The new edition of *Haydn: A Creative Life in Music* has been substantially rewritten to incorporate the results of recent research and to remove the tarnish that had assimilated on the picture of Haydn in the earlier years **Appleton's Cyclopedia of Biography** Francis Lister Hawks, 1869 **The British Cyclopedia of Biography: Containing the Lives of**
