## Healing Miracles A Doctor Investigates:

**Healing Miracles** Reginald Frank Robert Gardner, 1986      **Miracles Today** Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople      **ThirdWay**, 1987-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      *Dialogues on Miracle* Robert A. Larmer, 2015-03-11 This book explores in a manner that is readily accessible to those with little or no formal training in philosophy or theology important questions concerning the rationality of belief in miracles This book employs the time honored literary device of dialogue a practice that dates as far back as Plato Done well this form of philosophical investigation puts forward a thesis yet genuinely engages with the views its author opposes These dialogues are intended to provide a philosophical defense of the possibility of rationally justified belief in miracles Such a defense can legitimately dispense with much of the paraphernalia that professional scholars in a discipline use in writing for other professional scholars in their discipline some scholarly texts seem to be more references than argument but it must not dumb down the material by oversimplifying the issues or presenting straw man versions of the arguments it seeks to refute My hope is that not only those who are already convinced of the rationality of belief in miracles will read this book but also those who are unconvinced      **On the Resurrection, Volume 2** Gary Habermas, 2024-09-15 In *On the Resurrection Volume 2 Refutations* Gary Habermas offers detailed analyses and rebuttals of the alternate theories surrounding Jesus's resurrection This is the second volume of four in his magnum opus *On the Resurrection*      [Theologies of Retrieval](#) Darren Sarisky, 2017-11-30 One of the most significant trends in academic theology today which emerges within Protestant Roman Catholic and Orthodox points of view is the growing interest in theologies of retrieval This mode of thinking puts a special stress upon subjecting classic theological texts to a close reading with a view toward using the resources that they provide to understand and address contemporary theological issues This volume offers an understanding of what theologies of retrieval are what their rationale is and what their strengths and weaknesses are The contributions provided by a distinguished team of theologians answer the important questions that existing work has raised expand on suggestions that have not yet been fully developed summarize ideas to highlight themes that are relevant to the topics of this volume and air new critiques that will spur further debate      **Reasonable Radical?** Ian S. Markham, Joshua

Daniel,2018-01-16 One of the most interesting voices in the Academy and the Church today is Martyn Percy Percy the Dean of Christ Church Oxford and a leading voice in the Anglican Communion is both theologically orthodox yet deeply unconventional While remaining engaged in the scholarly community Percy writes with clarity and passion on topics that range from ecclesiology to music from sexuality to the Trinity from advertising to ministerial training he is a polymath This book is two books in one The first half contains a series of articles written both by church leaders and academics that serve as substantial critical introductions to Percy s thought In the second half the reader gets to hear from Percy himself in a collection of wide ranging material from his corpus While producing a dialectical engagement of some depth as Percy offers written responses to his interlocutors this volume should prove useful for a variety of communities beyond academic circles especially ones engaged with contemporary issues facing ecclesiology churches and the wider Anglican Communion

**Seeing the Supernatural** Lee Strobel,2025-03-18 Now a New York Times bestseller discover solid answers to the provocative questions you ve been asking about the supernatural world through the investigative work of a former spiritual skeptic We hear stories all the time about the supernatural miraculous healings unexplained sightings near death experiences but how do we know what is real Are rumors of spiritual beings healings and prophetic dreams dangerous deceptions or is there something important for us to explore Join investigative journalist and former atheist Lee Strobel as he examines the evidence and considers how we should think about the unseen world and the God who made and rules over it As the bestselling author of the popular Case For series which has sold millions of copies Lee Strobel has interviewed some of the most brilliant scientists and philosophical thinkers in the world on topics of apologetics and faith In Seeing the Supernatural Lee weaves together his best material from several previous books with dynamic new and never published interviews to investigate what the Bible really teaches about the unseen world As he asks scholars the very questions you have about otherworldly experiences Lee will help you Better understand how God chooses to work in the fascinating supernatural realm and why it is important Avoid common mistakes people make including both ignoring the supernatural and becoming obsessed with it Have answers ready for when you face objections or deceptions that are common in a world of supernatural counterfeits Draw closer to God as you catch glimpses of his power and glory in ways you don t typically experience Written for skeptics and believers alike Seeing the Supernatural is a transformative exploration of how the supernatural can shape our understanding of God s character and our own faith Dr. and Master Sha: Miracle Soul Healer

