Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution

William L. Benoit

Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution:

Hazardous Crosscurrents John D. Donahue,1999 In this report John D Donahue analyzes devolution of governmental responsibilities from the federal to state level from the standpoint of four realms of public policy workplace laws education and job training antipoverty efforts and taxes Handbook of Public Sector Economics Donijo Robbins,2017-09-25 The Handbook of Public Sector Economics builds an understanding of the role of public economics in public administration public policy and decision making The handbook introduces a wide variety of current issues related to the public provision and production of goods and services The volume documents the history of economics and fiscal doctrine explores the theory of public goods and the structures from which resources are collected and expanded and analyzes heavily debated issues of economics that are important to current and future practitioners of public policy and administration It focuses on the effects of fiscal policy on savings and investment consumer behavior labor supply wealth property and trade Written in a simple and straightforward style the initial chapters establish the foundation of public economics with the subsequent chapters addressing the collection and distribution of government resources and market reactions to fiscal policies *Originalism, Federalism, and the American Constitutional Enterprise* Edward A. Purcell,2007-12-28 In this lively historical examination of American federalism a leading scholar in the field refutes the widely accepted notion that the founding fathers carefully crafted a constitutional balance of power between the states and the federal government Edward A Purcell Jr bases his argument on close analysis of the Constitution s original structure and the ways that structure both induced and accommodated changes over the centuries There was no clear agreement among the founding fathers regarding the true nature of American federalism Purcell contends nor was there a consensus on correct lines dividing state and national authority Furthermore even had there been some true original understanding the elastic and dynamic nature of the constitutional structure would have made it impossible for subsequent generations to maintain any original or permanent balance The author traces the evolution of federalism through the centuries focusing particularly on shifting interpretations founded on political interests He concludes with insights into current issues of federal power and a discussion of the grounds on which legitimate decisions about federal and state power should rest **The Welfare State Nobody Knows** Christopher Howard,2021-08-10 The Welfare State Nobody Knows challenges a number of myths and half truths about U S social policy The American welfare state is supposed to be a pale imitation of true welfare states in Europe and Canada Christopher Howard argues that the American welfare state is in fact larger more popular and more dynamic than commonly believed Nevertheless poverty and inequality remain high and this book helps explain why so much effort accomplishes so little One important reason is that the United States is adept at creating social programs that benefit the middle and upper middle classes but less successful in creating programs for those who need the most help This book is unusually broad in scope analyzing the politics of social programs that are well known such as Social Security and welfare and less well known but still

important such as workers compensation home mortgage interest deduction and the Americans with Disabilities Act Although it emphasizes developments in recent decades the book ranges across the entire twentieth century to identify patterns of policymaking Methodologically it weaves together quantitative and qualitative approaches in order to answer fundamental questions about the politics of U S social policy Ambitious and timely *The Welfare State Nobody Knows* asks us to rethink the influence of political parties interest groups public opinion federalism policy design and race on the American welfare state Reforming Governance Franz Gress,2001 **Disciplining the Poor** Joe Soss,Richard C. Fording,Sanford Schram,2011-11-30 This volume lays out the underlying logic of contemporary poverty governance in the United States The authors argue that poverty governance has been transformed in the United States by two significant developments **The Federal Vision** Kalypso Nicolaidis,Robert Howse,2001-11-01 The Federal Vision is about the complex and changing relationship between levels of governance within the United States and the European Union Based on a transatlantic dialogue between scholars concerned about modes of governance on both sides it is a collective attempt at analysing the ramifications of the legitimacy crisis in our multi layered democracies and possible remedies Starting from a focus on the current policy debate over devolution and subsidiarity the book engages the reader in to the broader tension of comparative federalism Its authors believe that in spite of the fundamental differences between them both the EU and the US are in the process of re defining a federal vision for the 21st century This book represents an important new contribution to the study of Federalism and European integration which seeks to bridge the divide between the two It also bridges the traditional divide between technical legal or regulatory discussions of federal governance and philosophical debates over questions of belonging and multiple identities It is a multi disciplinary project bringing together historians political scientists and theorists legal scholars sociologists and political economists It includes both innovative analysis and prescriptions on how to reshape the federal contract in the US and the EU It includes introductions to the history of federalism in the US and the EU the current debates over devolution and subsidiarity the legal framework of federalism and theories of regulatory federalism as well as innovative approaches to the application of network analysis principal agent models institutionalist analysis and political theories of citizenship to the federal context The introduction and conclusion by the editors draws out cross cutting themes and lessons from the thinking together of the EU and US experiences and suggest how a federal vision could be freed from the hierarchical paradigm of the federal state and articulated around concepts of mutual tolerance and empowerment *Social Equity and the Funding of Community Policing* Ricky S. Gutierrez,2003 This analysis of social equity and the solicitation and granting of federal funds will examine how police agencies have changed in lieu of the receipt of these funds authorized by the 1994 Federal Crime Bill In the first part of this study an analysis of the recent history of federal funding aimed at improving law enforcement capabilities will be examined Next the community oriented policing COP movement will be analyzed by detailing the types of programs subsidized by the 1994 Crime Bill funding their original intent

