Rashke,1995 A story reconstructed from the diaries notes and memories of the six hundred Jews who revolted three hundred of whom escaped the death camp Sobibor Mrs. Budlong's Christmas Presents Rupert Hughes,1912 The Clothier and Furnisher ,1921 **Christmas with Kate** Patricia Patterson Thompson,1994 **The Spell of Ursula** Effie Adelaide Rowlands,1894 *Freedom to Smoke* Jarrett Rudy,2005-09-30 In the late Victorian era smoking was a male habit and tobacco was consumed mostly in pipes and cigars By the mid twentieth century advertising and movies had not only made it acceptable for women to smoke but smoking had become a potent symbol of their emancipation From mass cigarette production in 1888 to the first studies linking cigarettes to lung cancer in 1950 The Freedom to Smoke explores gender and other key issues related to smoking in Montreal including the arrival of big tobacco first attempts to ban the cigarette wartime tobacco funds French Canadian smoking habits rituals of manliness and the growing respectability of women smokers none of which have been examined by historians Jarrett Rudy argues that while people smoked for highly personal reasons their smoking rituals were embedded in social relations and shaped by dominant norms of taste and etiquette The Freedom to Smoke examines the role of the tobacco industry health experts churches farmers newspapers the military the state and smokers themselves A pioneering city based study it weaves Western understandings of respectable smoking through Montreal's diverse social and cultural fabric Rudy argues that etiquette gave smoking a political role reflecting and serving to legitimize beliefs about inclusion exclusion and hierarchy that were at the core of a transforming liberal order *American Lumberman* ,1911 **American Cookery** ,1916 *Boston Cooking-school Magazine of Culinary Science and Domestic Economics* ,1916 **Calendar of State Papers, Preserved in the State Paper Department of Her Majesty's Public Record Office** ,1897 **The Railway Clerk** ,1909 **Dry Goods Reporter and Midwest Merchant-economist** ,1905 **The Modern Christmas in America** William Waits,1994-10-01 In days of old Christmas was defined by the custom of exchanging simple handmade gifts Today it has become a multi billion industry synonymous with commercialism and consumption How did this transformation occur In this incisive and engaging examination of how Christmas has evolved since 1880 Waits chronicles the history of the holiday from its origin to its current form The book is illustrated with dozens of historical photographs and will be of interest to cultural and social historians alike Christmas was a relatively modest occasion in the English speaking world celebrated by the exchange of modest handmade gifts until the Victorians invested the holiday with immense significance as part of a larger effort to celebrate home family and a mythic past of well ordered communities By the late 19th century Christmas had become a major American festival Today it is a multi billion dollar industry and easily the most important seasonal event of the year In this survey of the modern American Christmas William Waits shows us how this holiday emerged tracing its evolution from the days prior to 1880 when people presented one another with simple crafted presents to the turn of the century when industrialization

brought with it waves of inexpensive tawdry gimcracks In the early twentieth century reform minded Americans reflecting on the new Christmas prompted a backlash against this cheapening of the Yule tradition and the Christmas card was born Henceforth family members and close friends exchanged useful costly items while cards were sent to acquaintances and distant relatives These reformers also persuaded retail stores to keep their regular hours of business during the holiday rather than lengthening them to give trade workers the opportunity to join in the celebration They also rationalized the collection and distribution of holiday charity resulting in the Christmas celebration we have today Waits s book clearly illustrates that the notion that Christmas is uncontrollable is simply untrue An incisive and engaging history of giftgiving The Modern Christmas in America also examines the differing traditions of giftgiving to friends employees the poor and among entire communities Handsomely illustrated with dozens of historical photographs this book is not only the perfect holiday gift but will also be of interest to any student of American history and culture The Delineator R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1915 Their Christmas Miracle Lynne Marshall, 2017-11-08 Hunter Wood wants to be respected A talented cook he s ventured out on his own opening a breakfast and lunch diner in Charity Montana He s got a lot to prove mostly to himself and more than a few people to convince he s a changed man Tracy Blevin is a registered nurse and pie baker extraordinaire who is drawn to a most unlikely man Hunter Wood A nurturer by profession she likes to feel needed but the only thing Hunter needs her for is her pies Their friendship has changed over the last six months as business partners The more time Hunter spends with Tracy the more he finds things to like about her She s smart organized and those bright green eyes and delicate mouth are really starting to get to him Maybe it s time to move beyond just partnership When a Montana winter car crash leaves a baby an orphan Godfather Hunter lives up to his promise taking in the ten month old With the season of miracles upon them Hunter can no longer deny his strong attraction towards Tracy Is her life long wish for her own family finally being answered this Christmas