William Gladstone,2014-09-02 What accounts for miraculous healings unexplainable by doctors Is there a reality to spiritual healings William Gladstone initially approached Dr Zhi Gang Sha with some skepticism and disbelief William believed that there was more to life than the material world but he knew that the world has many dishonest and self deceiving mystics So he decided to explore William having studied medical anthropology at Harvard University had met and worked with some of the greatest spiritual leaders on the planet He was excited to explore Dr Sha and his healing practices William spent weeks

with Dr Sha watching him at work talking to his students and observing his healings He interviewed him at length asking for specifics and addressing difficult questions He delved into the science behind Dr Sha s work and explored the underlying concepts beneath these miracle healings What William learned amazed him and opened his mind to possibilities he never expected Dr Zhi Gang Sha is a medical doctor trained in both Western medicine and traditional Chinese medicine as well as ancient Chinese sacred energy and spiritual healing Over the last decade he has healed hundreds of thousands of individuals with thousands documented and available for viewing on YouTube How does he do it Is it the placebo effect or something much more profound Dr and Master Sha Miracle Soul Healer documents the remarkable journey of a world renowned spiritual teacher and master healer who has not only demonstrated the ability to heal but also to teach people to heal themselves Written for skeptics as well as believers Dr and Master Sha Miracle Soul Healer explores the results and methodology of Dr Sha s unique life journey and his stated life mission to serve humanity and the Divine and create a healthier and happier world This book explores the ultimate mystery of how faith science and healing can change your life

On the Resurrection, Volume 1 Gary Habermas, 2024-01-15 The first volume of Gary Habermas s magnum opus On the Resurrection Evidences represents the culmination of fifty years of research on the probability of Jesus s resurrection Using his minimal facts argument Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection This book is a must read for pastors students and scholars interested in the historical evidence for the resurrection of Jesus Christ

**Medical Miracles** Jacalyn Duffin, 2009 Modern culture tends to separate medicine and miracles but their histories are closely intertwined The Roman Catholic Church recognizes saints through canonization based on evidence that they worked miracles as signs of their proximity to God Physicianhistorian Jacalyn Duffin has examined Vatican sources on 1400 miracles from six continents and spanning four centuries Overwhelmingly the miracles cited in canonizations between 1588 and 1999 are healings and the majority entail medical care and physician testimony These remarkable records contain intimate stories of illness prayer and treatment as told by people who rarely leave traces peasants and illiterates men and women old and young A woman s breast tumor melts away a man s wounds knit a lame girl suddenly walks a dead baby revives Suspicious of wishful thinking or naive enthusiasm skeptical clergy shaped the inquiries to identify recoveries that remain unexplained by the best doctors of the era The tales of healing are supplemented with substantial testimony from these physicians Some elements of the miracles change through time Duffin shows that doctors increase in number new technologies are embraced quickly diagnoses shift with altered capabilities But other aspects of the miracles are stable The narratives follow a dramatic structure shaped by the formal questions asked of each witness and by perennial reactions to illness and healing In this history medicine and religion emerge as parallel endeavors aimed at deriving meaningful signs from particular instances of human distress signs to explain alleviate and console in confrontation with suffering and mortality A lively sweeping analysis of a fascinating set of records this book also poses an exciting

methodological challenge to historians miracle stories are a vital source not only on the thoughts and feelings of ordinary people but also on medical science and its practitioners

*The Historical Reliability of the New Testament* Craig L. Blomberg, 2016-11-01 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century

**New Proof of God & Satan** James L. Ryabe, 2025-01-01 This is the second edition of a divinely inspired nonfiction book that the author was compelled to write in 2020 It contains foundational information regarding the war that human beings are born into God and Satan exist and they are very active in human lives Satan and his forces of evil are the cause of much of the human conflict that we have today including threats of global nuclear war heinous crimes racism and xenophobia political strife etc Imagine the unprecedented benefits that we can all enjoy by bringing humanity together to improve our world In *New Proof of God Satan* join the author on an adventure to overcome unprecedented hardships and risk everything to reveal lifesaving truths to the world After being enlisted by God in an ingenious plan to deceive and infuriate Satan into revealing himself in a photograph for the first time in history the author must navigate various challenges and preparations in order to go public Confronted directly by Satan multiple times including direct threats and verbalizations and even invasion of the author's conference calls the author derived strength from God which enabled the creation of this book