and how they were to be operationalized will be discussed A theoretical framework will be presented that will use empirical assessments of the number of community or proactive programs in place in each agency degrees of organizational change noted in a three year review of each department s structure as reported in the LEMAS survey of police departments the levels of economic inequality present in the jurisdictions that received COP funding and the ethnic composition of these jurisdictions

Making Washington Work John D. Donahue,2010-12-01 Everybody knows federal agencies are brain dead leviathans Everybody knows that the watchword of federal management is that s the way we ve always done it Everybody knows that any creativity within American government shows up only in the cities and states Everybody s wrong In 1995 the Ford Foundation s annual Innovation in American Government award competition was opened up to federal candidates and a third of the winners since then have been federal institutions This book profiles the 14 federal award winners from 1995 to 1998 and challenges the conventional wisdom about the federal bureaucracy s capacity to adapt Examples include the Consumer Product Safety Commission which figured out how to identify and act upon business and government s shared stake in keeping dangerous products out of consumers hands and the Wage and Hour inspectors in the Labor Department who deployed market leverage to put pressure on the garment industry scofflaws whose sweatshops had evaded conventional enforcement The stories show how pressure promises and professional pride can galvanize federal managers and front line workers to overcome what are admittedly imposing impediments to change and persevere with new ways to deliver on their missions And they illustrate the unfashionable truth that innovation is within Washington s repertoire after all Copublished with the Council for Excellence in Government

Rethinking Neoliberalism Sanford F. Schram,Marianna Pavlovskaya,2017-08-24 Neoliberalism remains a flashpoint for political contestation around the world For decades now neoliberalism has been in the process of becoming a globally ascendant default logic that prioritizes using economic rationality for all major decisions in all sectors of society at the collective level of state policymaking as well as the personal level of individual choice making Donald Trump s recent presidential victory has been interpreted both as a repudiation and as a validation of neoliberalism s hegemony Rethinking Neoliberalism brings together theorists social scientists and public policy scholars to address neoliberalism as a governing ethic for our times The chapters interrogate various dimensions of debates about neoliberalism while offering engaging empirical examples of neoliberalism s effects on social and urban policy in the USA Europe Russia and elsewhere Themes discussed include Relationship between neoliberalism the state and civil society Neoliberalism and social policy to discipline citizens Urban policy and how neoliberalism reshapes urban governance What it will take politically to get beyond neoliberalism Written in a clear and accessible style Rethinking Neoliberalism is a sophisticated synthesis of theory and practice making it a compelling read for students of Political Science Public Policy Sociology Geography Urban Planning Social Work and related fields at both the advanced undergraduate and graduate levels

Local Government Innovation Robin A. Johnson,Norman Walzer,2000-09-30 Nationally recognized scholars and

practitioners examine opportunities in which services traditionally provided by local governments are offered by the private sector through a contract or are transferred to a private business completely. Many large U.S. cities have contracted services for many years. With the movement to rightsize governments in recent years, there has been renewed interest by local governments in similar ventures. Privatization in its many forms is now seen as a viable alternative to traditional ways of providing public services and can bring substantial benefits to residents. With greater accountability being demanded and pressures on local officials to hold the line on or reduce taxes, efforts to find innovative service delivery methods will probably increase. Cities such as Atlanta, Indianapolis, and Charlotte are examples showing that contracts with private businesses can work to benefit all parties. Local officials must move ahead cautiously and not all attempts at privatization or contracting have succeeded. Some cities after an evaluation have decided to provide services with municipal employees. The main issues underlying privatization decisions will be addressed conceptually so that practitioners and academics benefit from a review of the current thinking on the issues. At the same time, exemplary practices and case studies are included so that readers can understand how privatization and managed competition have been implemented in local governments. Special attention is paid to administrative questions that may arise during the implementation process. For example, ways in which cities have worked with employees who fear displacement because of the privatization process are described. The book breaks new ground by including references to recent innovations in public-private partnerships and describing how privatization may evolve in the future.

