In this volume Aur lien Mokoko Gampiot a sociologist and son of a Kimbanguist pastor provides a fresh and insightful perspective on African Kimbanguism and its traditions The largest of the African initiated churches Kimbanguism claims seventeen million followers worldwide Like other such churches it originated out of black African resistance to colonization in the early twentieth century and advocates reconstructing blackness by appropriating the parameters of Christian identity Mokoko Gampiot provides a contextual history of the religion s origins and development compares Kimbanguism with other African initiated churches and with earlier movements of political and spiritual liberation and explores the implicit and explicit racial dynamics of Christian identity that inform church leaders and lay practitioners He explains how Kimbanguists understand their own blackness as both a curse and a mission and how that underlying belief continuously spurs them to reinterpret the Bible through their own prisms Drawing from an unprecedented investigation into Kimbanguism s massive body of oral traditions recorded sermons participant observations of church services and healing sessions and translations of hymns and informed throughout by Mokoko Gampiot s intimate knowledge of the customs and language of Kimbanguism this is an unparalleled theological and sociological analysis of a unique African Christian movement **Heal Your Heart** Kitty