**Power and the Church** Martyn Percy, 1998-03-01 Employing insights from theology sociology and political science this text considers the question of power within the Church which is thought to provide the key to unlocking core dilemmas in the Church's self understanding and to point towards a relevant ecclesiology for the 21st century The book shows how different denominations handle power in different ways exposes the misuse of power in fundamentalist and new religious movements and argues that these movements highlight problems of power elsewhere within the Church

**El caso de los milagros** Lee Strobel, 2018-04-03 Algunas personas dicen que los milagros son solo coincidencias otros dicen que son imposibles pero Lee Strobel se ha propuesto determinar el caso de los milagros hoy entrevistando a escépticos y creyentes a la vez para determinar el rol de los milagros en nuestra fe cristiana C mo

diferenciar entre un milagro y una coincidencia Un científico escéptico calcula que la persona promedio puede esperar un millón de coincidencias cada mes Como los cristianos responden a la insistencia de los nuevos ateos de que los milagros son imposibles La ciencia supera a lo sobrenatural Con su enfoque periodístico nico el exateo Lee Strobel entrevista a escépticos y creyentes sobre cada una de las facetas de los milagros Viaja a China para investigar reportes de milagros asociados con la expansión del evangelio Cuenta la historia de un famoso erudito evangélico cuya teología ha sido cuestionada por los aparentes milagros que no puede explicar Después de leer este libro los lectores podrán Creer que los milagros son reales y que no fueron relegados a tiempos bíblicos solamente Entender la diferencia entre coincidencia suerte y milagro Ganar un mayor entendimiento de los milagros alrededor del mundo y el impacto que están teniendo en la expansión del evangelio

*After Atheism* David Lewis,2013-12-16 Based on interviews with people throughout Siberia Central Asia and European Russia about their spiritual experiences this book brings together insights into the religious worldview of those who claim to be Buddhist Muslim Christian pagan or even atheist Throughout the ex Soviet Union peoples of many different ethnic backgrounds report such experiences but often do not know how to interpret them a position helped or hindered by the fact that at the same time these people are trying to rediscover their ethnic and cultural identity *Healing* Mary Healy,2015-10-23 Lord I am not worthy to have you enter under my roof only say the word and my servant will be healed Matthew 8:8 When we or a family member or friend are faced with an injury or illness physical or emotional our thoughts turn to God in prayer for healing We want to believe as the Centurion did that God will grant healing but we wonder And if we as Catholics have doubts what does this mean to a hurting world also in need of healing In her new book *Healing Bringing God's Gift of Mercy to the World* Mary Healy answers to these questions and more Is Jesus still healing people today Are these healings real and do they last How do we know if God wants us to pray for healing Isn't God asking us to endure suffering and hardships instead of asking for healing How can we pray for healing Can my broken heart be healed as well as my body Through the study of Catholic tradition the lives of the saints and ordinary people you'll begin to understand how the message of inward healing is also a message that we as Catholics are empowered to take outward to the world

Book 11 **Miracle Working HC** Kurt Jurgensmeier,2012-08-22 Is God still doing miracles today Because of the many claims of charismaticism a rather detailed biblical study of the matter is warranted We defend the following conclusions Modern miracle workers cannot demonstrate the attributes of biblical ones and are lying when they claim similar gifts There are no God sent miracle workers in Scripture that were not also sources of new direct divine revelation to be believed and obeyed as the word of God The faith to perform or receive a miracle is just as supernatural and God given as the miracle itself and modern faith healers are wrong to blame disappointed followers for their lack of such faith The Church has universally testified that the gifts of miracle working ceased in the early Church with the completion of the NT The fraud in the modern miracle movement has been immense Other legitimate explanations for modern miracles are

intriguing and even alarming
