HISTORIA DE LA LITERATURA ESPAÑOLA

IV
Siglo XX

Literatura Española Siglo Xx

Santos Sanz Villanueva

Literatura Española Siglo Xx:

Literatura española, siglo XX Pedro Salinas, 1941 Literaturas de España 1975-1998, 2021-11-22 **Literatura Española Siglo XX.** Pedro Salinas Serrano, 1949 Historia de la literatura española: Siglo XX José María Díez Borque, 1980 **Historia de España en el siglo XX - 1** Javier Tusell, 2012-09-17 Una obra fundamental para entender la España de hoy Dividida en cuatro volúmenes la Historia de España en el siglo XX abarca un periodo especialmente controvertido cuyo conocimiento es imprescindible para cualquiera que desee hacer un diagnóstico del presente España ha sido protagonista de dos acontecimientos fundamentales en este siglo la Guerra Civil y la transición a la democracia y la cultura española ha alcanzado desde comienzos del siglo XX unas cotas que permiten establecer un paralelismo con el Siglo de Oro Este primer tomo aborda la etapa comprendida entre el desastre de 1898 y la proclamación de la República en 1931 un periodo de cambio en el que empezaron a fraguarse las grandes cuestiones que marcaron el siglo XX español Literatura española. Siglo XX. 2a edición... Pedro Salinas, 1949 Historia de la literatura española Gerald Griffiths Brown, 2008 *La novela en España (siglos XIX-XX)* Paul Aubert, Casa de Velázquez, 2001 La reflexión en torno a la novela y al discurso crítico que suscita hace hincapié en las condiciones socioculturales del nacimiento y de la evolución de este género así como en el papel de la escritura en el estatuto del narrador y finalmente del lector En este proceso tiene su importancia el influjo de otros géneros y de otros medios el periodo postromántico se nutre de la historia la recepción de varias corrientes filosóficas explica los alegatos a favor de la subjetividad a principios del siglo XX el cine alimenta la novela de vanguardia hasta que la literatura reciente se fundamente en una literatura cuyo contenido cada uno procura remojar en el agua nueva de su propia sensibilidad No se trata por consiguiente de analizar exclusivamente algunas trayectorias individuales sino de abordar desde múltiples enfoques los cambios de perspectiva Así se iluminan las grandes rupturas iniciadas a la vez por la voluntad de estilo el deseo de aventura el placer de contar o el juego de los puntos de vista con el fin de estructurar lo imaginario cambiar lo real o más modestamente educar al lector Hacen oscilar el género novelesco entre documento reflexivo y ficción entrecruzando relato objetivo emergencia del sujeto experimentalismo autonegación del narrador parodia vuelta al relato e interpelación del lector culto como si la existencia del mundo dependiera de ahora en adelante de sus relatores Historia de la literatura española: El Siglo XX, 1994 Manual de historia de España: Siglo XX Javier Tusell, 1990 **Más es más** Jordi Gracia García, Domingo Ródenas de Moya, 2009 Los estudios aquí reunidos exploran áreas como el cine la arquitectura la política la música popular el teatro la industria editorial los medios de comunicación y la literatura en la España de los dos últimos decenios Historia de la literatura española, 1980 *Spanish Poetry of the Twentieth Century* Andrew Debicki, 2021-12-14 Twentieth century Spanish poetry has received comparatively little attention from critics writing in English Andrew Debicki now presents the first English language history published in the United States to examine the sweep of modern Spanish verse More important he is the first to situate Spanish poetry in the context of European modernity to trace its trajectory

from the symbolists to the postmodernists Avoiding the rigid generational schemes and catalogs of names found in traditional Hispanic literary histories Debicki offers detailed discussions of salient books and texts to construct an original and compelling view of his subject He demonstrates that contemporary Spanish verse is rooted in the modern tradition and poetics that see the text as a unique embodiment of complex experiences He then traces the evolution of that tradition in the early decades of the century and its gradual disintegration from the 1950s to the present as Spanish poetry came to reflect features of the postmodern especially the poetics of text as process rather than as product By centering his study on major periods and examining within each the work of poets of different ages Debicki develops novel perspectives The late 1960s and early 1970s for example were not merely the setting for a new aestheticist generation but an era of exceptional creativity in which both established and new writers engendered a profound intertextual and often self referential lyricism This book will be essential reading for specialists in modern Spanish letters for advanced students and for readers interested in comparative literature

Historia de la literatura española Javier Gutiérrez Palacio,1994 Claves de literatura española Vicente Gaos,1987 *Historia de la literatura española: El siglo XX* José María Díez Borque,1980 **La literatura española en los textos** Felipe B. Pedraza Jimenez,1991 *Historia de la literatura española: El siglo XX* Santos Sanz Villanueva,1984 **Cronología de la literatura española: Siglo XX : primera parte** ,1991 **Literatura española (siglo XX)** María Isabel López González,José Gabriel López González,1986
