Getting God Wrong G. S. Kohler, 2023-10-06 Reading a tone of voice into printed words especially the personal experience of an email or text can disconnect two people even friends Having one friend reinterpret the way another heard the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently even though he read the same Bible In **Getting God Wrong** the reader is invited into a conversation on how they

taught themselves to misunderstand the One who loves them best Instructions is the same word that gets translated commandments and guidance is the same word sometimes translated law This shift of translations can affect one's emotional engagement with the ideas People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery out into the desert to tell them Now you'll be my slaves and live under my commandments What if God used a different tone of voice and not the one people usually hear as they read Getting God Wrong suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them Jesus is God's tone of voice

Learning to Follow Jesus Daniel McNaughton, Jon Wegner, 2020-07-01 LEARNING TO FOLLOW JESUS will help you develop seven essential attributes of a disciple of Jesus Christ You will learn how to become a fully devoted follower of Jesus by reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach

A Theology of Health Tyler J. VanderWeele, 2024-09-15 While the health of the body can be defined by its functioning parts and systems the health of the person is more complex To flourish we need to understand health in the context of God's intent A Theology of Health presents a Christian understanding of the very concept of health both the health of the body and the health of the person Preeminent scholar Tyler J VanderWeele argues that health can be understood as wholeness as intended by God and that sin whether individual wrongdoing societal injustice or the fallenness of creation causes ill health VanderWeele explains that restoration and fulfillment of health is salvation pointed toward in the life of Jesus Christ to be lived out through the work of the Church and for which we await final completion VanderWeele also demonstrates the broader relevance and implications of his insights to all who seek to understand health well being and the ultimate ends of human life A Theology of Health is an essential theological exploration that seeks to promote health healing and flourishing of the whole person

Washington News Letter, 1900 *The Journey of Following Jesus* Ronald Squibb, Daniel McNaughton, 2022-09-01 THE JOURNEY OF FOLLOWING JESUS will help you develop the seven essential attributes of a disciple of Jesus Christ By reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach you will learn how to become a fully devoted follower of Jesus

A Dangerous Report J. Harold Ellens, 2014-02-28 This volume is tightly packed with surprising insights one simply does not normally hear from the pulpit but yet are so obviously implied in the biblical narratives of Christmas and Easter Dr Ellens has a unique way of cracking open familiar biblical sentences and stories and spilling out an entirely fresh cornucopia of life changing insights about the radical nature of the good news about God's grace Ideas and metaphors from the Bible that we have heard or read so often that they have become routine and cliché suddenly flower with refreshing new meanings and intimations Dr Ellens carefully and cogently expressed biblical interpretation and sermon oratory incarnate God's truth and bring to lively new vitality a vivid experience of God as the driving force of Divine Spirit in our personal lives and in history Preaching has seldom been this engaging powerful and spiritually empowering This warm hearted book is a clear and clarion

call for one central theme God's radical uncalculating unconditional and universal forgiving grace Claims for God's redemptive presence and intent for our world that pulpiteers have often feared avoided or failed to see in the center of the gospel are here set forth with unapologetic boldness Dr Ellens trumpet is not muted at any point Obviously this hearty soul has a passion for the spirit a stimulating mind and an informed pastoral appeal for life changing encounters with the biblical story and of the insinuation of God's self into human and historical life at Christmas Easter and all other times *Love Does Not Control* Thomas Jay Oord, John Loppnow, Annie DeRolf, Christy Gunter, Lon Marshall, 2023-04-03 That love does not control seems obvious to many people And yet the temptation to control often with good motives is strong The long term results of yielding to this temptation damage everyone Contributors to *Love Does Not Control* explore uncontrolling love and a vision of God as uncontrolling They do so from their perspectives as therapists psychologists and counselors Writers ponder what uncontrolling love might mean for human healing Open and relational theology operates as the underlying framework for most contributors That theology fits nicely with the belief that love is uncontrolling Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator's uncontrolling love The essays in *Love Does Not Control* are diverse Readers may discover some differences of opinion as they move from essay to essay But contributors share in common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading *Love Does Not Control* has the potential to become an exercise in uncontrolling love *The Presence of God* Walter Herbert Greame Holmes, 1923 **Meditations on the Character of God** Robin K. Schroeder, 2012-02-27 These devotionals were birthed out of a personal quest that ended up being shared with our church Nara International Christian Center in Ikoma Japan Years ago I heard a life changing phrase We become like who we worship followed by Nearness brings likeness These two statements changed my whole spiritual outlook My personal desire was to really grasp the character of God So as I worshipped Him I would be changed to become more like Him I believe the more we grasp His character we will also be able to trust more our faith will be strengthened and hope becomes solid almost tangible with the power of Knowledge of God's eternal trustworthiness Robin Schroeder
