but set against the realistic background of what Pope John Paul II called our contemporary culture of death this book offers inspiration encouragement and a challenge to those interested in the respect life movement especially in this outreach organization known as Helpers of God's Precious Infants to become involved whether as actual sidewalk counselors or through prayerful support According to Msgr James P Lisante pastor of St Thomas the Apostle Church West Hempstead NY as well as a TV commentator and author This book tells the story of those who are willing to be the voices of the voiceless of people of such hope faith and love that they are willing to speak up even in the face of what would seem to be the most hopeless situation of all the moment when a woman is actually about to enter an abortion clinic *Heaven in Her Hair* Kimberley Noggle,2021-05-06 Heaven in Her Hair is a true testimony of healing and redemption through Christ after an abortion The story begins from when I first accepted Christ at 16 years old but let the world and my living without a relationship with Christ create a slow but destructive path that almost killed me twice suicide a drug overdose The abortion that I did not want created guilt anxiety and depression that I could not handle even when my life should have seemed perfect I struggled for almost 17 years after aborting my first child even after committing my ALL to Him and finding His Forgiveness and recovering from a drug addiction I used to escape the pain Circumstance and secrets kept me from complete healing and restoration in Him However I finally found true forgiveness love peace and joy through surrendering my silence about the abortion and understanding the true depths of Christ's love forgiveness and atonement I discovered that grieving over my child was acceptable that my child matters and the power of claiming her and speaking out is crucial to healing and helping others There is hope if you are suffering after an abortion and there is love acceptance and restoration through Christ *Encountering the Great I Am* Judy Jacobson,2018-07-05 Did you know that God has a divine name He told Moses This is my name forever and thus I am to be remembered throughout all generations So what happened Why do most people only know God by his titles of God Father and Lord instead of by his true name What happened to the command that God was to be remembered by his name for all generations What you will realize is that the Israelites referred to God by his true name from the time God his name to Moses until the silent years the time between the Old Testament and New Testament Discover the mystery of why God's name went missing along with the Ark of the Covenant Sacred Fire Shekinah Glory Spirit of Prophecy and the Urim and Thummim What did these elements all have in common What you will find out is they were all communication tools that God used to speak to his people He took them away hoping his children would long to hear his voice so that when his Son Jesus came into the world they would be ready to finally listen Take a journey with me through the history of God's divine name and discover how God has communicated with his children throughout the ages and how he continues to speak to us today What you will discover is that with God's name comes EVERYTHING *Hope 4 You* Carole Lewis,2010-12-16 What is hope Where does it come from How can believers face the future with confidence not with blind optimism but deep trust in God's plans In Hope 4 You First Place 4 Health National Director Carole Lewis examines the

theme of hope as presented in God's Word and illustrates what hope is and is not through the real life experiences of Carole and a number of her friends in the faith. Carole leads readers on an exploration of Scripture which identifies the Holy Spirit as the Source of all hope. With this understanding, believers can walk with God which restores hope, work with God which renews hope, and wait on God which revives hope. Carole underscores that hoping is never passive or inactive; it is productive, meaningful, and full of purpose. Hope motivates us to take practical steps toward our mental, physical, emotional, and spiritual goals.
