

PRAYER FOR HEALING

DELIVER ME FROM THIS SICKNESS

Dear God,
I'm sick and my body is in pain
I come before you in prayer for
healing
Please stretch forth your mighty
hands on me
Deliver me from this sickness that is
tormenting me
When fear begins to creep into my
heart,
Fill me with confidence in the power
of grace
When I begin to worry about this
sickness,
Calm my inner thoughts and give me
peace.
In Jesus name,

Amen

Healing Power Of Prayer:

The Healing Power of Prayer Chester Tolson, Harold Koenig, 2003-09-01 Prayer can heal you It s not just hype or hope or a spiritual cliché There is actual scientific evidence to support this Recent medical and psychological studies claim that prayer can relieve stress improve attitudes and mend bodies Prayer generates peace power and health a triple preventative that guards against anxiety and disease It s a simple act that heals According to Chet Tolson and Harold Koenig prayer helps people function at their best when life serves them the worst Even on good days it enhances the mind body soul connection In *The Healing Power of Prayer* these authors explain the nature of prayer what happens when we pray the restorative benefits of prayer how to organize prayer and much more Their facts and insights will encourage believers to increase the fainthearted to revive and skeptics to begin a life of prayer *The Healing Power of Prayer* Jean Maalouf, 2004-04 Why do we pray the way we pray Our temperament and the way we perceive God radically affect our spiritual life and our prayer life As Jean Maalouf affirms when we invite God into our lives through prayer things are bound to happen Love heals And God s love is the greatest healer *The Healing Power of Prayer* Bridget Mary Meehan, 1988 **The Faith Factor** Dale A. Matthews, Connie Clark, 1999-04-01 Drawing from the latest scientific research as well as numerous illustrative case studies *The Faith Factor* offers convincing proof that religious practices can and do enhance the healing powers of medicine And nationally renowned physician Dale A Matthews offers a program any patient can follow to incorporate faith into their own healing Dr Matthews points out that encouraging an integration of religious beliefs and practices in medical settings can have important benefits for the entire medical community from patients and doctors to national health policy makers He shows how the national trend toward rediscovering religious values has led many patients to use prayer in conjunction with conventional treatment and that the results have already confirmed that faith and religious practice can be valuable medicine Finally Dr Matthews helps readers explore the connection between faith and medicine in their own lives through methods of prayer community worship and study of Scripture **Healing Prayer** Ellen Gould Harmon White, 2003 *The Healing Power of Faith* Harold Koenig, Malcolm McConnell, 2001-04-17 Trained medical researchers track the influence of religious beliefs and lifestyle on physical and mental health Jacket **Healing Power of Prayer** Joy Haney, 1997-07-01 *The Healing Power of Prayer* Bridget Mary Meehan, 2017-05-02 This book offers you the opportunity to experience wholistic healing and a greater awareness of the variety of approaches that can be used in meditation to tap into the God within you and to access your spiritual energy for healing and transformation a clearer understanding of the value of imagination and prayer in the process of inner healing a deeper appreciation of inner healing prayer as a powerful tool in dealing with the problems of anxiety anger rejection stress guilt and loneliness a greater realization of the effectiveness and richness of inner healing meditation as a means to nourish your oneness with all creation in the Heart of God an increased ability to rely on various approaches to prayer as effective sacred practices for health and vitality If we are to appreciate the many different

approaches to healing prayer however we must understand the historical and biblical framework of healing in the church Part One offers a historical overview and explains Jesus outlook on healing the Christian Church s teachings about healing and the relationship between healing and the presence of the Divine in times of suffering It also presents a practical rationale for inner healing prayer and suggests ways to find spiritual transformation in everyday life Part Two presents ten different healing prayer experiences 1 Healing of Memories Prayer inviting the Holy One into a painful memory to break through the past with the power of grace in the present 2 Forgiveness Prayer asking Jesus to accompany you on a journey to give and receive forgiveness and healing in a painful relationship s 3 Journal Prayer using the intuitive powers of the mind to reveal the presence of the Infinite within you 4 Centering Prayer passing beyond thoughts images and feelings to rest in Divine Love 5 Scripture Prayer moving into the details and emotions of a biblical passage to listen to the Holy One speaking personally from within the text 6 Fantasy Prayer guided imagery prayer using the imagination to set the stage for a prayerful encounter with an inclusive God who is beyond all names Creator Holy Wisdom Sacred Mystery Abba Amma Christ and present in every faith tradition and beyond all religions 7 Relaxation Prayer releasing stressful situations relationships to God your Higher Power and discovering the Holy One s abiding indwelling tender presence everywhere 8 Healing Affirmations for Daily Living affirming messages from the Spirit within you 9 Prayer for Healing Families Races Nations Religions and Earth expanding consciousness to fully know that all are one 10 Prayer of the Sufferer encountering Divine Compassion in the midst of pain unanswered questions and puzzling mysteries This book does not advocate a theoretical approach that merely teaches about inner healing prayer and meditation Rather it attempts to integrate a contemporary theological perspective with a creative experiential approach This book is written with the conviction that we learn to pray by praying not by reading or talking about prayer It is also written from the conviction that healing prayer is an attainable life changing power As we experience the abundant love of Divine Presence dwelling within us and energizing us we can rejoice in our identity as a beloved image of God We can celebrate a new freedom that liberates us from bonds that limit our spiritual potential learn to forgive and ask forgiveness with greater courage become more aware of our own growing edges and develop greater compassion for others I hope you will reap rich rewards from this exploration into inner healing prayer and from your experience of the power of grace illuminating your path to the peace that surpasses understanding Philippians 4 7 BRIDGET MARY MEEHAN ARCWP
