Arborophilia John Diamond,2011-10-01 I look at trees around me and I understand I feel I Know tree worship John Diamond M D Inspired by his lifelong love of trees Arborophilia is a magnificent collection of therapeutic writings by one of the great healers of our age Intensely personal yet accessible in style and ranging from single poetically stated thoughts to brief essays the book is infused with a deep spirituality and teems with remarkable highly original insights into its subject that can only enhance our respect for and relationship with the natural world And perhaps most importantly as with all Dr Diamond s writings each item is specifically designed to raise the Life Energy the innate healing power of the reader A remarkable uniquely powerful work essential reading for anyone interested in nature and healing *Art for Healing* John Diamond,2011-02-16 In this major statement on art and healing Dr John Diamond reveals his unique approach At its root are the twin concepts of Guidance that everything we do including all creativity is guided from the Spirit World and Matrophilia the love of the mother the ultimate basis of all health These two aspects are exemplified in Paleolithic cave art created by painter shamans for the purpose of healing I can in my mind very clearly see the ancient sufferers twenty or thirty thousand years ago stumbling through the passageways in almost total darkness climbing up and down all sorts of makeshift ladders and suddenly emerging into a cave filled with the most incredible paintings They would be overwhelmed by what had been done through not by the shamans They would become aware of a completely different world the World of Spirit and would see would feel nothing but Matrophilia in the cave And that was its healing Brilliantly integrating an astonishing array of learning from the spiritual to the psychological from ancient oriental art to Jackson Pollock and punctuated throughout by original insights Art for Healing offers an entirely new appreciation of art and by extension all human creativity as a modality for holistic health

Matrophilia and the Inner Temple John Diamond,2012-05-06 Matrophilia the love of and for the mother is the ultimate basis of health and the bedrock of Dr Diamond s work In this revelatory essay he explores the concept with characteristic depth and reveals a simple yet powerful meditation using the Inner Temple his name for the fourth ventricle of the brain the place where the Holy of Holies within each of us exists This short profoundly insightful work is an offering for the ages by one of the great healers of our time