Growing Prosperity Barry Bluestone, Bennett Harrison, 2001-05-25 *Growing Prosperity* could well be as important in shaping our future as Keynes' General Theory. A work as meticulous as it is powerful as promising as it is persuasive. Robert Heilbroner, author of *The Worldly Philosophers*. Bluestone and Harrison have alerted us to the key issue confronting America: how to achieve growth with equity. This country needs a powerful dialogue on how to continue growth while deepening its benefits to all Americans. This is the blueprint for the terms of that debate. U.S. Representative Richard Gephardt. **National Journal**, 2000

Praeger Handbook of Political Campaigning in the United States William L. Benoit, 2016-02-22 This work peels back the curtain on how political campaigns influence America, covering everything from social media to getting to the Oval Office. This comprehensive handbook reveals essentially everything the American public wants to know about political campaigns. The two-volume set begins with a historical overview, then goes on to investigate campaigns from a variety of perspectives that shed light on how they work and why. Readers will discover how campaigns are run, how they're covered by the media, how they influence government, and how various interest groups and demographics play a part in the system. The contributors, who include academics, elected officials, journalists, and campaign professionals, offer new data, interviews, and analysis in a style that will prove fresh, accessible, and engaging for everyone, from college students to political junkies. They offer the inside scoop on types of campaign media, for example, TV spots, debates, and social media, and on message variables such as language, humor, and evidence. Groups of voters like women and youth are examined

and the work also discusses theories of campaigning such as agenda setting issue ownership the Elaboration Likelihood Model and the Theory of Reasoned Action Scandal in American political campaigns always a subject of interest is addressed as well

Can the States Afford Devolution? Harold A. Hovey,1999 In this report Harold A Hovey explores the constraints that states face in collecting taxes and assesses which states are best and least prepared to finance any added responsibilities

Urban Policy Reconsidered Charles C. Euchner,Stephen McGovern,2003-07-14 In the past decade America has experienced an urban renaissance Cities as varied as New York Chicago and Boston are no longer seen as ungovernable and doomed to crime and blight However they still face formidable problems Urban Policy Reconsidered is a comprehensive overview of the issues and problems facing our cities today and cover every important issue in urban affairs What is poverty What is economic development What is education What is crime As well as covering all of these fundamental topics in depth the author propose a communitarian approach to addressing the many problems of our cities This book will be the manual for anyone interested in understanding urban policy

American Book Publishing Record ,2001

Disciplinare i poveri Joe Soss,Richard C. Fording,Sanford F. Schram,2022-04-14T00:00:00+02:00 Disciplinare i poveri affronta la trasformazione del governo della povertà negli ultimi quarant'anni negli Stati Uniti cosa successo e perché come funziona oggi il welfare e come influisce sulla vita delle persone Attraverso un'analisi attenta della sua evoluzione storica il saggio chiarisce come la questione razziale rivesta ancora un ruolo centrale all'interno di questo sistema Collegando la riforma del welfare ad altri sviluppi politici gli autori utilizzano varie fonti di dati per spiegare le origini le forme e le conseguenze di una nuova modalità di governance della povertà che allo stesso tempo neoliberale allineata ai principi del mercato e paternalista fondata sul dire ai poveri ci che meglio per loro Lo studio ricostruisce questo nuovo modello attraverso un percorso che va dal livello federale a quello statale e di contea fino ad analizzare i modi in cui gli street level bureaucrats gestiscono i singoli casi spesso attraverso pratiche sanzionatorie Il risultato un resoconto convincente di come questo sistema stia oggi come ieri disciplinando i poveri Il volume contiene un saggio inedito degli autori e la postfazione di Antonella Meo

Annual Report Century Foundation,2000

Greed and Good Sam Pizzigati,2004-07 Should we care that wealth in the United States is unequally distributed and getting more so every year Should we worry that America's most wealthy in just a generation have more than doubled their share of the nation's wealth Our nation's highest leaders certainly don't think so They either ignore or dismiss the huge gaps in income and wealth that divide us But these gaps author Sam Pizzigati shows in his compelling new book are undermining nearly every aspect of our lives from our health to our happiness from our professions to our pastimes from our arts to our Earth Greed and Good both reveals the horrific price we pay for tolerating inequality and dissects the case for greed the old saws that apologists for inequality regularly trot out to justify the mammoth concentrations of wealth that tower all around us These concentrations Greed and Good argues can and must be cut down to democratic size And Greed and Good in clear headed and fascinating prose even shows how

Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Introduction

Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Offers a diverse range of free eBooks across various genres. Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution, especially related to Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution books or magazines might include. Look for these in online stores or libraries. Remember that while Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited

or Scribd offer subscription-based access to a wide range of Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution eBooks, including some popular titles.

FAQs About Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution Books

1. Where can I buy Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Hazardous Crosscurrents Confronting Inequality In An Era Of Devolution books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.
