Hayleys Heart:

Hayley's Heart Elizabeth Graham, 1999-04-29 When runaway bond servant Hayley Armstrong crosses paths with handsome Conn Merritt she is in desperate need of a stranger's protection. Afraid to reveal her true plight for fear she will be returned to her wicked master, Hayley convinces the dashing Conn that she is a poor homeless orphan. But when he takes her back to his plantation, Hayley is unable to resist the charms of her noble rescuer and discovers perilous passion and love.

Hayley Okines - A Life to Celebrate Hayley Okines, 2015-08-20 Hayley Okines was just like any other teenager: she loved clothes shopping and boy bands and hated getting up in the morning. But she had progeria, which meant she aged eight times faster than normal, giving her the body of a 126-year-old. Her positive attitude and infectious smile charmed millions of people through her Extraordinary People TV documentaries. At the age of seventeen in April 2015, Hayley tragically lost her battle to be the longest survivor of progeria, succumbing to pneumonia in the arms of her mother. This book tells Hayley's story in her own words, continuing from the bestselling *Old Before My Time*. She reflects on the pains and perks of growing up with progeria, from the heartbreak of being told she will never walk again to the delight of passing her exams and starting college. Hayley considers mood swings, marriage, music, and what it's like to be famous, and is heartbreakingly positive about a future that wasn't to be.

The Gift of Mother's Heart Alice Lockmiller, 2014-03-18 Stop and spend a while in North Texas in 1886. Join sixteen-year-old Hayley Anderson and her family in the city of Dallas. The city began as an upstart town for farm families, merchants, and former slaves on the edge of the great frontier. It became a city of promise. On an important day in her life, Hayley is given Mother's precious golden necklace. As she overcomes obstacles and pursues her dreams, her fingers clutch the necklace, and her actions seek to follow the genuine gift of Mother's heart.

The Summer Nanny Holly Chamberlin, 2018-06-26 The bestselling author of *The Beach Quilt* sets a tale of friendship, family, and newfound love against the beautiful backdrop of coastal Maine. Every June, the quiet beach town of Ogunquit is overtaken by wealthy families who hire local young women like Amy Latimer and Hayley Franklin to care for their children. Best friends since childhood, Amy and Hayley are eager to secure lucrative summer jobs to finance their future hopes and dreams. Amy is immediately in thrall to her dynamic boss, Cressida Prior, so different from Amy's mother, Leda. Though skilled at creating tapestries and rugs, Leda lacks confidence. But one thing she does know, after a painful summer long ago as a nanny herself, is how damaging a manipulative boss can be. Hayley's employers, Jon and Marisa Whitby, are loving parents to their two-year-old twins. Jon also has a grown son by a previous marriage. Ethan is kind, handsome, and not least, wealthy. For the first time, Hayley usually so selfless, can't help seeing him as an opportunity. But the passing weeks bring complications and revelations, altering friendships, testing the bond between mothers and daughters, and proving that the ripples from a single season can last forever. Praise for the novels of Holly Chamberlin: There is sure to be much clamor for this latest beach read. Recommend it to fans of Claire Cook and Elin Hilderbrand. Booklist on Home for the Summer: Chamberlin's latest is a great summer read, but

with substance It will find a wide audience in its exploration of sisterhood family and loss Library Journal on Summer with My Sisters *Moonlight Mirage (A Sexy, Beach Romance Novella)* Sami Lee,2017-06-12 Hayley Bryant has changed a lot in the two years since her boss's rejection sent her running She's travelled the world and is now a grown woman who knows just how to get what she wants Coming face to face with her former boss shouldn't affect her at all Except it does Mitchell still makes her burn as hot as ever Good thing she's brought her sexy friend with benefits Ty along as a plus one to a wedding on Bandicoot Cove Island Mitch Wood has always put business first except for when he hired his little sister's friend as an intern Pushing Hayley away was the right thing to do at the time but he can't deny the attraction now This time he'll have to come to Hayley and her plus one might prove to be a bit of an obstacle Fortunately Mitch has never been one to shy away from a little competition Each book in the Bandicoot Cove series is a standalone story that can be enjoyed out of order Series Order Book 1 Tropical Sin Book 2 Paradise Found Book 3 Island Idyll Book 4 Sunlit Surrender Book 5 Sunset Heat Book 6
