

Henry Purcell

Imogen Holst

Henry Purcell:

Henry Purcell Franklin B. Zimmerman, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

Henry Purcell Maureen Duffy, 1994 Henry Purcell set to music an entire age Endlessly resourceful and dazzlingly innovatory Purcell's music instantly evokes the energy and confidence of Restoration England The age of Pepys and Dryden of elegance wit and boundless creativity gave birth to an audacious new theatre and in Purcell's operas to a new musical form It was also an age of violence and suspicion In the decade before Purcell's birth the people had executed their king Treason was no longer unthinkable Popish plots coup attempts invasion scares international double dealing England seethed with conspiracies real and imagined Purcell court musician to three reigns was forced to tread a delicate path between the opposing factions A working musician Purcell was organist and harpsichordist as well as composer tuner and repairer as well as performer He also wrote music for every conceivable occasion for the Church and for the theatre for the chamber and for the great occasions of State Purcell moved easily through the echelons of London society from the quiet of the chapel royal to the raucous taverns King and courtiers actresses and innkeepers tradesmen and artist Purcell knew all the characters that comprised the constant flux of London life Maureen Duffy unsurpassed in her treatment of the modern capital city now captures the sights sounds and the flavour of a very different London New documentary evidence gleaned from a scrupulous investigation of original documents and sources together with a novelist's instincts have enabled her to create the most vivid and illuminating portrait yet of England's greatest and most elusive composer Dust jacket

Henry Purcell, 1659-1695 Imogen Holst, 1959

Henry Purcell Martin Adams, 1995-03-09 Using a mix of broad stylistic observation and detailed analysis Adams distinguishes between late seventeenth century English style in general and Purcell's style in particular and chronicles the changes in the composer's approach to the main genres in which he worked especially the newly emerging ode and English opera As a result Adams reveals that although Purcell went through a marked stylistic development encompassing an unusually wide range of surface changes special elements of his style remained constant

Purcell Jonathan Keates, 1996 Henry Purcell 1659-1695 is the greatest of all English composers and a pivotal figure in European musical history In this rich and colorful biography Jonathan Keates deftly traces Purcell's life and artistry against the backdrop of the turbulent political religious theatrical and social movements of his time Purcell's musical genius both embraced and transcended the variable moods and tensions of Restoration England and gave the period and the culture an unforgettable voice With great skill and historical understanding Keates follows Purcell through his extraordinarily prolific career from chorister at the Chapel Royal to composer for the theater and the court to writer of sacred music chamber music and the triumphant Dido and Aeneas the first British opera

Keates considers Purcell's musical studies with Pelham Humfrey and John Blow as well as his adaptation of Matthew Locke's innovative and colorful style. He provides a superb critical appreciation of Purcell's music in all its forms. Keates also discusses the musical history of the period including the influence of French and Italian composers whose music blended with and modified native traditions.

Henry Purcell Margaret Campbell, 1993 Henry Purcell's prolific output encompassed works for court, church and theatre. Within his short life span 1659-95 he impressed his stamp on the music of the whole country both as an organist at Westminster Abbey and as official composer to four monarchs. In the theatre he collaborated with the greatest writers and poets of his age including Dryden. Margaret Campbell tells the story of Purcell painting a vibrant picture of the political, artistic and social world in which he lived from his childhood in the Restoration and experiences of the Great Plague and the Great Fire to the complex politics of the later 17th century. New insights into Purcell's work are offered including a controversial interpretation of the date of the opera *Dido and Aeneas*.

