**Henry Lawson, the Master Story-teller** Henry Lawson,1984      **Henry Lawson: The Master Story Teller** Prof. Colin Roderick,2002      **Biography of a Book: Henry Lawson's While the Billy Boils** Paul Eggert,2013 Biography of a Book traces the life of an iconic Australian literary work in the lead up to and for a century after its initial publication Henry Lawson s 1896 collection *While the Billy Boils* Paul Eggert follows Lawson s gradual development of a pared back bush realism in the early 1890s as he struggled to forge a career writing short stories and sketches for the newspapers Lawson s famous collection came out at a decisive moment for the development of a fully professional Australian literary publishing industry then in its infancy in Sydney The volume s editing design and production were collaborative events that changed the feel and nature of Lawson s writing He had to give ground on his texts and their sequencing The collection went on to be reprinted and repackaged countless times Its production and reception histories act like a geological cross section revealing the contours of successive cultural formations in Australia In unravelling the life of Lawson s classic work Eggert s book historical approach challenges and clarifies established understandings of crucial moments in Australian literary history and of Lawson himself      *Henry Lawson* Sarah Rutherford,2000      **To Hell & High Water** Gregory Bryan,2012-07-15 *To Hell and High Water* tells the story of the quest of two brothers to conquer the extreme conditions of outback Australia recreating the Bourke to Hungerford tramp that influenced some of Australian literary legend Henry Lawson s greatest works The book is part autobiography and part biography It is an autobiography of the author s experiences with his brother overcoming significant obstacles to achieve his dream of walking in Lawson s footsteps It paints a vivid picture of some of Australia s most remote country the challenges and dangers the heat the distance mosquitoes blisters and thirst At the same time it blends in the biography of Henry Lawson s captivating life including his marriage struggles with alcoholism his suicide attempt influences upon his writing and his ideals of mateship Extracts of Lawson s own writing have been carefully selected and woven into the narrative in a manner that draws parallels between the two experiences and offers fresh insights into his life      **While the Billy Boils** Henry Lawson,2013 Fifty two of Henry Lawson s stories and sketches that he had first published in newspapers and magazines from 1888 onwards were gathered in his collection *While the Billy Boils* Angus Robertson 1896 Lawson was not responsible for their ordering and he had to give ground on their texts especially on his idiosyncratic presentation of wordings that helped to breathe life into his characters and situations The present edition dismantles the fait accompli of 1896 by presenting the individual items in the chronological order of their first publication and with their original newspaper texts This will allow a new appreciation of Lawson s writing one that is attentive to his developing powers The edition also facilitates a close study of Lawson s collaboration with the producers of the collection in 1896 in particular with his copy editor Arthur W Jose and publisher George Robertson Facsimile images available online of the printer s copy that they prepared for *While the Billy Boils* supplement the edition s listing of the alterations that each of

them made revealing the textual history of each story or sketch      **The Quarantined Culture** John Frank Williams,1995