Henry Purcell, 1659-1695; Essays on His Music Henry Purcell, 1959 **Henry Purcell** Dennis Arundell, 1927 Henry Purcell Arthur Keith Holland, 1932 **Purcell** William Hayman Cummings, 1896 Henry Purcell, 1658-1695 William Hayman Cummings, 1969 Performing the Music of Henry Purcell Michael Burden, 1996 As Nicholas Kenyon says quoting Ralph Vaughan Williams in the introduction to this volume: 'We all pay lip service to Henry Purcell but what do we really know of him? Many aspects of the composer's life remain obscure but with the approach of the tercentenary of Henry Purcell's death in 1995 much of his music would be performed again in some cases for the first time for many years. It was clear that many issues of performance practice needed to be aired before 1995; further, it was equally clear that such discussion should begin early and should be available in published form. To this end a group of scholars and performers gathered at Exeter College, Oxford, in 1993 and the contents of this volume represent some of the fruits of their deliberation. The first part of the book considers purely musical issues and covers a wide range of topics: Peter Holman looks at the importance of the Oxford set parts for Restoration Concerted Music in the overall picture of orchestral practice in the seventeenth century. This is followed by two organological essays: one on organs, Dominic Gwynne, and the other on violins, John Dilworth. The remainder of this first section has three studies of historical performance: on Purcell's Exotic trumpet notes, Peter Downey; on Queen Mary's Funeral Music, Bruce Wood; and on ornamenting Purcell's keyboard music, H. Diack Johnson. Two concerning singers and singing: Purcell's stage singers, Olive Baldwin and Thelma Wilson; and on voice ranges, voice types and pitch, Timothy Morris. The second part of the book devoted to the stage works opens with an examination of past performances of the dramatic operas in Michael Burden's essay. Purcell's debauched contributors then examine the importance of allegory in performing stage works. Andrew Walkling, theatrical dance; Richard Semmens, costume and etiquette; Ruth Eva Ronen, stage music; Roger Savage, and aspects of performing *Dioclesian*. Julia and Frans Muller and King Arthur. Lionel Sawkins.

Henry Purcell Imogen Holst, 1961-06 **The Ashgate Research Companion to Henry Purcell** Dr Rebecca Herissone, 2013-01-28 The Ashgate

Research Companion to Henry Purcell provides a comprehensive and authoritative review of current research into Purcell and the environment of Restoration music with contributions from leading experts in the field Seen from the perspective of modern interdisciplinary approaches to scholarship the companion allows the reader to develop a rounded view of the environment in which Purcell lived the people with whom he worked the social conditions that influenced his activities and the ways in which the modern perception of him has been affected by reception of his music after his death In this sense the contributions do not privilege the individual over the environment rather they use the modern reader's familiarity with Purcell's music as a gateway into the broader Restoration world

Compositional Artifice in the Music of Henry Purcell Alan Howard, 2019-10-17 The first major study to propose an analytical approach to Purcell's music beginning from contemporary compositional aims and techniques

Henry Purcell and the London Stage C. A. Price, 1984-06-14 This book was the first comprehensive survey of Purcell's dramatic music It is concerned as much with the London theatre world playhouses poets actors singers producers as with the music itself Purcell wrote music for more than fifty plays of various types most of them produced at the Theatre Royal Drury Lane between 1690 and 1695 The songs dialogues choruses act tunes and larger musical scenes are often active participants in the spoken drama not simply grafted on entertainments The extraordinary semi operas *Dioclesian* *King Arthur* and *The Fairy Queen* are placed in the context of a theatre that thrived mainly on plays that though less lavish were no less musical The traditional picture of a composer trapped within a degraded musical society his natural predilection for opera ignored is redrawn to show a consummate dramatist exploiting a remarkably musical theatre

The Works of Henry Purcell Henry Purcell, 1973

Purcell Arthur Hutchings, 1982

Henry Purcell Peter Holman, 1994 This book the first general survey of Purcell's music in a generation is published to coincide with the tercentenary of his death It is the first book to explore in detail the historical context of Purcell's music dealing fully with the institutions he worked for the origin and development of the various genres to which he contributed and the sources of his music In the process a new picture of Purcell's creative personality emerges a composer obsessed with formal counterpoint extraordinarily well versed in English music of the previous century yet eager to embrace up to date features of the Italian style in the 1680s

The Works of Henry Purcell Henry Purcell, 1973

Reviewing **Henry Purcell**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Henry Purcell**," an enthralling opus penned by a very acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
